Seven Candidates For Three Places On Newton School Committee

Present Incumbents All Have Opponents—Alderman Farrell Is a Candidate in Ward Three

At the city election on next Tuesday, Dec. 11, there will be contests for three of the seven places on the School Committee. The three-year terms of George H. Fernald, Jr., of Ward 3, and Kirtley F. Mather, of Ward 6, expire. Both are candidates for reelection. Mrs. Margaret H. Woods of Ward 5, now serving as a member from that ward, is also a candidate for election. Mrs. Woods was elected on June 16 by a joint convention of the School Committee and Board of Aldermen to fill for the balance of this year the vacancy caused by the resignation of Mrs. Kate C. Cornell.

George H. Fernald, Jr., was born in Worcester, 52 years ago. He graduated from Worcester Academy, from Harvard College in 1903 and from the Harvard Law School in 1905. He is head of the legal department of the Boston & Albany Railroad. He has been a resident of West Newton for about 20 years. Mr. Fernald is married and has six children. He resides at 61 Winthrop st. He is serving his third year as a member of the School Committee. Opposing Mr. Fernald is Bernard D. Farrell, Jr., of 3 Cherry place, West Newton. Mr. Farrell was born in West Newton, 34 years ago. He is a graduate of Boston College High School and Boston College in 1922. He has been engaged in the sale of petroleum products. He is President of the Boston College Club of Newton. He has been Ward Alderman from Ward 3 for the past three years.

Mrs. Margaret H. Woods of 141 Mofat rd., Waban, was born in Boston, 38 years ago, and came to Newton with her parents when 8 months of age, residing in Newton Centre. She is a graduate of Newton High School and attended Smith College with the class of 1918. Mrs. Woods is the wife of Edward H. Woods and the mother of two children. She was the choice of Waban residents and the Aldermen of Ward 5 to succeed Mrs. Cornell on the School Committee.

Francis W. McOwen, of 260 Elliot st., Newton Upper Falls, is 32 years of age and a lifelong resident of Ward 5. Mr. McOwen was asked to give further information for a short biographical sketch of himself, but courteously stated he did not desire to do so.

Kirtley F. Mather of 15 Channing rd., Newton Centre, was born in Chicago, 46 years ago. He received the degree of B.S. from Dennison (Ohio) University in 1909 and received the degree of Ph.D. from the University of Chicago in 1915. He was appointed assistant professor of physiology at Harvard University in 1924 and in 1927 was made Professor of Geology at Harvard. He is married and has three children. Mr. Mather became a resident of Newton Centre 10 years ago and has become widely known in the city through the Mather Class. He is serving his third year as a member of the School Committee.

Miss Katherine C. Coveney, candidate for school committee from Ward 6, is a native of Boston, but lived most of her life in the Winter Hill section of Somerville. She is a graduate of the public schools of that city. In October 1926, her family purchased their present home at 48 Oxford rd., Newton Centre.

After graduation from the Boston Normal School, Miss Coveney taught in the grade schools of that city until 1914 when she began to specialize in the teaching of backward children through the Judge Baker Foundation.

For some years, Miss Coveney was in charge of the George T. Angell School, a center for the older boys. During these years, she was business manager of "The Boston Way" and editor of "A Syllabus in Character Training."

In 1927 Miss Coveney was made Assistant Director of Special Classes in Boston.

For two terms of two years each, she was president of the Boston Teachers' Club, an organization of (Continued on Page 10)

Ward 7 Candidates Also Endorsed

At the meeting of the Republican City Committee on Nov. 27th when candidates at the coming city election were discussed endorsements were made of candidates for alderman-at-large in all of the seven wards of the city. The list of candidates so endorsed which was published in the last issue of the GRAPHIC did not include the names of candidates from Ward 7. The Ward 7 candidates for Aldermen-at-Large so endorsed were Clarence C. Colby who is running for the two-year term from which Alderman Jamieson is retiring and Alderman George E. Rawson who is running for the expiration of the term of Alderman Joseph P. Murray, who was succeeded by Mr. Rawson when Mr. Murray became Water Commissioner.

Nonantum Man Fatally Injured By Automobile

John J. Mahan, 75, of 109 Adams st., Nonantum, died at the Newton Hospital on Wednesday morning of injuries received Saturday evening when he was struck by a furniture truck as he was crossing Watertown st. at Adams st.

The truck was driven by Paul O'Neill of 648 Hyde Park ave., Boston. O'Neill reported that he did not see the victim until the latter was hit. Mr. Mahan was taken to the Newton Hospital by a passing autoist. It was found he had fractures of several ribs and internal injuries as well as a gash on his chin. He was born in the house where he resided, the son of Simon and Mary (Comerford) Mahan. He formerly was employed by the Newton Street Department and retired on a pension some years ago. He is survived by his widow, Mrs. Margaret Mahan; a daughter, Mary E. Mahan; two sons, John E. and William Mahan; and a sister, Mrs. Mary A. Rody. His funeral service was held this morning at our Lady's Church. Burial was in Calvary Cemetery, Waltham.

Two hundred and sixty-one families were given Thanksgiving cheer; 95 of these entirely planned for by individuals and organizations. The Faneuil Fruit Exchange contributed 10 baskets which were packed with fruit, jellies, and other delicacies for elderly people.

The Newton Welfare Bureau is today still receiving appreciative letters from parents, expressing their thanks and feeling that through the community interest and Thanksgiving cheer they were given courage to battle further through difficulties and hardships. One mother, recently having come to the end of her resources, said that this year through the interest shown in her at Thanksgiving the true meaning of Thanksgiving was brought to her as never before.

Another who, on Wednesday told a worker at the Bureau that with things looking so black and hopeless holidays meant nothing more to her family, wrote on Friday that the well planned dinner, the thoughtfulness put into the basket gave the family a new spur and appreciation which they had not dreamed possible.

Community spirit at the Holiday Season is needed. The simple thought, small giving of each individual in Newton spreads far when organized with others, and brings cheer in a much broader way than one imagines. It brings through the Newton Welfare Bureau that individual touch which is so needed in a time of widespread suffering.

Co-Operation With Welfare Bureau Brings Cheer

Newton Families Made Happy In Thanksgiving

All of Newton joined in making Thanksgiving of 1934 a happy one for many families through co-operation with the Newton Welfare Bureau.

The impulse of giving some small bit of thankfulness was more appreciated and needed this year than ever. People who saw no chance of doing what they had done for their children in the past were made happy; others were given staples which lasted far beyond the one day.

Monday, the Boy Scouts assembled the boxes (contributed by the First National Stores) to carry the foodstuffs. Early Tuesday, Mr. Archie Osgood of the Garden City Laundry again this year sent six of his trucks to the store, lent by the Newton Flower Shop, ready to collect the food contributed by different groups and organizations. All day the trucks brought in the foodstuffs, the drivers enthusiastic over their contribution of time and interest; and all day volunteers packed boxes with vegetables, canned goods, fruits, etc., for families.

Again on Wednesday, the men and their trucks delivered the boxes through the entire city. Schools—public and private, churches, Boy and Girl Scouts, and individuals packed baskets and complete dinners adding personal and individual touches. One 12 year old boy planned a dinner for a family with money he had saved through the year.

Two hundred and sixty-one families were given Thanksgiving cheer; 95 of these entirely planned for by individuals and organizations. The Faneuil Fruit Exchange contributed 10 baskets which were packed with fruit, jellies, and other delicacies for elderly people.

Newton Centre Improvement Asso. Favors Hobart Rd.

In Extensive Report Will Recommend This Route

At the public hearing at City Hall on December 17 before the Board of Aldermen on the matter of the route for the extension of the Hammond

Pond parkway, the Newton Centre Improvement Association will recommend that Hobart road be used instead of the route via Chesley road and Willow street. The improvement Association contends that Hobart road will be the most direct, the least expensive and the most practical. That this route will keep pleasure traffic away from Newton Centre square and the business district, where traffic already is congested and parking at a premium. The report states that the Willow street route would be much more expensive, would increase traffic difficulties, would be injurious rather than helpful to Newton Centre merchants and business men, with the exception of the gasoline station on Willow street, and that additional legislation would have to be obtained to authorize such a route, inasmuch as it would not be an extension of the parkway, but a diversion. There is about \$145,000 available for the extension of the parkway. This is the balance remaining from the amount appropriated a few years ago by the Legislature for the construction of that section of the parkway between Newton st., Brookline and Beacon st., Newton Centre, where the parkway now ends.

The Improvement Association suggests that should the Hobart road route be selected, the parkway may later be extended to follow along Waverley avenue to Newton. A detailed account of the Improvement Association's report will be published in next week's GRAPHIC.

Many Candidates For Aldermen At Election On Next Tuesday

Thirty-Three Aspirants Making Race for Sixteen Positions On Board—Some Contests Will Be Close

Voters of Newton will have more candidates for Aldermen to ballot for at the election of Dec. 11th than probably at any election since this city was started in 1873. Sixteen members of the Board must be elected; two more than in any ordinary year because of unexpired terms to be filled in Wards 1 and 7. In Ward 1, Alderman Howlett died early this year and Alderman Mansfield was elected by the Board to fill his term for the balance of the year. As Mr. Howlett was elected for a two-year term, the voters must choose someone to fill this office for the second year. Mr. Mansfield is not a candidate. His record as an Alderman is unusual. He was elected in 1929 to serve in the 1930-1931 Boards. He resigned on August 20, 1930, because he was to move to Melrose. His resignation was accepted on September 22, 1930. He again became a resident of Ward 1 in March 1933 and on April 15, 1934, was elected by the Board of Aldermen to fill the vacancy. In Ward 7, Joseph J. Murray, who was elected last year as Alderman-at-Large for a two-year term, resigned a few months ago before he was appointed Water Commissioner. The Board selected George E. Rawson of Marlboro st. to fill the vacancy and he is assured of reelection for the one-year balance of the term as no one is opposing him.

Ward 6 is the only ward where there are no contests. Henderson Inches of Middlesex rd., Chestnut Hill, is unopposed for Alderman-at-Large to succeed Ronald Cordingley of Chestnut Hill. Paul M. Goddard of 20 Trowbridge st., Newton Centre, who was elected last year as Ward Alderman, is a candidate for reelection and has no opponent.

There are ten candidates running for the three Aldermanic offices to be filled in Ward 1. Alderman-at-Large Thomas M. Gallagher, who has served 10 years, and Ward Alderman William A. Sprout, who has served three years, are not candidates. For Gallagher's place there are three candidates—John E. Barwise of 457 Washington st., Newton; John W. Blakeney, Jr., of 5 Washburn st., Nonantum, and Waldo S. Weldon of 201 California st., Nonantum.

John E. Barwise was born in Pawtucket, R. I., 42 years ago, and has been a resident of Newton for 21 years. He has been in the employ of the New England Telephone Company for 25 years and is acting chief repairman at the Newton South Exchange. He is a graduate of Malden High School and attended Franklin Union. He is married and lives at 457 Washington st.

John W. Blakeney of 5 Washburn st. was born in Watertown, 38 years ago, but has lived in Newton since an infant. He has resided in Ward 1 for 35 years, graduated from Newton High School, studied at Boston University and is a graduate of Boston University Law School. He is a lawyer by profession.

Waldo S. Weldon of 201 California st., Nonantum, is married and has four children. He served in France during the war with the heavy artillery of the First Army Corps. He is a member of the American Legion, V. F. W., and of the troops committee of the Nonantum Boy Scouts. He ran for Alderman on two previous occasions.

THE WEEK IN NEWTON SPORTS

THREE LETTERMEN FORM NUCLEUS OF NEWTON HOCKEY SQUAD

Three lettermen, Captain Gus Castoldi, Ernest MacLeod and Burt Woodward, will form the nucleus of Coach Dr. Oscar Martin's Newton high school hockey team in the Greater Boston Interscholastic League this season. Captain Castoldi, who also led the football team this fall, is a capable player of known ability. MacLeod is a capable wing although it is possible that he may hold down the centre ice position this winter. Woodward was one of the outstanding players on the Newton sextet of a year ago. Although but a sophomore last year, he was a bulwark of strength in the net as the Newton goalie. With the experience thus gained he should be one of the league's best goalies this season.

Three other candidates with previous experience are available. Butterfield and Dennison saw some service in the Newton forward line last year and Ben Grov, football tackle, was used considerably on defense although none of the three saw enough service to earn them a letter. With the season opening a week from tomorrow, Dr. Martin is hoping to get in enough practice to enable the team to get off to a fast start.

But one hour's practice session on ice has been held with the squad taking the arena ice for that length of time on the night before Thanksgiving. At that session none of the football players were in action. Another practice session will be held on ice tomorrow afternoon. Meanwhile shooting practice has been held on the sidewalks near the school and conditioning work has been conducted also. With no ice available for regular practice, Dr. Martin has been working with a selected group of about twenty with some experience last year, either on the varsity or on the intermediate varsity sextets. As soon as ice is available a general call for candidates will be issued and those responding will be divided into the various groups.

THREE NEWTON PLAYERS ON ALL-SUBURBAN TEAM

Three Newton players were chosen by the coaches of Suburban League football teams as members of the All-League eleven published in the Boston Transcript each fall. Captain Gus Castoldi was named as end on the mythical eleven, Gale Wisbach was chosen a guard, and Ernie Savignano was selected as the quarterback. The four coaches of the league teams make their selections, refraining from choosing their own players, making three votes a unanimous selection. Wisbach was the only Newton player although one of seven thus chosen. Bernard Rindge Tech centre; Neudorf, Cambridge Latin guard; Chandler, Rindge Tech end; Mahoney, Cambridge Latin halfback; Walsh, Brookline halfback, and Watson, Rindge Tech fullback, were the other unanimous selections. Scott, Rindge Tech tackle, and Casey, Cambridge Latin tackle, were selected for the remaining two positions on the eleven.

Castoldi was named by Coaches Metivier of Rindge and Brown of Brookline while Savignano received the votes of Metivier and Coach Sheehan of Cambridge Latin to rate the signal-calling berth although the Cantab mentor named the Newton lad. Other Newton players named were Treanville, who drew a position as halfback on Coach Brown's list and Clever, Milner, and Myers, who drew the two tackle berths and quarterback position on Coach Sheehan's list. Analysis of the selections shows that Coach Sheehan named five Newton players, and Coaches Brown and Metivier three each.

Coach Sanborn of Brookline named a team comprised of seven Rindge Tech players, two Brookline and two Cambridge Latin players as follows: Lynch (B), end; Tichanuk (B), tackle; Jestsinski (RT), guard; Bernard (RT), centre; Neudorf (CL), guard; Scott (RT), tackle; Chandler (RT), end; Walsh (B), quarterback; Matthews (RT) and Mahoney (CL) halfbacks; and Watson (RT) fullback.

SPORT NOTES

Gets Bowdoin Letter

Richard B. Nason of Newton Centre was recently awarded a varsity football letter at Bowdoin College, Maine where he is a senior. He was a guard on this year's eleven. He also played freshman football in his first year at Bowdoin and has been on the varsity squad since.

Receive Wesleyan Awards

Five Newton youths at Wesleyan University, Middletown, Connecticut were among those who received varsity and freshman athletic insignias recently for participation in fall sports. James A. Jones, Jr., end on the Cardinal football eleven and Roger Maynard, star cross-country runner, received varsity "W's". Jones, who is a junior, is the son of Mr. and Mrs. J. Arthur Jones of California street, Newtonville. He is a graduate of Wilbraham.

His fraternity is Phi Nu Theta. Maynard, a sophomore at Wesleyan, is the son of Mr. and Mrs. G. S. Maynard of 614 California street, Newtonville. He was recently elected captain of the cross-country team for next fall. He is a graduate of Newton High School and is a member of the Alpha Chi Rho fraternity. Clarence O. Bedient, of Newton Highlands and John R. Bevan, of Newtonville, freshmen at Wesleyan, received class numerals as members of the yearling football squad. Bedient, a graduate of Irving School, is a member of Delta Tau Delta fraternity and Bevan, a graduate of Mt. Hermon, is a member of Phi Nu Theta fraternity. H. F. Kennison of Waban was awarded freshman numerals in cross-country.

COACH ENOCH HAS LARGE SQUAD OF TRACK CANDIDATES

Coach Donald Enoch of the Newton high school track team has a large squad of candidates this fall and has hopes of developing a strong team for the coming schedule. The schedule, which will be announced next week, contains seven dual meets and three interscholastic affairs and will open on Jan. 5th with a dual meet with Lawrence on the Andover Academy indoor oval. The Newton team this year will not be entered in the B. A. A. interscholastic meet although it is probable that the Newton track coach will enter a relay team.

On Tuesday afternoon of this week the squad held its first practice. At this session none of the members of last year's squad were expected to report. They will come out next Monday for their first workout. A total of 74 lads signed up on Tuesday while another group of 34 more came out Wednesday, making a total of over one hundred new candidates competing for places on the team. Of this group several have attracted Coach Enoch's eye with James Stewart, reserve football centre, showing good form. He is strong and big and is a prospective 300-yarder. Robert Muth, a sophomore, is one of the newcomers who should do well in the sprints. If these two youths and a few others develop, the Newton coach will again field a track team which should do well in scholastic competition.

The letter men and others with experience from last year's campaign include a nucleus for every event conducted. In the sprints there is Sargent Moore, and in the hurdles Warren Wiggins and John Reardon. Albert Bianchi is the leading 300-yard runner with previous experience. Captain Allan Freeman heads the 600-yarders which also include Bob Kiley and Burleigh Fernald. Martin Russell and Charles Centre are the 1000-yard runners with Coach Enoch pinning high hopes on the former's development. In the shotput there will be Melvin Swig, Jesse Hale and Sam Miller, football players of note with husky physiques. Hale and Howard Fine are the standing broad jumpers. The latter is a brother of Irving Fine, who was a member of Newton track teams a few years ago. Warren Wiggins is the outstanding high jumper available although he will be closely pressed by Ross McLean and Joe Blair. This trio scored several points for Newton last year and as all are capable of leaping 5 feet 8 inches, many more points are due to come to the orange and black in this event this coming season.

Newtonville

—Mrs. Louis W. Bruemmer's group from the Woman's Association of the Methodist Church met with Mrs. Elmer E. Colcord of 336 Lexington st., Auburndale, on Tuesday.

—Mr. and Mrs. Richard M. Nichols, who have been guests of Mrs. Nichols' parents, Mr. and Mrs. W. H. Timble, for a month have returned to their home in Hinsdale, Ill.

—Joanne Wyman, prominent student in Boston University's college of practical arts and letters, was recently honored by her classmates with election as treasurer of the sophomore class.

—Prof. W. J. Lowstuter resumed his teaching in the Woman's Bible Class of the Methodist Church School on Sunday morning after an absence of several weeks following an appendix operation.

—Miss Mary Herrick of Highland st. will be hostess this evening to the members and guests of the Trinity College alumnae, when the Rev. John E. Sexton, D.D., of St. John's Ecclesiastical Seminary will speak.

—Mr. and Mrs. S. Russell Wilson and their daughter, Doris Ann, of Baltimore, Md., spent the Thanksgiving recess with Mrs. Wilson's brother-in-law and sister, Mr. and Mrs. Henry W. Webster of 216 Lowell avenue.

—The Junior League of the New Church is giving a dance in the Parish House tomorrow evening from eight o'clock to midnight. Invitations have gone out to the young people of other Newton churches and to other New Church Leagues.

—Principal Paul E. Elicker is a member of the committee in charge of a reception this evening in connection with the 49th annual meeting of the New England Association of Colleges and Secondary Schools now in session at the Hotel Stratford.

—The Women's League of the New Church will meet on Wednesday morning of next week at ten o'clock to sew for the Mayor's Relief Committee with Mrs. H. M. Warren in charge. Mrs. C. T. Whittemore will be the chairman of the luncheon committee.

—Mrs. Frances J. Flagg assisted Mrs. Charles J. Bullock of Cambridge in arranging a luncheon for the Syracuse Alumnae Association at the Women's Republican Club, Boston, on Wednesday when Miss Alice Stone Blackwell was a guest of honor. Another guest was Miss Lillian MacDonald who is in Boston for a brief visit after spending thirteen years with the Syracuse Unit in China.

—Three groups from the Woman's association of the Methodist Church are meeting next week. Group I will meet with the chairman, Mrs. George F. Williams on Wednesday afternoon at two o'clock. Group IV, Mrs. George W. Bell, chairman, will be the guest of Mrs. Carl S. Ell on Monday afternoon at two thirty and Group VI, Mrs. Frederic E. Drew, chairman, will meet with Mrs. Allan J. —On Sunday evening Allan J. Macquarrie, Jr., of Brookside ave., who was driving on Beacon st., Brookline, collided with a parked car while avoiding an accident with another car. Both cars were somewhat damaged.

—Young MacQuarrie and the other occupants of his car, Miss Marjorie Ashenden of Fair Oaks avenue and Roger Cotting of Newton, were taken to the home of Dr. Francis G. Barnum of Beacon street where they were treated for cuts and bruises.

—Miss Anagrace Colburn, a former resident of Newtonville, and Mr. Russell C. Squire were married recently by Dr. W. J. Lowstuter at his home on Charles st., Boston.

Dist. Reps. Newtonville Improvement Assn. Meet

A meeting of District Representatives of the Newtonville Improvement Association together with members of the Executive Committee was held on Saturday evening, December first, at the Parish House of St. John's Episcopal Church, Newtonville. Thirty-three men were present at the dinner and the meeting.

In the absence of President Breed, Mr. H. D. Cabot presided at the meeting. After several items of business had been disposed of by the members of the Executive Committee, Mr. J. C. Irwin, chairman of the committee on organization, presented each representative with the data and instruction relative to his district. Mr. Charles P. Slocum, leader of the representatives, spoke; and the meeting was then thrown open to discussions of various problems that the representatives had found in their districts in Newtonville.

Speaker on Ceylon at Central Church Woman's Assn.

At the meeting of the Central Church Woman's Association on Wednesday the guest speaker was Miss Lulu Bookwalter, Superintendent at the school for girls at Uduvil, Ceylon. A pageant, directed by Mrs. Percy E. Woodward, depicted "Women of the Bible" which included such characters as Sarah, the wife of Abraham; Deborah, Salome, Jezebel, Naomi and Ruth, to Mary the Mother Supreme. The pageant was written by Miss Alice Robinson of Melrose, Mrs. Abrams was in charge of costuming and stage setting. Miss West was at the piano with Miss Forte as violinist, and Mr. Wentworth was in charge of the lighting. Mrs. Irving O. Palmer, president, conducted a business meeting at which time the Friendly Circles reported.

All Newton Music School Xmas Concert

The Christmas Concert of the All Newton Music School will be held in the Newton High School Auditorium, Newtonville, on Friday evening, Dec. 14th, at 7:45 o'clock. The program will consist of light classics and there will be Christmas music as well. A most enjoyable feature will be a number by the Second Church Choir under the direction of Mr. William Lester Bates, who will also lead the Community Carol Singing at the end of the program. Mr. Bates, organist and choir master of the Second Church, West Newton, is well known throughout Newton and Boston for his outstanding work in the field of music.

As a member of the Newton Community Center, no charge may be made for this concert and there will be no tickets of admission. The public is most cordially invited to attend.

Flower Arrangements In Home Discussed at Meeting

An interesting talk on "Flower Arrangement in the Home," was the feature of the afternoon session of the December meeting of the Newtonville M. E. Church Woman's Association on Wednesday. A generous supply of seasonal flowers and containers of many sizes, shapes, prices and colors, illustrated the practical suggestions offered by Mr. Allyne Hixon of Worcester. Mrs. Carl S. Ell, Association president, conducted the show business session which preceded the address. Devotions were in charge of Mrs. Joseph C. Atkinson. Mrs. Frank Kennedy of West Newton rendered piano selections.

Newtonville Delicatessen Store Enlarges Quarters

The Newtonville Delicatessen Store at Washington street has leased the adjoining store. The removal of the intervening partition has greatly added to previous accommodations. The entire quarters have been remodeled and equipped with modern booths and tables and new tile rest rooms. Provisions have been made to care for more than double the number of customers formerly accommodated and the staff of employees increased to fifteen.

Auto Accessory Shop Moves to Newtonville

L. H. Hayward, Inc., formerly located at Newton Corner has moved to Newtonville near the corner of Washington and Walnut streets. The new store opened for business last Saturday. Mr. Hayward says that his store is unique in that it is probably the only store in Newton where an automobile owner can drive into a spacious parking place and have any accessory on his car serviced.

New A & P Market at Newton Centre

Left—New type vegetable and fruit display which is a feature of the remodelled A & P Market.

Below—Meat section of the new A & P Market—bigger than ever before.

The Newton Center shopping district now boasts what might be considered a new store, but what is really an older store remodelled and modernized in accordance with the latest developments of store planning, equipment, and decoration.

The A & P Store at 743 Beacon street has just undergone a complete remodeling, and is now opened as one of the most up-to-date stores operated by The Great Atlantic & Pacific Tea Company. The exterior trim is in conformity with the newest store front design in use by A & P in this section of the country. Instead of the familiar red front, there now appears shining tile and chrome in a black and white color scheme. The interior decoration throughout also emphasizes black and white tile, chrome, and plate glass.

In designing and selecting equipment, and arranging the layout of the store, every decision has been based on the customers' viewpoint. Food products are properly protected through the use of modern equipment, including the latest types of refrigeration, automatically controlled to maintain the proper temperature for the particular product stored or displayed.

Lighting throughout the store, as well as in the windows, has been designed in accordance with the latest developments of store illumination, and is scientifically designed to give the maximum light in all parts of the store.

The store personnel throughout is comprised of residents of Newton and vicinity. They are all carefully trained men with an intimate knowledge of their various departments. The Grocery Department is under the management of K. C. Dow, the Meat Department under G. T. Tangerini, and the Produce section under Salvatore Taccone.

Gov. Elect Curley Poses As Florist in Newtonville

Mr. Rosenthal, proprietor of the Newton Flower Shop at Newtonville, tells this one on Governor-elect Curley: The night before Thanksgiving, Mr. Curley dropped in at the Newton Flower Shop to make a purchase. While waiting for his flowers to be wrapped, the governor-elect was asked by two young ladies, who had just come in, the prices of various displays. Mr. Curley assuming the role of salesman, while Mr. Rosenthal was busy, quoted the prices. Mr. Curley then offered each of the young ladies one of Mr. Rosenthal's choicest chrysanthemums. The girls not being aware of the identity of their salesman were somewhat surprised, and accepted the flowers, only after Mr. Curley told them to take the blooms home to their mothers with the compliments of the next Governor of Massachusetts.

Invites Public to Hear Dr. Sockman

The Clafin Club of the Newtonville Methodist Episcopal Church has extended to friends who are particularly interested, an opportunity to hear Dr. Ralph W. Sockman of New York City who is to speak at the Clafin Club meeting Friday, December 14, at 8 P. M.

The Club will open its meeting at 8 p. m. to residents of Newton who may wish to come as guests of the Club to hear the address "Managers of Tomorrow." The members of the Club will meet for dinner at 6:30 and will have completed the necessary business by 8:00 o'clock. The meeting will be held in the Assembly Hall of the Methodist Church.

Dr. Sockman is well-known in this vicinity for his many public appearances and radio addresses. He is a noted author and lecturer of outstanding ability.

THE CITY ELECTION

Next week Tuesday the voters of Newton will go to the polls to elect members of the Board of Aldermen and of the School Committee for terms of varying years. Although an "off" year as far as the mayoralty is concerned there is much interest in the election, as there are more than the usual numbers of offices to be filled. In the history of the city it is doubtful if there has ever been as many candidates as in the present instance. Forty candidates for nineteen offices—sixteen on the Board of Aldermen and three on the School Committee. While most of the contests are between candidates to be voted upon throughout the entire city, there are several important ward contests which heighten the interest in those sections. In some instances there are men of exceptionally high calibre available. This is true particularly in Ward 2 where Albert M. Lyon is a candidate for Alderman-at-Large. In such instances it would be a great misfortune to have an insufficient number of voters cast their ballots and have such men fail of election. Newton's standing as a city is due to the unstinted service that men of this type have long given to civic affairs. Men of judgment and experience are needed. As a good citizen it is the duty of every voter to know the candidates and to cast their ballot next Tuesday.

THE WARD ONE SITUATION

The situation in Ward 1 involving the candidates for Alderman-at-Large for an unexpired term is one which is worthy of the attention of Newton voters. It is a situation that has led to considerable misunderstanding. And, as usual in such circumstances, some person bears the brunt of misfortune, if it may be termed such. Major Frank T. McCabe and Richard H. Lee, candidates for the unexpired term of the late Alderman Howlett are the principals in a situation not altogether of their own choosing. The events leading up to the time they found themselves opponents are not of relative importance. It might well be stated, however, that at the first there was an indefiniteness as to which position was being sought. Similar situations prevailed in one or more of the other wards of the city. With reference to this angle of the matter both candidates have made themselves vulnerable to righteous criticism. Such developments could never have taken place had the Ward 1 Republican committee been actively in control of the situation.

It is reported from more than one authoritative source that the Ward committee favored one candidate by a slight majority. It is also true that many members of the Republican City Committee, including five members of the Ward 1 group, had signed the other candidate's nomination papers. Naturally, when it came to a final decision, these persons felt obliged to go through with the support of their candidate regardless of conflicting views. In this presumption it may be conceded that they were justified unless one wishes to bring into the picture the question of whether or not a political committee should endorse any candidates in a non-partisan election. This is a separate question not germane to the issue. Suffice it to state that a majority of the committee having endorsed its candidate the vote was made unanimous without objection.

We believe that the voters should recognize that in this instance the committee endorsement of one candidate does not mean that the other candidate is not worthy of support. Having arrived at this conclusion by setting aside personalities we now come to the question as to the merits of the two candidates. It is conceded that both men are of high character and ability. Major McCabe has taken an active interest in Ward affairs during the eleven years he has lived here. He was instrumental in the building of tennis courts and other improvements at Cabot Park. He has served 33 years in the army, which he entered at the age of eighteen, retiring about a year ago. He graduated from Suffolk Law School in 1930 and is now engaged in business in the employ of a well known retail firm. His mature judgment, experience and ability stamp him as an ideal candidate for the Board of Aldermen, as does his courteous and gentlemanly attitude in the existing situation. Major McCabe is also a personal friend of Mayor Weeks. Mr. Lee, like many other residents of Newton, worked diligently for the re-election of Mayor Weeks. He has been a resident of Newton for five years and not four, as has been incorrectly stated. He has made many friends during his residence here and has a likable personality. He is a law school graduate and engaged in the practice of his profession. Conceding the right of every person to hold to his opinion as to the candidates in an election we frankly state that we shall vote for Major McCabe.

The City Election

This may be an off-year in the sense that there is no Mayor to be elected but the chances are that a very substantial vote will be cast on Dec. 11. Why?

There are 33 candidates for aldermen competing for 16 places. Ordinarily we elect seven Ward aldermen and seven aldermen-at-large each year. This year, however, there are two extra positions to be filled due to ad interim elections resulting from the resignations of James R. Chandler and Joseph J. Murray earlier in the year. In other words, Clifford H. Walker of Waban and George E. Rawson of Newton are obliged to go before the voters for election at this time.

Let us now consider these 33 candidates. Nine are sitting members of the Board—five are ward aldermen and four are aldermen-at-large. The other 25 have never served on the Board and most of them are relatively unknown. Perhaps the most widely-known candidate is Albert M. Lyon of Newtonville, now serving as Chairman of the Planning Board. Some years ago he served a long term on the School Committee. In view of the abnormally heavy turn-over this coming year—seven men dropping out in addition to the loss of Chandler and Murray—it is vitally important that a man of Mr. Lyon's calibre and standing in the community should be elected. His only danger lies in overconfidence.

Parentetically, I might add that I interviewed Edward J. Dooley, who is running against Mr. Lyon, at the drug-store over which he presides with much savoir faire. It is my impression that he has no special platform. When I asked him in what respect he felt that his qualifications or experience exceeded those of his opponent, he declined to answer. His only comment was that he considered that he was a good candidate and that he would make a good alderman. My readers may draw their own conclusions.

Next to Mr. Lyon, the best and only widely-known candidates are Major Frank T. McCabe, a personal friend of Mayor Sinclair Weeks, who is being opposed by young Richard H. Lee of Ward 1, the irrepressible Paul Harris Drake, who found the going far too steep when he ran for Mayor last year and Clarence C. Colby.

Glancing over the list of candidates for the two-year positions we find John E. Barwise, a member of the G. O. P. City Committee from Ward 1, who is being challenged by John W. Blakeney, a candidate in previous elections and Waldo S. Weldon. Inasmuch as Barwise has the support of his City Committee he should probably win, although Blakeney may give him a scare. There are no contests in Wards 3, 4, 5 and 6, where a new man puts in an appearance. Henderson Inches of Chestnut Hill. He is a graduate of Milton Academy and Harvard, where it was my privilege to meet him first. Inches takes Cordingley's place in the Board. Aldermen Hutchinson, Floyd and McKay are unopposed in Wards 3, 4 and 5.

Turning now to the candidates for Ward Aldermen, we find James P. Akins, a previous entry in Ward 1 contests, whom the well-informed politicians tell me will very likely win. This is a four-cornered scrap with Roland T. Kinchla, Harold A. Murray and John J. Timmons contesting. In Ward 2 Donald M. Hill is opposed by an optimistic young man named John J. Bagley, who has barely arrived at the voting age. Like many of the other candidates, he is doubtless looking for a little free publicity. In Ward 3 there is a very interesting battle in progress. It revolves about a certain Mr. Guzzi, the self-styled twenty-third alderman. The

original plan for disposing of this tireless but likable office-seeker involved Mr. Algernon McCarthy, a Democrat of parts. (Pardon the error: I forgot for the moment that we are supposed to be having a strictly non-partisan City election.) Suffice it to say that when Mr. Oliver K. Smith ("O.K." to you) completed some complicated deliberations and decided to toss his sombrero in the ring, my good friend Algernon decided that some other year would provide a better opportunity and he withdrew. It was rather unfortunate because Sir Algernon had been given reason to believe that some pretty substantial support was in the offing. So now we have Mr. Smith storming Mr. Guzzi's trenches with a little assistance from Thomas L. McEnaney, Jr. Mr. Smith, might interpolate, is a member of the G. O. P. City Committee. Mr. Guzzi, according to the papers, is exceedingly active in making Ward 3 "Guzzi-conscious," holding frequent rallies and distributing numerous cards and stickers. Whether or not Mr. Guzzi's enthusiastic support of Mr. James M. Curley in the recent unpleasantness of Nov. 6 will help him is a matter of doubt.

One of the strongest candidates in the various Ward contests is David Black, who is running against Alderman James B. Melcher and Ellis Sutcliffe in Ward 7. I am told that at one time Mr. Black was Treasurer of Page and Shaw and that his business record is highly creditable. However, Mr. Melcher is in office and is widely and favorably known, so he will almost surely be re-elected.

There are contests in Wards 4 and 5 but the chances are that Aldermen Cronin and Walker will be returned to the Board. Wilbur P. Richardson is after Dennis Cronin's scalp and Robert A. Quint would like to have Clifford H. Walker's seat, but I do not think much of their chances. In Ward 6 there is no opposition to Alderman Goddard, although Philip Kneeland went through a few preliminary motions and acted like a candidate for a while. Something tells me that Kneeland might have gone through had he felt that his record as a Democrat and his frank support of Curley would not have been used against him. Of course, this is a non-partisan election, as I said before, but the average voter seems to find it difficult to forget party lines when the City election rolls around.

Now we come to the real high-spot of the election—the fracas in Ward 1 between Major McCabe and Richard H. Lee. What a fierce battle that would have been had not our Mayor's closest friends and advisors urged him to keep out of it. Let's get this straight. Mayor Weeks will vote for Major McCabe. He told me so personally. It is my personal conviction that the Republican City Committee would have endorsed (or recommended) McCabe had the membership been advised definitely and authoritatively that the Mayor was definitely interested. Well, it is all water over the dam now and the official records show that the City Committee has endorsed Lee, a rather young man of promise, who has been a resident of Newton for only five years. Personally, I shall not merely vote for Major McCabe—I shall do everything I can to help him. If some of our prominent Aldermen care to be at all consistent they will follow suit. I have their word for it that it is vitally important that we should fill the seven positions about to be vacated with mature, experienced men of sound judgment. On that basis, Major McCabe ought to be elected by a tremendous majority and in that way furnish the Board with some additional intestinal fortitude.

ONE THING... ...AND ANOTHER

By L. D. G. BENTLEY

Let's Thank the Children

What is there to expand the heart and spirit more swiftly than the sight of youngsters in holiday mood? Few look on at a children's carnival without yearning for at least a few hours of the day when they themselves reveled in the glow of a candle-lit Christmas tree, with noisy games and shouts of laughter. Dickens tells us that old Scrooge yielded. How the boys and girls carried on. No limit to the boisterous play. Sudden quiet at the appearance of Santa Claus but after the gift distribution they are at it again. Sometimes a Punch and Judy show was provided, with the homelike Punch gliding in the power of his big stick and outwitting even the retortive Jack Ketch. Never can the joyousness of Christmas fade. The children will not permit it. They know, better than we, that there must be a time of year when everybody shuts from their lives the sordid and mean and rejoices in the hope of happiness and peace for all on earth. It's coming again—very soon. Get ready!

"Much Obligated"

Forgetful people may suffer embarrassment and inconvenience but they are not always penalized. At least I learned as much the other day and hasten to tell of it as it gives me a chance to toss a small bouquet to the Boston Elevated which by this time must be tired of sticks and stones, all verbal, of course. Hopping on an electric car I fished in the place I reserve for small change, remarking, "If I don't produce I'll have to walk, I suppose."

"No, indeed," the conductor replied, "I'd trust you."

"My glance must have been a questioning one. As he 'rang up' he continued, 'We often have people get on who have left their money behind. Changed their clothes or forgotten their pocketbooks. You know how it is.'"

"And you lend them the fare?" I asked.
"Sure. We don't like to ask them to walk back home. Usually they're in a hurry and haven't the time."

"All of them pay you back?" I persisted.
"Nearly always. Once in a while we skin a out of a dime, but most of my passengers are honest."

Life in Newton

Possibly if our new City Hall had not been made so attractive in design and arrangement there wouldn't have been such a long list of those who hope to be sent there as Aldermen.

If it's true that nobody is likely ever to shoot Santa Claus, shouldn't he be the very one to settle this dispute over the proposed new ward lines?

Local Dog Makes Good

Anybody who owns a dog is more than likely to tell you of the time their pet was lost and how it either came back of its own accord or was recovered. Some folks admit their dog has a bad habit of running away, although they try to give it a happy home. From all kinds of places news will be telephoned that the wanderer is there and will they please come and get it.

I have recently learned of a Newton dog, owned by a friend of mine, who has not only lost himself but has assisted in his own recovery. It appears that he finds some strong appeal in the town of Belmont. The first time, the police picked him up, they were kind to him and, after consulting the inscription on the collar, notified his mistress. Next time doggie went to Belmont he couldn't remember which road led to Newton but he did recall the location of the police station and trotted in. Wagging his tail and conveying his wishes as clearly as he could, he intimated he wished his owner notified. The police, who had not forgotten, promptly obliged.

Childrens' Opera In Aid of Pomroy Home

The "Sleeping Beauty," a fairy story told in song, will be presented in the Newton High School auditorium, Saturday evening, Dec. 15th, at seven-thirty, in aid of the Pomroy Home for children, in Newton. A company of sixty little folk, ranging from four and a half to ten years of age, will be the singers, and the opera will be directed by Mrs. Florence Wood Russell, of Newton Centre, she being the organizer of the group known as the Radio Robins.

There will be choruses and dances of wee fairies in fluffy tarlatan, festive scarlet clad goblins with horns to terrify the old miser (an interpolated character), a lovely little fair-haired Princess Rosamond with her gallant young prince, a majestic King and a beautiful blonde Queen, a charming food fairy and wicked Witch, beside a large gathering of noble Court Lords and Ladies in bright array.

The stage will be equipped with amplifiers, that the young voices shall not be taxed, and there will be adequate scenery.

This play was written and produced first in Burlington, Vt., during the days of the World War, and its receipts, sent across to aid the Belgian babies, were almost \$1000.

The Pomroy Home for children is strictly a Newton charity, aiding little ones from a year and a half up to sixteen. Not being a member of the Community Chest, the Home is maintained by loyal and generous friends, and many of these are rallying to the support of this opera.

Talented W. Newton Soprano Soloist in Joint Recital

Miss Elizabeth Cushman, daughter of Prof. and Mrs. Herbert E. Cushman of West Newton, will be presented in a joint recital in Jordan Hall with Rafael Mertis, pianist, Monday evening, December 10, at 8:30 p. m. The recital will inaugurate a series of recitals by the Artists Bureau of the New England Conservatory of Music, presenting outstanding former students and graduates of the Conservatory.

Miss Cushman's recital is of unusual interest to music lovers of Greater Boston. In a previous Jordan Hall appearance she received the plaudits of the public and critics alike. She has won distinction for the beauty and color of her tones and the clarity of enunciation with which she sings in foreign languages. This may be due to the circumstances that as a child she was taken to Europe to live, under the tutelage of a German governess, and for some years resided in France, where she learned the peculiar German and French vowel sounds at first hand.

Upon her return to America she was a student at the New England Conservatory of Music. She has won acclaim for her frequent costume recitals in which she has appeared in Old English, Hebridean and Old French costumes, singing the folk songs of those people.

ABOUT TOWN

By Edward H. Powers

Next Tuesday is election day in Newton. It is what is termed "an off year" because there is no Mayorality contest. Probably less than 50% of the registered voters in Newton will go to the polls. Yet there are sixteen of the twenty-one Aldermen who will compose the Board for 1935 to be elected and seven of this number will hold office for two years. Three members of the School Committee will also be chosen. It behooves every citizen of Newton and particularly the taxpayer who has reasonable concern in his or her personal affairs to vote next Tuesday. The manner in which our city is governed directly concerns all Newton residents whether they realize it or not. Persons who regard themselves as quite intelligent and who set all worked up over National and State elections, pay little or no attention to city elections.

Thirty-three candidates are running for the sixteen places in the Board of Aldermen. Several of the candidates who are members of the present Board and are running for re-election, have no opposition. In some of the Wards there are several candidates for Aldermen. Some are qualified, others are not. Some are life-long residents of Newton or have lived here for many years. Others are comparative newcomers. It is reasonable to suppose that a man who has resided in the city for a considerable length of time is better qualified to serve on the Board of Aldermen than one who has limited knowledge of Newton and its people. It is logical to assume that the more intelligence, aggressiveness and moral courage a man has, the more service he can render to his constituents. It is the duty of every voter to make inquiries about the candidates, to personally weigh their respective merits and not vote for any candidate merely because his name is included on a printed list received through the mail.

Yesterday Richard H. Lee, candidate for Alderman-at-Large to fill the vacancy in Ward 1 called at the GRA-phy to see with a letter which he desired to have published in this paper. Mr. Lee contended that in this column last week we made a number of inaccurate statements regarding his candidacy. The first inaccuracy he mentioned was—that we stated he has been a resident of Newton four years. He informed us he became a resident of Ward 1 on September 15, 1929. We based our statement on the fact that Mr. Lee first registered as a voter on August 6, 1930. On this matter we stand corrected.

He next stated that our assertion that "a majority of the Ward 1 Republican Committee favored Major McCabe" is incorrect. Mr. Lee says—

"Five out of the ten members of this committee signed my papers when they were first circulated, and all ten have since pledged me their support." Our statement was not in error. At the meeting of the Republican City Committee on November 27th the Ward 1 committee reported 6 to 4 in favor of Major McCabe. One of the five members who had previously signed Mr. Lee's name had changed his mind. Subsequently the vote of the Republican City Committee in favor of Mr. Lee was made unanimous and all, including the Ward 1 members, endorsed Mr. Lee. Nevertheless, our statement of last week was accurate and correct.

Mr. Lee next asserted that our statement that Major McCabe "has the endorsement and support of Mayor Weeks and most of the former Aldermen of Ward 1" was incorrect. Mayor Weeks has made a practice of not publicly endorsing candidates for the Board of Aldermen. He is publicly endorsing Major McCabe. The Mayor has stated and still states that he suggested to Major McCabe that the latter be a candidate for the office he seeks and that he (the Mayor) will vote for him. The Mayor has never declined to tell citizens, when asked, for whom he intends to vote. Mr. Lee contends that our statement that "the majority of the Aldermen support Major McCabe" is in error because he has the support of the present Aldermen Mansfield and Gallagher in addition to that of two former Aldermen Barber and Harriman. We stand by the statement we made. Mayor McCabe has the support of former Aldermen Erie, Madden and Powers of Ward 1 and will receive the votes of other former aldermen.

The public hearing at City Hall on Dec. 17th regarding the route for the continuation of the Hammond Pond Parkway will probably bring a large attendance of Newton Centre residents. It is a matter of great importance and there is a decided difference of opinions on this matter. The hearing promises to be interesting and lively.

In the contest for Ward Alderman in Ward 3, the writer favors the candidacy of Alfred Guzzi. This candidate is not as mature in years as we would ordinarily desire. He is inclined to be somewhat blattant. But, he is intelligent, aggressive and courageous. He has attended most meetings of the Board of Aldermen for some years and took the initiative in obtaining a number of public improvements at West Newton. We believe the Board of Aldermen needs a "spark plug" of the Guzzi type.

Waban residents are concerned over the possibility that the "gentlemen's agreement" which has been honored in Ward 5 for many years may be ended because of the opposition to Clifford H. Walker of 711 Chestnut street, Waban, by Robert J. Quint of 1589 Centre st., Newton Highlands, for the office of Ward Alderman from Ward 5. For many years Ward 5 has divided its representation between the three communities of Newton Upper Falls, Newton Highlands, and Waban. Each of the first two

THE NEWTON GRAPHIC,
Newton, Mass.

Gentlemen:

I wonder if you will be fair enough to print the enclosed letter in your issue for December 7th. It is but one of several unsolicited communications which I have received.

Yours very truly,
RICHARD H. LEE.

December 4, 1934.

Mr. Richard H. Lee,
15 Weldon Rd.,
Newton, Mass.

Dear Sir:

A recent article appearing in the NEWTON GRAPHIC might lead one to believe that your candidacy for Alderman-at-Large for Ward One is not being sponsored and endorsed by residents of Ward One.

To correct any such impression may I state that as retiring Alderman-at-Large for Ward One I am pleased to give you my unqualified endorsement and pledge my fullest support of your candidacy for this position.

The inference made in the GRAPHIC that your candidacy has not the endorsement of citizens of Ward One is unwarranted and should not be allowed to go unchallenged.

Very truly yours,
ARTHUR J. MANSFIELD,
Alderman-at-Large.

EDWARD HOLLIDAY KEACH

Edward Holliday Keach, C. S. B., teacher of Christian Science and a practitioner, well-known in Boston and Newton, passed away suddenly Sunday morning, Dec. 2nd, at his home, 4 Pembroke st., Newton. Christian Science services were held at his home Tuesday afternoon at 2:30 o'clock, with Mr. Harry I. Hunt of Boston, Publisher's Agent of the Mother Church, reading the service, with a host of friends in attendance. Interment was at Newton Cemetery.

Mr. Keach had lived in the city of Newton since 1912, and he came to Newton from Leavenworth, Kansas, in 1905. He had had his office at the Little Building, Boston, since that building was first opened. In 1902 he obtained his degree C. S. B. when he attended the Massachusetts Metaphysical College, by which he became officially a teacher of Christian Science. He had read many Christian Science services, also, and was one of the official readers of such services appointed by the Mother Church, Boston, of which he had been a member for over forty years. He was also a charter member of the First Church of Christ, Scientist, in Newton, and had served as member of the Executive Board. He was First Reader of the Lynn church for three years, soon after coming to Boston, and First Reader in Christian Science churches in Kansas for nine years.

Mr. Keach was born in Eldorado Township, Macomb, Illinois, Nov. 29, 1857, son of James and Amanda (Tanner) Keach. He attended Lincoln University, graduating in 1880, and also graduated from Brown's Business College, Jacksonville, Illinois, in 1882. He taught for a few years in McDonough County schools, then entered the shoe business. After coming to Boston he gave his entire time to Christian Science work.

His wife, Mrs. Nelly Coolidge Keach, survives him; also Mrs. William F. Ferrin, of Newtonville, and Mrs. Blunt Ripley, of Auburndale, daughters of his first wife, Harriet Millington Rutledge, of Jacksonville, Illinois, who died in 1912.

ANNIE L. JOYCE

Miss Annie L. Joyce of 47 Cook street, Nonantum, died on November 28 in her 69th year. She was a life long resident of Newton. Her funeral service was held on Saturday, December 1st, at Our Lady's Church and burial was in Holywood Cemetery, Brookline. She is survived by one brother, William F. Joyce of Newton; and by several nephews and nieces.

HERBERT H. COOK

Herbert H. Cook of 43 Churchhill street, Newtonville, died on December 2 at the Baker Memorial Hospital. He was born in Wellesley 63 years ago and had resided in this city for 40 years. He was formerly engaged in the sporting goods business in Boston and later was in business at South Wellfleet. He was a charter member of the Albemarle Golf Club. He is survived by his widow, Mrs. Florence Chellis Cook; a daughter, Miss Chellis Cook; and two brothers, Ralph E. and Arthur Cook of Dorchester. His funeral service was held on Tuesday at his late residence.

WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

Open Meeting To Which All Are Invited

An all-day Open Meeting of the West Newton Women's Educational Club will be held on Friday, December 14th, beginning at 10:30 a. m. This is the only money-making project of the year and the American Home Class, under the leadership of Mrs. Joseph A. Otis, has been working very hard in order to make this meeting a great success. Mrs. Percival Waters has assumed the responsibility of the sewing and the making of the many useful and attractive Christmas articles which will be sold during the day. The American Home department of the State Federation will be represented by one or more of its members.

Mrs. Otis is directing the Christmas Play which will be presented by the American Home Class in the afternoon. The following members will take part in the play: Mrs. D. Webster Anders, Mrs. Wilson C. Dort, Miss Ruth Filene, Mrs. Harry C. Brock, Mrs. Arthur Tenlon; and in the tableau: Mrs. L. W. Brummer, Mrs. Charles E. Gibson, Mrs. Francis H. McCruden, Mrs. Henry D. Stone, and Mrs. Malcolm A. Warren.

Further details of this meeting will be found elsewhere in The GRAPHIC, explaining the many interesting offerings to all residents of the Newtons who are invited to attend. On Monday, December 10th, the Travel Class of the West Newton Women's Educational Club will meet at the home of Mrs. Gilbert R. Jones, 27 Eddy St., West Newton. Mrs. Alfred E. Thayer will be the assisting hostess. Mrs. Harold Fiske will read a paper entitled "Northwestern Territory," and Mrs. Starr A. Burdick's paper will be "St. Lawrence River Region and Great Lakes."

Interesting Week At Newton Centre

The Newton Centre Junior Woman's Club will have as guests the Senior Club on Friday, December 14th, at 3 p. m., at the Club House. They will present Alice Dixon Bond, who will discuss New Books and chat intimately on outstanding authors.

The Literature Study Group of the Newton Centre Woman's Club will meet at the home of Mrs. Louis Glass, 108 Woodchester lane, Chestnut Hill, on December 12th, at 2:30 p. m. The subject will be "The Short Story of England and America. The Novellette."

The third Children's Hour will be on Saturday, December 15th, at 10:30 a. m., when William F. Clapp will give an illustrated talk on "Creatures of the Woods, Fields, and Seas."

On Sunday, December 16th, at 3:30 p. m., at the Club House, the Club Chorus will give the first Community Concert, which is open to the public. There will be solos by Mrs. Thomas W. Cunniff and duets by Mrs. John W. Merrill and Miss Beatrice Eastman. The competitive exhibition of Creches by the school-children of Newton will be arranged in the Reception Room of the Club House at 3 p. m., of the same day. The judges will be Mrs. W. Herbert Stetson, Mrs. W. Cornell Appleton, and Mrs. Edgar J. Smith.

OTHER EVENTS PAST AND TO COME

Newton Highlands C. L. S. C.

On Monday, December 10th, the Newton Highlands C. L. S. C. will meet with Mrs. Sanford E. Thompson, of Walnut St., Mrs. Helen A. Ward and Miss Christine A. Norton will present "Reflections from the Mirror," and Mrs. Hiram A. Miller and Miss Thalia Clark will report Current Events.

Newtonville Woman's Club

All women interested in Junior High School Education are invited to a Conference at the home of Mrs. Cecil W. Clark, 363 Walnut St., on Wednesday, December 12th, at 2:30 p. m. This will be the third in a series of six afternoons sponsored by the Education committee of the Newtonville Woman's Club, with the idea of interpreting the educational policy of the Newton Schools. Mr. Russell Burkhardt, principal of the P. A. Day Junior High School, will be the speaker on this occasion, and invitations have been sent to the women teachers of the faculty of that school. Time will be allowed for discussion and questions. These Conferences are not restricted to Club members.

The first of the course of four lectures on World Affairs included in the program of activities of the Club will take place on Thursday, December 13th, at 10:15 a. m., with Mrs. Frank Mansfield Taylor as lecturer. While this is a separate course from the one of eight classes by the same lecturer, each series will constitute a course in itself, although with such an abundance of subject matter, attendance at both courses will be time profitably spent in obtaining general knowledge of the world of today. Club ticket admits members; guests tickets are fifty cents.

On Tuesday, December 4th, a large audience of members and friends of the Newtonville Woman's Club met at their Club House on Washington park, and heard Miss Harriet L. Parsons, executive secretary of the Newton Welfare Bureau, outline her work of service in the Bureau. Mrs. Paul E. Ellicker, chairman of the Education committee, urged the members to attend the series of Conferences on Ed-

Club on December 13th at 2:30 p. m., at the Underwood School Hall. "Foreign Foods" will be the subject of her lecture, and there will be a large exhibit of new and different foods.

A fifteen-minute period of pianoforte music will be furnished by Janet Tuthill, who was awarded the 1932 Scholarship from the Newton Community Club to attend the New England Conservatory of Music. In 1933 she was given a scholarship to attend the Bergeron School of Music, and this year she was awarded a scholarship by Mary G. Reed in memory of her daughter. Miss Tuthill has started a pianoforte music school for children in Newton.

Members of the Social committee assisting with refreshments include Mrs. B. P. Mansfield, Mrs. Warren W. Marston, Mrs. Charles E. Morrow, and Mrs. Arthur B. Nash.

Newton Junior Community Club

The next meeting of the Newton Junior Community Club is to be held at the Hunnewell Club, Newton, on Tuesday, December 11th, at 3 o'clock. The entertainment will be in the nature of a Christmas Party with the Club advisers, headed by Mrs. Arthur J. Mansfield, in charge of the program and of refreshments. At this meeting the afghans being knitted for the veterans will be worked on, as well as the preparation of the Christmas stockings, to be used at the annual Christmas Party on December 20th. This Party, as in former years, will be sponsored and managed by the Juniors.

The first of the Contract Bridge lessons was held November 20th, at 709 Centre street, and on December 4th, at 26 Lombard street, another meeting was held. Mr. Jack Alden is teaching the girls, and there is still time to join the Class, which plans to meet at the home of members every Tuesday, excepting the day of the regular meeting.

STATE FEDERATION

RADIO. Mrs. Hazel Albertson, chairman of industry, and Mrs. Ethel Rogers Limbach, chairman of Social Welfare, will speak on the program of the State Federation tomorrow morning, the 8th, over Station WBZ during the half-hour 11:30 to 12 noon. There will be music by "The Henrys."

GIFTS FOR WAR VETERANS SOLICITED. Mrs. T. Gordon Burckes, chairman of Co-operation with War Veterans, announces that afghans, shoulderettes, caps, and socks are in great demand at the U. S. Veterans' Hospital, at Rutland Heights, and at the U. S. Veterans' Hospital at Bedford. If there are any clubs or if there is a club member interested in furnishing some of these articles, they may do so by communicating either with Mrs. N. F. Knott, of the Rutland Hospital, or Miss Evelyn Davis, at Bedford Hospital.

ucation being held by her committee. The plans for the yearly Christmas Party to entertain needy children of Newton were outlined by Miss Marion D. Bassett, and a collection of aid if it was taken by the following little girls: Janice Bail, Louise Blake, Barbara Brickett, Ophelia Cornejo, Alice Kelley, Barbara LeBaron, Joanne Wyatt, and Patty Ann Yarrow. The afternoon was then given over to the Music and Program committees.

The musical program consisted of several dance and folk song numbers on the Balladale, the national instrument of Russia, by Mr. Boris Berestneff, accompanied on the piano by Mme. Nathalie Berestneff. Both were in Russian costume. Princess Sophie Toumanoff, a member of the ruling class of the old Czarist Regime in Russia, gave the talk of the afternoon on "Russia As A Russian Sees It." She was most impressive and gave vivid pictures of the Communist Government of the present day. Following the meeting, a real Russian Tea was served by the Hospitality committee under the chairmanship of Mrs. Henry M. Weidner, the hostesses being Mrs. John R. Clark, Mrs. Georgedna M. Harlow, and Mrs. George I. Whitehead. Mrs. Walter P. Marsh and Mrs. Raymond Tucker presided at the tea table.

Social Science Club

On December 12th Mrs. H. H. Powers will give an illustrated lecture before the Social Science Club. Her subject will be "The Nayan Civilization."

Mrs. Henry I. Harriman and Mrs. Loren D. Towle will be hostesses.

Boston Woman's Civics Club

The Boston Woman's Civics Club, which in past years has featured its December meeting with a lighted Christmas tree, surrounded by brightly wrapped and tied bundles, Christmas gifts for the children of the poor, again sends out the call to its members and friends to come to the Open Meeting on Wednesday, December 12th, at Hotel Brunswick, at 2:15 p. m., with their Christmas gifts for small children.

Mrs. John N. Allen, of Watertown, Program chairman on Child Welfare; Judge T. Sarsfield Cunliff, speaker; Mrs. Evangeline Lloyd Johnson, soloist; and Mrs. Ruth Haines Furbur, accompanist, give the program. Mrs. John A. Groves, of Newton, president, will outline plans for the future.

Newton Highlands Woman's Club

The Art committee, the Music committee and the Garden Unit of the Newton Highlands Woman's Club will join in presenting the Annual Creche Exhibit in the Club Workshop on Sunday, December 16th, from 2:30 p. m. to 9 p. m. There will be Community Singing in the evening, lead by the Club Chorus. A cordial invitation is extended to all who desire to attend.

Auburndale Review Club

The Review Club will meet at the home of Mrs. T. E. Young, 290 Woodland road, on Tuesday, December 11th, at 10 o'clock. The program of the morning will be papers on "The Boston Athenaeum and The Boston Public Library," by Mrs. E. S. Chase; "Publishing Houses and Bookshops," by Mrs. H. E. B. Case; and "The Foreign Policy Association, Ford Hall Forum, The Twentieth Century Club, and The Old South Forum," by Mrs. Amos R. Wells.

LAND COURT

To the City of Newton, a municipal corporation located in the County of Middlesex and said Commonwealth; Charles E. Lord, Leonardo Nardone, and Emilio Nardone, of said Newton; and to all whom it may concern:

Whereas, a petition has been presented to said Court by Camillo Nardone, of said Newton, to register and confirm his title in the following described land:

"A certain parcel of land with the buildings thereon, situate in said Newton, bounded and described as follows:

"Northwesterly by Langdon Street, 200.00 feet; Northerly by the junction of said Langdon Street and Surrey Road, 30.99 feet; Northeasterly by said Surrey Road, 140.00 feet; Southeasterly by Charles E. Lord, 171.13 feet.

"Southeasterly by said Lord land and by land now or formerly of Leonardo Nardone et al. 154.80 feet.

Petitioner admits that the above described land is subject to an easement for a sewer pipe reserved by Charles E. Lord, by an instrument duly recorded in Book 4357, Page 461; and also a sewer easement taken by the City of Newton.

The above described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection or defense to said petition, you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), on or before the seventeenth day of December next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, Charles Thornton Davis, Esquire, Judge of said Court, this twentieth day of November in the year nineteen hundred and thirty-four.

Attest with Seal of said Court,
CHARLES A. SOUTHWORTH,
Recorder.

Bigelow School
Open to Public
Tues. Eve. Dec. 11

The remodeled and enlarged Bigelow Junior High School at Park and Arlington streets, Newton, will be open for public inspection next Tuesday night, December 11 at 8 o'clock. Parents of children attending this school are especially invited to be present. The formal dedication and inspection of the school was scheduled for last Tuesday night. The dedication exercises concluded at 9:30 and just as the large number present started on a tour of inspection of the building, all the lights in the school went out, and remained out for a considerable period. The cause was a fallen electric wire on an adjoining street.

At Newton
M. E. Church**

At the community service held in the Methodist Church Sunday evening at 7:30 o'clock the soloist will be Mr. Walter Kidder. Mr. Kidder needs

no introduction to Newton people. He is the baritone member of the Elliot Church quartet. For a number of years he has been one of the soloists of the Handel-Haydn Society at the rendition of "The Messiah." He is heard daily over the stations of the Yankee Network and is acclaimed New England's leading baritone. The preacher for this service will be Rev. Ray A. Eusden, minister of the Elliot Church.

Candidates For School Committee

(Continued from Page 1)

2000 members. For two terms of two years each she represented her ward on the Somerville School Committee, elected as the candidate of the Republican party.

Miss Coveney has given courses at Boston University, at Boston College, and in the summer schools at Hyannis State Normal School and Harvard. She is at present on the faculty of Boston Teachers College.

She is the daughter of the late William Coveney of Somerville, well known throughout Massachusetts for his work in behalf of Temperance.

Dr. Myron C. Surabian of 439 Commonwealth avenue, Newton Centre, is the third candidate for the School Committee in Ward 6. He has resided in the Ward for 6 years. He is a graduate of Harvard College and Tufts Dental School. He taught for four years in Central College in the Near East. He is married and the father of two children.

Want Bacon And Peabody Streets In Business Zone

A petition has been presented to the Newton Board of Aldermen asking that land on Bacon and Peabody sts., Newton, be changed from general residence to business zone. The signers of the petition are Dr. Thomas M. Gallagher, a member of the Aldermen, and Edward D. Williams of 17 Bacon st. The former owns a lot of land on Peabody st. and the latter owns property on Bacon st. A public hearing will be held on this matter before the Claims and Rules Committee of the Aldermen on Dec. 26.

Christmas Seal Sale

SEASON'S GREETINGS
1934

Special effort has been made this year to revise and increase mailing lists for the 1934 Christmas Seal Sale in order to reach every resident of Newton.

It has been a difficult task, and doubtless, with changes, coming of new residents and departure of old ones, there have been mistakes and omissions. If any one has been omitted, a local chairman will gladly mail an appeal letter and seals, at request. An extra gift of a dollar or two or perhaps even more, for some one less fortunate than you will help greatly.

The man or woman, for whom you contribute will be happy in knowing that just so much more can be accomplished because of your generosity. At the end of another full business week, and each week thereafter, a complete statement of income from the sale will be published.

The largest individual contribution to the Seal Sale will be announced. For further information about use of the Health Fund, call on your local chairman or the Welfare Bureau.

Remember that the Seal Sale is not included in the Community Chest. In every campaign there are sure to be some who refer to the Christmas Seals as "The Red Cross Seals."

Since 1919 the Christmas Seal has borne the design of the double barred cross, which is the official emblem of the crusade against tuberculosis.

Newton Centre Imp. Asso. Favors Hobart Rd. For Parkway Extension

Public Hearing Will Be Held on Dec. 17 On Extension of Hammond Pond Parkway

The report of the committee appointed by the Newton Centre Improvement Association to consider the most desirable route for the extension of Hammond Pond Parkway from Beacon street, Newton Centre, to Commonwealth avenue is, in part, as follows:

The Massachusetts Legislature in 1929 authorized the Metropolitan District Commission to lay out and construct a parkway or boulevard from the junction of Newton and Hammond streets in Brookline to Beacon street in Newton at or near Hobart road. The total authorized cost of this project was fixed by the Legislature in 1931 at \$400,000, one-half of which was to be paid from the state highway fund, and one-half assessed upon the cities and towns in the metropolitan parks district in proportion to their respective tax valuations. Newton's proportion was 4.21%.

By Chapter 301 of the Acts of 1932 the Legislature provided that at any time within three years from the passage of the Act (June 7, 1932) the Commission was authorized to expend any unexpended balance of the aforesaid appropriation toward paying the cost of the acquisition of land and the construction of a parkway or highway extending "from Beacon street . . . to Commonwealth avenue . . . as an extension, by such route as the Commission may determine, of the parkway or boulevard . . . and the balance of the sum necessary to complete said continuation shall be paid by the City of Newton. . . ." This provision was to become effective only in case it was accepted by the Newton Board of Aldermen on or before December 31, 1933. The Board has duly voted such acceptance.

The Parkway has now been completed to Beacon street at Hobart road. Approximately \$105,000 of the \$400,000 appropriation remains unexpended, and is available until June 7, 1935, for the extension "from Beacon street . . . to Commonwealth avenue." The determination of the route lies entirely in the hands of the Metropolitan District Commission. All other boards, officers and private citizens have but the right to express their recommendations.

The committee's report states that it is important to bear in mind the original purpose of the boulevard and it calls attention to the report made in 1908 to citizens of Brookline and New-

ton by Herbert Kellaway, now a member of the Newton Planning Board. That report explained that the purpose of the so-called Hammond Pond parkway was to connect the southern group of Metropolitan parks with the northern group, or more specifically, the West Roxbury Parkway with the Charles River Parkway. As then planned the connecting link was to follow a route from South to North over what is now Hobart, Intervale and Bishop Gate roads to Commonwealth ave. and thence over open and largely undeveloped lands to Watertown square. The report says that while conditions of traffic and land development have greatly changed since, the continuation of the parkway along substantially the same route is still desirable. The report of the committee states:

"A glance at a map of Newton will show several important and largely used north and south thoroughfares.—Watertown st., Chestnut st., Walnut st., Centre st. and Hammond st. Hammond st. is narrow, circuitous and ill adapted to the heavy traffic which now uses it. An intermediate route lying between Centre st. and Hammond st. would relieve both. Moreover, it may still be thought desirable not to abandon the original plan of carrying the Boulevard toward the Charles River Parkway along Ward and Waverly sts. to Washington, thus affording a route which would avoid the crowded business centers of Newton Centre and Newton Corner, and assist in relieving the traffic congestion at those centers."

Explaining in detail the Hobart rd. route the committee's report says that this road is the natural prolongation of the present parkway and is the most available route. The advantages of this route are summed up as follows—it is the shortest route; it is the dividing line between two school districts and would reduce to a minimum the danger to children of crossing traffic. The present width of the road is such that only a few narrow strips of additional land need be taken; the houses abutting owners are set back a considerable distance from the road and a number were so built with the knowledge that a parkway might be constructed there. Alignment and grade present no unusual difficulties and the estimated cost (\$70,000) is

Appropriate \$7500 to Keep Employees at Work

A special meeting was held by the Newton Board of Aldermen on Monday night for the purpose of appropriating \$7500 for the cleaning of South Meadow Brook near Oak Hill. By providing this work, fifty-two employees of the Street Department will be kept at work for the present. Otherwise, it would have been necessary to have laid them off this week. The southerly section of Meadow Brook has been widened and deepened by men working on it as one of the ERA projects in this city.

Hit-Run Driver Badly Injures Boy

At 8:45 p. m. Monday night as Robert Olivigni, 11, of 40 Charlesbank rd., Newton, was crossing Washington st. at Jewett st., Newton, a green roadster hit him and the driver of this automobile sped away, leaving the boy lying on the street with a fracture of the right arm and concussion of the brain in addition to other injuries. Witnesses tried to get the number on the car but the rear number plate was not legible. Everett McAssey of Newtonville ave. carried the boy into the office of Dr. Petrillo at 449 Washington st., where first aid was given. The boy was then taken to the Newton Hospital in a police car.

Truck Overtaken In Collision

A small delivery truck owned by the Boston Consolidated Gas Company and driven by Roland Kinchla of Dalby street, Nonantum, was overtaken at 1:20 Sunday afternoon while trying to avoid a collision with a small roadster driven by Dana Freeman of 21 Groveland street, Auburndale. The roadster came rapidly along Jackson road, traveling north and was crossing Pearl street when the truck, proceeding towards Nonantum, reached the intersection. Both truck and car were considerably damaged but the occupants escaped injuries.

Burglary At Synagogue

The Jewish synagogue on Adams street, Nonantum, was broken into this week and several articles stolen, including an oil stove. The burglary was discovered on Wednesday. Entrance was effected by forcing a side door.

Must Have Badges To Skate On Bullough's Pond

At the meeting of the Board of Aldermen on Dec. 17 a recommendation will be received from Mayor Weeks asking for an appropriation of \$350 to permit the purchase by the Playground Department of badges which will be issued in conjunction with permits to Newton residents to skate on Bullough's Pond. The permits and badges will be good for a year. Bullough's Pond, because of the fact that it is kept free from snow and otherwise made attractive for skaters, has been used not only by Newton residents in past winters, but by hundreds from outside the city so that it has been overcrowded. The issuance of permits is to restrict non-residents from using the pond as a skating place.

Ask New Trial For Newton Man Who Got 15 Yrs

Was Convicted For Murderous Assault on Newton Attorney

One of the most peculiar conditions in the history of Middlesex County criminal procedure occurred last Saturday when Edward F. Flynn, counsel for Pasquale Cetrone formerly of Winchester road, Newton, asked Judge Walter Collins in the Superior Court at Cambridge to grant Cetrone a new trial. Cetrone, a contractor and builder was sentenced on October 3rd to serve from 12 to 15 years in State Prison as an accessory before the fact in an alleged assault with intent to murder John Finelli of Ashmont avenue, Newtonville, a lawyer. According to the testimony which caused Cetrone's conviction and prison sentence, he hired David Cornell of Providence to assault Finelli after the latter had been lured to a vacant house on Watertown street, Watertown, near the Newton line. Finelli and Cetrone had previously had a disagreement over some of the latter's financial difficulties. Finelli was brutally beaten by Cornell and another assailant and so severely injured that he spent several weeks in the Newton Hospital. At the trial it was charged that it was intended to murder Finelli. Cornell received 15 to 18 years in State Prison. Last Saturday Attorney Flynn argued that there was no intent on the part of Cetrone to have Finelli murdered; he only wanted the latter to receive a beating, but Cornell became excited and assaulted Finelli more severely than Cetrone intended. To substantiate Flynn's arguments Assistant District Attorney Paul Polsoy of Middlesex County, who prosecuted the case in October, and Lieuts. Burke

Ward Lines Not To Be Changed This Year

Members of the Newton Board of Aldermen held a conference last Friday night on the matter of changing the Ward lines in this city. As a result of their deliberations the special committee appointed last Spring to study this matter will report at the regular meeting of the Board of Aldermen on next Monday night that no action be taken on the changing of the Ward boundaries. As it is probable that the Board will accept the recommendation of the committee, this means that if the Ward lines will be changed next year or during any year before 1944, permission must be obtained from the Legislature.

A few weeks ago the committee made public plans which it had devised. These plans called for radical changes in some of the Wards, particularly in Wards 1, 2, 5 and 7. A public hearing was held at City Hall on this matter and strong objections were registered to the proposed changes. These objections were based on the fact that the changes would split the villages of Newtonville and Waban into different Wards and would include in Ward 1 territory from the Brighton line to Albemarle road at West Newton; the revised Ward to contain parts of the present Wards 1, 2 and 7. The largest number of opponents to the proposed new Ward lines came from Waban. Over 250 residents of that village filled the aldermanic chamber to register protests.

The agitation for changes in the Ward lines was started about 5 years ago by a group of Newton Centre residents who based their contentions of the need of such a change because Wards 5 and 6 each contain more than 6000 voters, while some of the older Wards on the North side of the city have only half as many voters. The South Side residents contended that the Ward representation should be made more equal. Mayor Weeks in his 1930 inaugural address recommended that consideration be given this matter. Because special legislation would have to have been obtained in 1930, it was decided to postpone action until 1934 when such changes could be made in accordance with a law enacted in 1924. This law allows cities to make changes in Ward lines every 10th year following 1924.

At the public hearing on this matter a few weeks ago, an interesting feature was—that some of the South Side proponents of the change in 1930 revealed that they now favor no changes being made at the present time. It is probable that during the next year or two further study will be given this matter, views and suggestions of citizens in various parts of Newton obtained, and Ward line changes planned which will be agreeable to most Newton residents.

Only 29% of Newton Voters Go to the Polls On Tuesday. Mayor Broadcasts Appeal

Farrell and McOwen Nearly Win In School Committee Contests—McCabe Elected Alderman

Only 29% of the 33,000 registered voters took enough interest in the affairs of Newton to go to the polls and vote at the city election on Tuesday, but despite this fact, this election was one of the most hectic "off year" contests in the history of the city. So few went to the polls during the morning and early afternoon hours that Mayor Weeks had broadcast sent out from WEEI, WBZ and WNAC between 6:15 and 6:45 Tuesday evening urging Newton citizens to vote before 8 o'clock. The total number of ballots cast was 9571.

The features of the election were the victories of Mayor Frank T. McCabe who ran to fill the alderman-at-large vacancy in Ward 1, Alfred F. Guzzi who was elected Ward Alderman in Ward 3, and the near success of the candidacies of Bernard D. Farrell Jr. of Ward 3 and Francis W. McOwen of Ward 5 for places on the School Committee. Farrell led George H. Fernald until the last precinct returns came in, and McOwen lead Mrs. Margaret H. Woods until the return from Precinct 3 of Ward 5, turned the tide by giving Mrs. Woods 585 votes to 43 for McOwen. She won by 406 votes. Fernald had a majority of only 247 votes over Farrell. Major McCabe was the only candidate for alderman-at-large who succeeded in overcoming the opposition of the Republican City Committee which had endorsed his opponent Richard H. Lee. The other candidates on the city committee's slate all won. Alfred Guzzi succeeded on his fifth attempt. In 1930, 1931 and 1933 he ran for Alderman-at-Large and in 1932 he ran for Ward Alderman. Guzzi had stated he would continue running until he was elected.

In Ward 1 James P. Akins won the contest for Ward Alderman over three opponents. John Barwise was the winner in the contest for the two year term as alderman-at-large. In Ward 2 Lyon defeated Dooley for alderman-at-large, and Hill won over Bagley for Ward Alderman. In Ward 3 Hutchinson had no opponent for alderman-at-large, and Guzzi defeated Smith and McManey for Ward Alderman. In Ward 4 Floyd was unopposed for alderman-at-large and Cronin won easily over Richardson. In Ward 5 McKay was unopposed for alderman-at-large and Walker had a big lead over Quint. In Ward 6 there was no contest. In Ward 7 Colby had a comfortable lead over Manning and Greer

with Drake running fourth. For Ward Alderman Melcher was well ahead of Sutcliffe and Black.

The City Clerk's office in City Hall was crowded from 8 o'clock on Tuesday night until well after midnight by candidates, their friends and persons interested in Newton politics, all waiting for the returns from the various precincts to come in. Despite the light vote, it was nearly 1 o'clock Wednesday morning when the ballots from the last three precincts arrived. These were Precinct 3 of Ward 5, Waban; and Precincts 1 and 3 of Ward 3, West Newton. The greatest interest and uncertainty was in the contests for the School Committee and until the last returns arrived from the three precincts mentioned, nearly all present, including the political wisecracks, conceded the election of Farrell and McOwen over Fernald and Mrs. Woods. The closeness of the vote in these two contests was a great surprise as the politically wise had believed the present incumbents would win by large majorities. In the third contest for the School Committee Kirtley Mather had a comfortable lead over Miss Katherine C. Coveney with Dr. Surabian a poor third.

Mr. Farrell asked that the ballots be impounded for the purpose of having a recount in the two school committee contests. A technicality arose in connection with the ballots cast in the Waban precinct. When the ballot box was opened there after the polls closed it was discovered that the cancelling mechanism in the box had not worked and the ballots had not been stamped.

Aldermen Discuss Restoring Pay Cut

At the special meeting of the Board of Aldermen on Monday night the sixteen members present, sitting as a committee of the whole, discussed the matter of a restoration of the 7½% pay cut put into effect on Jan. 1, 1933, on salaries and wages of all city employees. The discussion was the result of a request from Mayor Weeks that the Aldermen acquaint him with their views on this matter. The function of raising or decreasing city employees' salaries belongs to the Mayor and not to the Aldermen.

FOOTBALL AWARDS AT HIGH SCHOOL - ELECT SAVIGNANO CAPTAIN

At the high school assembly on Wednesday 115 football awards for the 1934 season were announced. Thirty-one players were given varsity "N's", twenty-eight intermediate varsity football letters, forty-eight junior varsity insignia and eight managers and assistants.

Nineteen of those receiving varsity awards will graduate next June. Coach Sanborn will have a veteran nucleus of 12 lettermen for a 1935 eleven which will include Ernest Savignano, Sargent Moore, John Reardon, Charles Callahan, Ernest MacLeod and Burton Woodward in the backfield, James Packard, Howard Milner, Gerardi DeNapoli, Norman Koffman in the line, and Warren Wittens and John Allen on the ends.

At a recent banquet of the football players Ernest Savignano was elected captain of the 1935 eleven. The Newton quarterback was one of the few outstanding players on the Newton team and his ball-carrying led to many of Newton's points. The year of experience should make him one of the leading schoolboy backs another fall.

The letter awards were as follows:

SPORT NOTES

Place in Track Meet
Robert Gutzler and Robert Quigley, freshmen at Northeastern University, placed in the winter handicap track meet on Tuesday. Gutzler placed second in the 1000 yard run and Quigley third in the 300. Gutzler won football and track letters when at Newton High and Quigley won his track letter in the sprint.

Forming Bowdoin Ski Team
John S. Holden of Waban, a senior at Bowdoin College, has undertaken the task of organizing a ski team from a group of twelve candidates. Holden won the ski jump at the Dartmouth Winter Carnival in his freshman year and has wide experience and success in the sport. The Bowdoin team will take part in four meets beginning with the Lake Placid event, Dec. 27 to Jan. 1.

Receive Huntington Letters
Donald Fyfe of Waban was recently awarded his varsity letter at Huntington school where he was a member of the football squad.

SCHOOL WINTER SPORTS SCHEDULES

Winter sports schedules of Newton High School Athletic teams have been announced. The hockey season is the first to get under way with the opening game to be staged tomorrow afternoon at the Arena. Rindge Tech will be the first opponent which Dr. Oscar Martin, veteran hockey coach, will send his squad against. The Newton team is captained by Gus Castoldi, defence player and captain of the football team, which recently wound up its season. Dr. Martin has several players on hand with experience and the Newton team looms up as a possible champion. The cold weather this week has been of some advantage to the hockey squad with excellent ice available for several days. This advantage, however has been somewhat offset by the fact that no board rinks were set up by the playground department at Ware's Cove or Bullough's Pond. Nevertheless Newton will go into the Arena on Saturday determined to start off on high. All fourteen games on the interscholastic league schedule are slated for indoor rinks, either at the Arena or the Boston Garden, considerable interest should prevail in schoolboy hockey this winter.

The schedules for the three winter sports programs are as follows:

SPORT NOTES

On Yale Sextet
Warren Colby of Newton Highlands is a regular wing on the Yale varsity hockey team which opened its season recently. Colby, a senior and a former hockey and baseball athlete at Newton High, is playing his third year on the Blue varsity sextet.

Reserve Harvard Goalie
Bob Waldinger of Newton Centre, a graduate of Country Day School, is a reserve goalie on the Harvard hockey team. The graduation of Paul DeGivie in the Harvard nets left a vacancy which presents one of Coach Stubb's most vexing problems. Waldinger is a junior this year and with another year ahead of him may become the regular goalie.

SKATING IN NEWTON

Skating on Bulloughs Pond in Newtonville will now be open only to residents of Newton. All residents of Newton wishing to skate on this municipal skating rink should register with the Playground Commission at City Hall at once.

The permit will be used in the form of a badge carrying a number. This badge will have to be worn on the outside of the outer coat so that the number is visible to enable the directors on the ponds to identify the skater by his number. This is similar to the automobile registration requirements. Applications are available at City Hall immediately. The cost of each permit will be twenty-five cents.

Unlicensed skaters may skate on paying twenty-five cents each time they skate. The licenses (badges) are not transferable. The charge of twenty-five cents covers only the cost of the issue of the permit. Skating is otherwise still free of charge to the residents of Newton.

and Riley of the Watertown police, who assisted in the prosecution of the case, all stated that they did not believe Cetrone intended to have Finelli murdered. Finelli testified during the trial that one of his assailants had exclaimed "Cetrone sent us here to kill you." Lieut. Riley said that Finelli, shortly after the assault, did not tell of such a remark.

Judge Collins asked Riley why he did not call attention to this alleged discrepancy in Finelli's testimony at the time of the trial? Riley answered that he believed he did call Foisy's attention to the alleged discrepancy. Lieut. Burke stated that it had always been his opinion that Cetrone did not intend to have Finelli killed. Foisy told Judge Collins that he had been carried away at the time of the trial by the facts of the case, but he now believes Cetrone only intended to have a severe beating inflicted upon Finelli. Judge Collins commented that Foisy or someone was lax in not bringing to the attention of the court in October that the assault was not with intent to murder as he had charged the jury on the basis of such an intent. The judge said he would study the transcript of the evidence presented at the October trial and consider it in conjunction with the statements made Saturday by Attorney Flynn, Foisy and the two Watertown policemen before making a decision on the motion for a new trial.

Rotary Club

Mr. J. M. Clinton, who for the past
thirty years has done Y. M. C. A.
work all over the world, was the
speaker at last Monday's Rotary
luncheon. "We may be on the verge
of another great war," he said, "and
we need to keep our eyes open. We
need sanity above everything else.
We are living in a disillusioned
world." He referred especially to the
hatred engendered by the last war
and the attempts of such organization
as the Y. M. C. A. to reconcile dif-
ferent races, peoples and religions.

Mr. Clinton spoke especially of Rus-
sia and the Soviet achievements. Un-
der the old regime only one in every
ten of the population was able to
read and write, now the figures are
reversed and only one in ten is illit-
erate. The Soviets have made enor-
mous progress in industry, now rank-
ing second in the world. According
to the speaker, there is much inter-
est in religion in Russia today and
the man who says there is no Chris-
tian left in the land of the Soviets
doesn't know what he is talking
about. The old corrupt state church
is gone but religion in a true sense
survives.

Harry Bascom presided at the meet-
ing.

Speeders Fined In Newton Court

Twelve autoists were fined \$10 each
in the Newton court last Friday for
driving at excessive speeds on the
Worcester turnpike. Motorcycle Of-
ficer Dowling was the complainant and
Judge Weston imposed the fines. In-
cluded among those who were—Ham-
ilton Yardley, 19 Wyman st., Waban;
Louis Lachman, Curve st., Wellesley;
Dr. F. S. Cheever, Washington st.,
Wellesley; Lynwood McAuley, 29
Thornton st., Newton; Rebecca Gallag-
her, Great Plain ave., Needham.

In the Newton court on Saturday
two women school teachers were
charged with speeding. Winona Algie
of Worthington st., Dedham, was fined
\$5. The case of Elizabeth Haley of
Gorman st., Framingham, was placed
on file.

Children's Opera for Pomroy Home

If enthusiasm is any criterion,
there will be a full house Saturday
evening at the Newton High School
auditorium to witness the Newton
premier of the children's opera, "The
Sleeping Beauty," written and pro-
duced by Mrs. Florence Wood Russell
of Newton Centre, in aid of the so-
long-established children's charity,
the Pomroy Home for Orphan girls,
in Newton. The five-act play is tun-
eful and simple, and will be colorfully
staged and costumed and the sixty
little ones in the cast and chorus are
all on tiptoe to prove how well they
can sing, dance and act.

Among the soloists will be Master
Jackson Salter of Waban as the King,
Barbara Dunton of the Centre as the
Queen, Dunsmore Walsh and Jean
Harden as Prince and Princess, Fay
Kirby as the good fairy, Mary Mandil
as the witch, John Wallour as the
Miser, while the tiny fairies will be
Nancy Dealy, Roger Ann Courtney,
Virginia Hess and Doris Pryde. Nancy
Schall and Richard Staples, Shirley
Lawrence and David Daniels, Joan
Murdoch and Peter Goethel, and Con-
stance Early and Jimmie Monro will
dance a stately minuet, and the lords
and ladies of the royal court will ap-
pear, as well as a chorus of other wee
fairies and goblins. The interest and
attendance of all who love children is
earnestly hoped for, both for the Pom-
roy Home and the Radio Robins who
present the operetta.

Village Players To Stage "The Late Christopher Bean"

The Village Players will present
"The Late Christopher Bean" in the
parish house of the Unitarian Church
at Newton Centre on the evenings of
December 14 and 15. Ernest L. John-
son is directing the acting and the
cast includes Mrs. Thomas J. Brown,
J. Irving Locke, Mrs. Herman Krueger,
Celeste C. Callaghan, Mrs. Donald E.
Walch, Robert F. Hayden, Robert N.
Butterfield, Glen C. Wilson, Dan L.
Smith.

Committee chairman of the Village
Players for the present season are
as follows: Executive Director, Mrs.
Lawrence C. Farwell; Art Director,
Mrs. William C. Noetzel; Stage and
Workshop, Lawrence C. Farwell;
Lighting, Chester L. Heckman; Make-
up, Mrs. Wesley M. Dynes and Mrs.

Newton Sends Large Group to Boys' Conference

Over fifty boys from all the New-
tons represented the older boy popu-
lation of Newton at the 45th Annual
Older Boys Conference of Massachu-
setts and Rhode Island held at Spring-
field over the week end. Leaving Fri-
day on two of Rawding's parlor bus-
es, the group traveled over the road
and were entertained by the Spring-
field Y. M. C. A.

Almost a thousand older boys were
gathered in that city for a three day
conference which had for its theme,
"Youth Faces New Frontier." The
discussion groups were exceedingly
helpful and interesting and the speak-
ers were men of experience and cer-
tainly gave the boys considerable to
think about in confronting new frontiers.

Ralph M. Harlow of Smith College
gave two main addresses and A. Gray
Baldwin of Andover Academy also
gave two major addresses. The high
spot in the Conference was the ban-
quet served in the Municipal Audi-
torium at which time Harry A. White,
a scientist from the Westinghouse
Company of New Jersey, spoke to
them and demonstrated the power of
electricity.

The following boys comprised the
Newton delegation under the leader-
ship of Clyde G. Hess, Director of
Boys' Work, and Arthur H. Clarke:

Edwin Foster, Stephen Ballette, Jr.,
Walworth Williams, Robert E. Snow,
Gilbert Myers, Marvin B. Perry Jr.,
Richard Warner, Henry Shaw, Pres-
cott Coan, John Embach, Allan Mac-

The Fall Boston Pin Tournament
closed with Team 1, consisting of Har-
old Ham, Roland S. Coombs, Gordon
G. Kitchin, William Sutcliffe and Hor-
ace White, in the lead. Team 5, com-
posed of Dr. George N. Abbott, Wil-
fred A. Wetherbee, Raymond Clarke,
Albert Rogan and Arthur M. Jacobs,
was second.

Walter Cavanaugh won the High
Single with 159 and Walter Cooper was
second with 148. Leonard Cummings
won the High 3 String total with 370,
and Walter Cooper came second with
363. The High Average of 108 went to
Leonard Cummings, Carl Eschelback
was second with 107, and Walter Coop-
er and A. F. Tucker tied for third
with 105.

On January 7 the Winter Tourna-
ment will begin and already new
teams are being formed as well as
those who took part in the Fall Tourna-
ment.

Camp Committee Meeting

On Wednesday, Dec. 12th, the Camp
Committee held a meeting to perfect
plans for the Camp Frank A. Day Re-
union which will be held on Thursday
evening, Dec. 27th, during the Christ-
mas holidays.

While it seems early to talk Camp,
applications are already coming in
for the 1935 season.

Squash Racquets

The Class D Squash Racquets team
of the Newton Y. M. C. A. played its
first match of the season last week
in the Massachusetts Squash Rac-
quets League, meeting the University
Club "Whites" at the University
Club, Newton. "Y" won 5 to 0. W. S.
Babcock, James L. Carr, Paul McKin-
non, Raymond P. Atwood and Newton
C. Burnett comprised the Newton
team.

Next week on Wednesday the "C"
team will meet the M. I. T. Faculty
team at M. I. T., while on Thursday
the "D" team will play the Harvard
Freshman team at Harvard.

Wrestling

The Newton Y. M. C. A. Wrestling
Team under the direction of Dr. Fred
E. Simm will hold its first dual meet
of the season when it meets the Quin-
cy "Y" team Friday evening at New-
ton. The Quincy team is coached by
Joe Streadwick, a former wrestler for

the Boston Young Men's Christian Union.

Newton's representatives will be:
115-lb. Class, Joe Santillo; 125-lb.
Class, Hardy Curran; 135-lb. Class,
Warren Storer; 145-lb. Class, Wesley
Curran or Salvatore Graceffa; 155-lb.
Class, Joe Arsenault or Robert Young;
165-lb. Class, George LaRose; 175-
lb. Class, Milford MacCleave; Heavy-
weight, Leo Cormier.

Track

The Track Team of the Newton Y.
M. C. A. will compete in its first in-
door meet of the season Wednesday
evening when it meets Boston and
Brocton "Ys" in a triangular meet
at Boston Y. M. C. A.

Coach Henry C. Pierce will take for
this meet: John K. Morris, Art Linth-
waite, Stanley Cullen, Warren and
Clay Lewis, Ed. Hammond, Andrew
Hanson, Norman Lawson, Gustave
Erbe, Anthony West and Charles
Hughes.

Local Interest In Carol Concert

There is much Newton interest in
the Christmas Carol Concert which is
to be given Saturday evening, Dec.
15, in John Hancock Hall by the Mt.
Holyoke College Choir. As in former
years the choir is under the direction
of Professor William Churchill Ham-
mond.

Mrs. Louis W. Arnold of Waban is
a member of the committee which is
making the arrangements for the con-
cert, and prominent among the names
of patrons are Mr. and Mrs. Henry
B. Day.

Among the members of the choir
who are to sing the carols are Fran-
ces Jennings of West Newton, Marion
Greeley of Newton Centre, and Elea-
nor Dunham of Waban.

Four carols are being sung for the
first time by the choir, while the
Swiss Carol "The Christmas Eve
Dream" will be entirely new to most
American auditors, since it was pub-
lished in English for the first time
this year.

The proceeds of the concert are to
go to the Scholarship Fund of the
Mt. Holyoke College of Boston.

WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

'Phone Resolution Unanimously Adopted

During the business session of the last meeting of the Auburndale Woman's Club, the president, Mrs. Ernest F. Drew, announced that as a result of the discussion two weeks previous, of the annoyance caused by the practice of several too persistent firms for patronage, the following Resolution had been recommended by the Executive Board for action by the Club:

"Whereas, it appears to be the opinion of many members of the Auburndale Woman's Club that the habit of some business concerns of calling home telephones for patronage is rapidly becoming a public nuisance, and Whereas, it seems to be almost impossible to stop such procedure by private request, therefore

Be it resolved that we, the members of the Auburndale Woman's Club, assembled at this meeting on the fourth day of December, 1934, do desire to create public opinion, in order that an effective protest may be made against the promiscuous telephone calls of various business concerns.

To this end we would recommend that copies of this resolution be sent to the other federated clubs in our city and to the mid-winter meeting of the Newton Federation.

Thus we hope that Newton women may successfully and emphatically put an end to such uses of home telephones."

Before presenting the matter for discussion, Mrs. Drew reminded her audience that this resolution was not directed toward any firm or firms which refrained from calling after they had been requested to do so, but at those firms which repeatedly ignored such requests.

The Resolution was voted without a dissenting voice.

The program on Russia which followed was as well as colorful. Virginia Kinsey, in the costume worn by Russian entertainers, including an elaborate head-dress set with sparkling stones, sang a group of three peasant songs.

Carolyn Smiley, by means of still and motion pictures, showed the new Russia which is growing out of the ashes of the old, and a strong optimistic note was repeatedly heard throughout her lecture.

Jean Budding, a Club daughter, closed the program with a Russian dance.

Tea served in glasses, sandwiches of black bread, and the many-colored Russian cake were enjoyed during the social hour, with Mrs. Ralph Balch and her Hospitality committee in charge.

Among the special guests of the Club was a group from the Stone Institute and another from the Walker Missionary Home.

Waban Woman's Club

The regular meeting of the Waban Woman's Club to be held at the Neighborhood Club House on Monday, December 17th, at 2:30 o'clock, will be a Musicales. The music will be furnished by the Arthur Fiedler Trio, composed of violin, cello, and piano. Mrs. Harcourt W. Davis has charge of the Tea.

Newton Community Club And Newton Junior Community Club

December 20th is the date of the meeting given over by the Senior Club Program committee to the Newton Junior Community Club for a Christmas Party, to be held in Underwood School Hall, at 2:30 p. m.

This will be the fourth year that a Children's Party has been held under the auspices of the Junior Club, and to which the Senior Club members are invited. At this time fifty children, whose ages are five or six, and who come from the Stearns School district in Nonantum, will be entertained.

One of the main features of the afternoon will be an entertainment furnished by Bertram Adams, Magician. Mr. Adams, who has been president of the Society of American Magicians, will give an hour's program of amazing paradoxes.

Following this an event will take place which always proves thrilling to these children who might otherwise be overlooked by Santa Claus. From the lighted Christmas tree, trimmed by the Junior girls themselves, will come fruit, candy, and toys. The dolls which will be given to the little girls were dressed by members of the Senior Club.

Refreshments, served to the children by the Social committee of the Junior Club, will end the program for the afternoon.

Marjorie T. Clapp is Junior president; Mrs. Arthur J. Mansfield is chairman of the Junior Membership committee of the Senior Club; and the advisors are Mrs. Charles E. Barba, Mrs. M. A. Holmes, and Mrs. Garrett Schenck, Jr.

Community Service Club Of West Newton

The Community Service Club of West Newton enjoyed a delightfully unique afternoon on December 5th. Mrs. Harold B. Cranshaw assisted by Mrs. Francis Newhall, Mrs. Quincy W. Wales, Mrs. Elmore I. MacPhie, and Miss Barbara Lippincott arranged a series of eight "Book Portraits," the books chosen being the Book of Ruth, Ivanhoe, The Three Musketeers, Treasure Island, Uncle Tom's Cabin, Trilby, Mary Peters, and a Christmas Carol. The tableaux were posed in a large frame by Mrs. George P. Hatch, Mrs. Davis DeBard, Mrs. Webster Whorf, Mrs. Wilson C. Dort, Mrs. Raymond Piper, Mrs. Ernest S. Reid, Mrs. William Ireland, Miss Lee Hyde, Miss Olive Webster, Miss Barbara Tower, Mr. Bob Hill, and Master Philip Cranshaw. Accompanying each portrait were readings from the portrayed book by Mrs. Hortense Creede Ralback, and music appropriate to each book period was given by a trio composed of Mrs. Frank S. Tower, Pianist; Mrs. Thomas Weston, Violinist; and Miss Norma Olsen, Cellist. Mrs. George N. Abbott gave the vocal numbers, concluding with two Christmas Carols in which the audience joined. Mrs. Richard M. Ott and her committee were hostesses in the tea room following the program.

State Federation

RADIO. Tomorrow, the 15th, over Station WBZ, during the half-hour 11:30 to noon, Mrs. Chaf Hoff, Jr., director of the Fifteenth district; Mrs. William Piper, State chairman of Child Welfare; and Dr. Phillip E. Osgood, will be heard on the State Federation program. There will be piano selections by Frances Madsen. Clubwomen are notified, also, that the division of Physically Handicapped, Mrs. Earl J. Smith, chairman, is presenting an educational and entertaining program each Thursday from 3 to 4 p. m., over station WMEX Boston (200m) 1500K.

ART CLASSES. Clubwomen interested in handicraft, and Art chairmen, are reminded that Mrs. Herbert Stephens, chairman of the Division of Art of the State Federation, is offering lessons in simple crafts free of charge, to any club woman who will form and teach such a class in her own club. The offer is to one member. (Continued on page 9)

committee is busy with plans for Christmas Eve. At 9 o'clock they will present living pictures on the lawn of the Club House as an added feature to the Community tree on the park, where there will also be community singing. Mrs. Percy E. Woodward is chairman of this committee.

The Club announces that through the activity of the chairman of the Music committee, Mrs. Ernest L. Nichols, it is able to bring to Newton the ERA Chorus of Boston, consisting of one hundred trained voices directed by Frederick Lamb. The Chorus will be assisted by the ERA Orchestra of Newton, with Thompson Stone conductor and soloist. This event will be at 4 o'clock on Sunday afternoon, January 6th, and all are invited to this unusual musical treat. There will be no admission charge. It is planned to publish the program at a later date.

Santa and "Mora" To Visit Auburndale

An afternoon of delightful surprises has been planned by the Auburndale Woman's Club for their Christmas Party to be held at the Auburndale Club House on Tuesday, December 18th, at 2:30 o'clock.

"Mora," said by many to be the finest magician in New England, will mystify not only the kiddies but their elders by his wonderful magic. Besides working with Kellar, "Mora" has also been connected with Ching Ling Foo, and appears in a colorful Chinese costume when he entertains an audience. He usually lets the public in on the explanation of a few of his tricks.

Santa Claus, too, in his traditional costume of the frozen north, will arrive with a sack filled purposely for Auburndale children, among them a group chosen by the Club's Emergency Relief committee, headed by Mrs. Joseph McCarron. Contributions of new and used toys to be distributed at Christmas by this committee will be very welcome at this time, as well as contributions of clothing.

Mrs. John D. Heibeck, chairman of the Program committee, will have the assistance of Mrs. Edgar O. Butz, Day chairman, Mrs. Earl Comer and Mrs. Ray Lamb, in carrying out the program for the afternoon, in which the children will participate.

An admission fee of 10 cents will be charged for each child, who must be accompanied by an adult, who, if not a Club member, may be admitted at the regular guest fee of 35 cents.

OTHER EVENTS PAST AND TO COME

Newton Centre Woman's Club

Music lovers will be glad to know that the Music committee of the Newton Centre Woman's Club will offer a series of six Musical Coffees. Mr. Klaus Goetze, an exceptionally fine pianist, will be the artist for this series, which will be given on the first and third Thursdays of January, February, and March at the Club House.

The subjects of the programs are:

1. Eighteenth Century Music;
2. Beethoven;
3. The Romantic School;
4. Chopin;
5. French and Russian Impressionists; and
6. Contemporary Music.

The tickets, now available, are \$2.50 for the series, and non-members may procure them as well as Club members. Dr. Samuel Macauley Lindsay will give the second lecture on World Affairs on Monday, December 17th, at 8 p. m., at the Club House.

Interesting Plans At Newtonville

Mrs. J. Walter Allen and her committee will be the hostesses for the Newtonville Woman's Club on December 18th when the guests will be fifty or more youngsters who have been invited to the Club's annual Christmas Party. It is called to attention of Club members that this Party is for these especially invited guests and no other children may attend. For entertainment, Bertram E. Adams will carry his audience into "The World of Magic." Mr. Adams, was chosen by his fellow magicians to be National president of The Society of American Magicians, which office was previously held by Houdini and by Thurston, and his art is sure to enchant his audience. The Social committee, with Mrs. James D. Elliott as chairman, will provide refreshments, after which Santa Claus and his two little helpers will distribute the gifts from the tree. Mrs. H. Reginald Bankart, chairman of the Volunteer Service committee, will supervise the transportation of the children to and from their homes. Christmas wreaths may be purchased at this meeting from the Flower committee, directed by Mrs. Madeline C. MacPherson.

On December 20th Mrs. Howard M. Waybright will meet the members of her committee at the Newton Hospital for their monthly Sewing Day. The Christmas Community Singing

Ten days en route to Escanaba, Michigan, via his own airplane from Boston, and three days return via train, bus and another airplane, was the interesting experience of Ralph Kenyon of Newtonville, who came home Monday.

He was delivering his moth biplane to a buyer in Northern Michigan, 1500 miles by road.

Zero ceiling, zero visibility, ice forming on his wings, severe blizzards, a cylinder head breaking over rugged terrain, and motor refusing to start because of extreme cold, were some of the difficulties he met. "Good experience," says Ralph.

Parkway Report

(Continued from Page 1)

much less than the other proposed routes. The only disadvantage is that at the point of intersection at Commonwealth ave. there is a 5% grade, but engineers do not regard this as serious.

The report says that there will be objections from property owners on Hobart rd. just as there will be from owners on any route, but it may not occur to the objectors that only pleasure vehicles will be permitted on the parkway and no trucks will be allowed. The difficulties of handling traffic across Beacon st. and the avenue will be the same whatever route is selected.

Referring to the alternate plan which proposed that the extension follow Beacon street to Chesley road and thence along Willow street and Centre street, the committee report says that such a highway could not be constructed under the present law as it would not be an extension of the parkway from Beacon street to Commonwealth avenue. It mentions that in 1932 Representative Baker of the Northern district of Newton presented a bill to the Legislature seeking the selection of the Willow street route, but this bill was turned down because of strong opposition. The report says that the Willow street route instead of bringing additional business to Newton Centre merchants, as has been claimed, would tend to take business away as it would divert traffic from the business section through Willow street. The report further says that the question should be considered whether the business center at Newton Centre is to serve residents of this community, or like Coolidge Corner, bring in customers from other communities.

The report states that the disadvantages of the Willow street route are—it is long and circuitous; it breaks the natural prolongation of the parkway and defeats for all time the possible extension to the Charles River Parkway; it will require large and costly takings of private property; it will add greatly to an already heavy traffic burden on Centre street in the vicinity of a firehouse, churches, school and playground. It will require the widening of Centre street and the taking of a 10 foot strip from the land in front of Trinity Church, necessitating the removal of the wall in front of that church. It will cause much traffic to utilize Homer street. It will do little to relieve traffic on Hammond street and will add to the congestion of Centre street and probably Homer street. The estimated cost of this route is \$150,000; this is \$50,000 more than the estimated cost of the Hobart road route; \$45,000 more than the appropriation available, and this difference would have to be met by Newton taxpayers.

The report mentions two other alternate routes which have been suggested—Beacon street to Grant avenue and thence to Commonwealth avenue; and a route which would take north-bound traffic over Hammondswood road and south-bound traffic over Hobart road. The first of these the report does not favor because it would take traffic along two sides of a triangle and would create another heavy traffic intersection on Beacon street. The committee disavows the Hammondswood road route because it would cause north-bound traffic to travel back towards Boston and it would also add to the present congestion on Hammond street. The report of the committee concludes by recommending the Hobart road route as the best. The report is signed by Edward O. Proctor, Joseph F. Lockett, John L. Shephardson, Leroy M. Hersum, J. M. Tomb.

The December meeting of the Nathan Fuller Chapter, D. R., was held on the eleventh at the home of Mrs. Thomas Walters, 16 Randlett park, West Newton. After the regent led the salute to the flag, the report of the secretary was read and accepted. The Americanization chairman, Mrs. Walters, announced plans to donate gifts to the children of the Peabody Home. It was voted to arrange for the care of a family at Xmas by donations from the members and a bridge luncheon after the holidays to cover the cost. A motion was made to renew the three magazine subscriptions for the Veterans' Hospitals. The next meeting is to be on the eighth of January at the home of Mrs. Donald Gibbs, 37 Claremont st., Newton. At the close of the business meeting Mr. Frank Lombard spoke on America in the Pacific after which tea was served.

Present "Wizard of Oz"
Before Large Audience

On Tuesday evening, December 11th a large audience gathered in the Newton High School Auditorium where Mrs. Everett W. Varney and Miss Barbara Lippincott who have created the Children's Theatre of Newton, presented the play, "The Wizard of Oz," with a cast which included children in children's parts.

Mr. Charles Floyd made an address of welcome and introduced Mrs. Varney who with Miss Lippincott were hostesses for the evening's affair. Mrs. Varney spoke of her work in drama for children for 14 years and of the great scope of service for the children this affords in all the allied arts. Miss Lippincott read two letters that had been received from children who had seen "The Wizard of Oz" where this group had given it a week before.

Mr. Floyd then introduced Dr. Boynton Merrill who in a most convincing way showed the greatest desirability of freeing the child's imagination through spoken word drama and engaging his interest in worth while and constructive lines such as this affords.

The curtain then went up on a succession of acts of marvelously beautiful setting where children simply and naturally unfolded the picturesque

story of "The Wizard of Oz." So sincerely was the work done by each actor and so unexpected the perfection of costumes and sets that the audience who had anticipated seeing an ordinary child's play, repeatedly burst into applause of approval. Little Barbara Mitchell, who played the stellar part, was very charming, from the moment when she stepped through the Kansas door till she rushed into the arms of Aunt Em at the end of the play. Her many companions and the witches and wizard she encountered were finely played. Especially telling was the work of Mrs. Allen Hubbard who was the witch of the North.

IMPROVED TRAFFIC CONTROL NEEDED

The problem of increased automobile accidents is one which is of great concern to automobilists, pedestrians, and in fact, everyone. No one knows what may happen at any moment. It is true that by far the greater number of accidents are due to improper control of the vehicle by the operator. But even the most careful driver on the road is not immune from accident—circumstances over which he has no control arise and an accident results. Many are asking what can be done about it? To add to our police forces would impose a greater tax burden upon the citizens and it would take a large increase in the force to adequately care for the problem. As a temporary measure would it not be possible to employ some of the many recipients of welfare in this kind of traffic control. Take Newton for an example.

There are about forty traffic posts to which Newton police officers are assigned at the time when school children are going to and coming from school. There are many other points where traffic control would be advisable at these times and at other points where there should be some type of control at other times. Yet no officers are available.

Our idea would be to set up either within or outside of the police department, a platoon of officers whose sole duty would be traffic control and attention to traffic law violations. They would not need the full authority of a regular policeman. They would not need to carry guns or other protective equipment of a full-time officer. The most important items necessary would be a uniform and the authority to deal with the ordinary traffic violations they would encounter. This platoon could be recruited from those who are now receiving public aid and as they would not be required to serve full time there would be slight additional cost upon the city or its taxpayers. It might even be desirable to have this platoon on a civil service basis with preference being given those who are in need of employment at the present time. Many of the details necessary to a successful operation of this plan could be worked out satisfactorily, we believe. And we also believe that an effective force of this nature would go a long way to reducing automobile accidents and problems of traffic control.

THE CITY ELECTION

With less than one-third of the registered voters of the city of Newton going to the polls on Tuesday it is apparent that there is considerable indifference in "off-year" elections upon the part of many. Going back into the records we find that in 1932 but 32 per cent of the voters cast their ballots while in 1930 the figure was the lowest ever in the history of the city with 13 per cent. Such indifference might at some future time prove disastrous to the high type of government which has always characterized it in Newton. We cannot stress too strongly this fact. It is a problem which should receive careful consideration. A possible solution has been suggested by a change in the terms of the members of the Board of Aldermen and School committee so that biennial elections would replace annual elections. The greatest objection to such a change has been in the possibility of an entire turnover in the make-up of the administration of the city. The question, as we see it, is whether or not such a possibility is more detrimental than an overwhelmingly minority representation. No matter which way one looks at the problem "off year" elections in Newton represent the views of the minority of the citizens.

MANY IN NEED OF ASSISTANCE

There are some 2,000 families in Newton on the lists of the Mayor's Relief Committee, the city, the Welfare Bureau, and other agencies, who are in need of assistance, it is reported by Harold Young, secretary of the committee. In his four years' experience in this capacity Mr. Young states that he has never seen such a desperate need for clothing as at the present time. If you have clothing for which you have no further use it can be used by one of the various agencies in meeting the needs of other less fortunate citizens.

PERSISTENCY IS REWARDED

Five years ago Alfred M. Guzzi first became a candidate for the Board of Aldermen. Unsuccessful in his first attempt he stated that he would run for office until he was elected. His persistency has been rewarded by his election as Ward Alderman from Ward 3. Meanwhile he has been a constant spectator at the regular meetings of the Aldermen. In doing so he has set an example that might well be followed by other aspirants for office as Aldermen.

SKATING CHARGE ON PUBLIC POND

A reader and a taxpayer raises the question as to the attitude a citizen may well take in the charging for skating on public ponds. There are hundreds of Newton children, and adults as well, who desire to skate. We raise the question—is it the proper thing for the city to charge its taxpayers and citizens for this privilege? There are some factors which favor such a course—other factors against it. Which is right?

To the
Citizens of Newton:

I thank you for the votes I received for Alderman-at-Large from Ward Seven.

Sincerely,
DAVID GREER.

With Best Wishes
for the Season and for
the coming Year

Gratefully yours,
FRANK T. McCABE

THE PARKWAY EXTENSION

The recommendations of the special committee of the Newton Centre Improvement Association and the proposed hearing before the Aldermen on the extension of the Hammond Pond Parkway bring to the forefront again a question which is of considerable interest. All the advantages and disadvantages of possible routes should be weighed and a final decision reached to bring the greatest benefit to the greatest number. It is a problem which can only be solved by setting aside selfish interests which so often play a prominent part in such matters.

ABOUT TOWN

By Edward H. Powers

In recent years the practice of illuminating and decorating windows of homes during the Christmas season has become quite prevalent. Many years ago about the only householders to enter into this observance of Christmas tide were immigrants who had moved here from England, Germany and Ireland and they placed a real candle or candles in the windows. Comparatively few homes were electrically lighted in those days. Those folks of the past generation were acquainted with the real significance of Christmas customs as practiced in European countries. Their Christmas candles were not lighted or displayed until Christmas Eve, and they were then lighted each evening until Little Christmas or Epiphany, the twelfth day after Christmas, symbolic of the coming of the Magi. Would it not be much more impressive and in keeping with the centuries old observance of Christmas if all would refrain from lighting the Christmas candles until Christmas Eve, and then to continue the illuminations through the real Christmas season to January 6. As it is now, many persons seem to vie one with the other in an endeavor to be among the first to have the electric candles and other decorations displayed at their homes.

Driving was hazardous over the glassy surfaces of streets yesterday and this morning. And the speeds at which some operators drove under this condition proves how many near-miss accidents are loose upon public highways.

The Newton Board of Aldermen are showing common sense in postponing action on changing Ward lines. The plan, as proposed recently, was quite unsatisfactory to a large percentage of our citizens and would have disrupted the village feature which has made Newton unique and outstanding as a residential community. It will not be a very difficult matter to devise a practical and satisfactory solution of this problem if one or two additional Wards are created. Proper opportunities for citizens to present their suggestions should be given and special legislation will not be hard to obtain if the will of the majority of the people is recognized.

During the week ending December 8, thirty-two persons were killed by automobiles in Massachusetts. One of the victims was an old resident of Newton. This number is about the average of automobile victims in this State in recent weeks. So far this year about 950 persons have been killed by automobiles in Massachusetts. The carnage in other States is equally appalling. Governor Ely, Governor-elect Curley and public officials all over the country all call attention to this increasing form of slaughter and appoint or advocate the appointment of committees to study this problem and take means to solve it. We have had so many safety commissions and drives that we have become sceptical as to their effectiveness.

All the safety drives, all special commissions and committees to stop automobile murders and slaughter are but hypocritical gestures when the real reasons for this carnage are permitted to continue. Any intelligent person knows what these reasons are. First—the speed mania caused by automobiles being manufactured to travel at terrific speed and by the operation of motor vehicles at high speed by a large percentage of drivers. Second—reckless driving by a considerable percentage of autoists. Third—lack of enforcement of automobile laws and fixing of cases for offenders. Fourth—failure of policemen, judges, district attorneys and juries to properly prosecute and punish autoists who kill and maim their fellow men.

When the Federal government and the States will join in a determined movement to reduce the speed of motor vehicles, when "respectable" citizens and politicians will cease "fixing" cases, when policemen will be encouraged rather than punished for doing their duty in apprehending reckless drivers, when judges, prosecuting attorneys and juries will sympathize with the victims instead of with the killers, when the public and officials realize that the first duty of police departments today is the control of traffic and the preservation of human lives, then, and only then, will the insensate slaughter by automobiles cease.

Cold Weather Causes Several Chimney Fires

The cold weather of the past week necessitated hotter fires in house heaters and these fires apparently produced more sparks from chimney tops. As a result several roof fires occurred in this city. Tuesday morning at 9:32 an alarm from Box 113 was for a fire on the roof of a bay at the home of David Baer, 16 Waverley ave., Newton. The damage amounted to a few hundred dollars.

At 9 p. m., Tuesday a still alarm brought Engine 1 to the home of W. S. Hassett, 33 Washington st., Newton, to extinguish a chimney fire. About midnight Tuesday Engine 3 was called to the Newton Catholic Club at 1522 Washington st., West Newton to put out a fire caused by chimney sparks.

ONE THING... AND ANOTHER

By L. D. G. BENTLEY

Discovered This Week

A robust man who clings to the old-fashioned nightgown, insisting that although it may cling to him in hot weather it is a marvelous source of comfort when the temperature is low.

A philosophical man who tried hard but didn't get anywhere in the city election campaign. Was delighted with his experience because he met a lot of nice people. Says most of them, according to the returns, did not vote for him but he found pleasure in making their acquaintance.

A loyal husband who doesn't object to his wife's use of rouge. Says, "Like a lot of women she doesn't know how to put it on, but, thank goodness, she does know how to leave it off."

Owner of a large estate who declares that dog-racing has been going in Newton for years and that his front lawn will show that it has long been used as a track by all the dogs in the neighborhood.

The Sooner The Better

Among the season's good wishes that might well be extended along with the usual Yuletide felicitations is that the recipients be spared the embarrassment of receiving Christmas cards from those they failed to remember. The most thoughtful person is likely to find himself in that very predicament. Even if one keeps a list of those to whom cards are to be mailed he not infrequently suffers the mortification of having overlooked some very good friend. Still, that seems a safer method than striving to keep names on the tablet of one's memory. The haphazard system of grabbing at the 11th hour, a bunch of cards and dashing off your autograph and then addressing them is more popular. I've observed, but it has its faults. It's bad for the nerves and upsets everything. The only suggestion I would offer is, "Do Your Christmas Remembering Early."

Fearless But Fussy

Whatever may be your personal feelings in the matter of swimming in icy waters there are men who do it. One of these intrepid souls lives in Newton and drives to his Summer place on the South shore for an occasional plunge. As far as I know he hasn't attempted it this month but did in November, more power to him. It wouldn't merit mention this week, even if he permitted his name to be used, except for something that happened in connection with his Winter dip.

Pursuing his regular program he went to his cottage, started a good fire, undressed and dashed into the surf. Some strangers were driving through and seeing him, thought, of course, he had met with an accident, probably fallen overboard from a passing craft. With haste they aroused one of the native residents, dragged out a rowboat and set out to perform an act of rescue. In their excitement, including shouts of "Be brave, we're coming," etc., they lost their oars.

Our Newton friend, observing, with no small amount of wonder and annoyance, their struggles, swam over, gathered in their oars for them and grumbled something about people doing better if they'd only mind their own business.

How's Your Arithmetic?

Most any collection of statistics is for me a problem in mathematics. Merely because I am awed by the sight it doesn't necessarily follow they may not be interesting. Thus, as I turn to the recently published census of manufactures in Newton for 1932, prepared by the State Department of Labor and Industries, I find that although Newton may be growing rapidly as a residential community it is not advancing industrially.

The figures cover 11 years, with the statement that the principal products manufactured in our city last year were knit goods, radio apparatus and electrical machinery. Nine years ago, or 1926, the value of stock and materials used was the highest in the period covered, amounting to \$8,597,681. Last year it was \$3,488,831. The best year of the 11 for the amount of

CHRISTIAN SCIENCE

"God the Preserver of Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, December 16.

The Golden Text is: "The Lord preserveth all them that love him" (Psalms 145:20).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I will lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the Lord, which made heaven and earth. He will not suffer thy foot to be moved: he that keepeth thee will not slumber. Behold, he that keepeth Israel shall neither slumber nor sleep" (Psalms 121:1-4).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In divine Science, man is sustained by God, the divine Principle of being. The earth, at God's command, brings forth food for man's use. Knowing this, Jesus once said, 'Take no thought for your life, what ye shall eat, or what ye shall drink;—presuming not on the prerogative of his creator, but recognizing God, the Father and Mother of all, as able to feed and clothe man as He doth the lilies' (p. 530).

wages paid was 1929 with a total of \$4,093,140. There were 71 establishments listed then. Last year there were 61 and the total amount of wages paid was \$1,560,886, the lowest given in the record.

Nevertheless the number of wage-earners, which has shown a consistent decline, was 1,661 in 1932 and slightly more, 1,848, in 1933. Possibly the increase may have been due to the N. R. A. codes. However, the value of products last year, \$8,179,012, was the lowest of the 11 years, the top being 1929 with \$18,068,157. This is about all there is to be said as the report explicitly announces, "For the principal products manufactured in Newton, data cannot be presented separately without disclosing the operations of individual establishments."

Christmas Giving

The right gift for character building may be secured by making a Savings Account in this bank one of your Christmas morning gifts.

It is better than too much candy and too many toys. It is better than extravagance of any kind. It gives the young a different viewpoint in life.

Why not arrange for it now?

"Xmas" comes from the Greek

THE origination of "Xmas" as an abbreviation for Christmas can be traced to the fact that the initial letter of the Greek name for Christ is "X".

Most abbreviations can be explained, but have you ever noticed that there is none for "saving." There is only one way to spell saving, whether it is for Christmas or another purpose—by visiting the Newton Centre Savings Bank regularly.

Five Injured in Auto Crash at Newton L. Falls

A car driven by Charles Osterwisk of Thordike st., Cambridge, got out of control on Washington st., near Grove st., Newton Lower Falls, on Sunday night and hit a tree. Osterwisk had his right leg broken; his wife, Mrs. Lena Osterwisk, received a probable fracture of the nose, and Walter Zagaeski of North Harvard st., Allston, a passenger, received a fractured jaw. Two other passengers received minor injuries. All were taken to the Newton Hospital for treatment.

SCHOOL AFFAIRS

At a recent meeting of the Newton School Committee a communication was received from Mayor Weeks suggesting that the surplus which has accumulated from profits made in past years in public school cafeterias in this city be turned over to the general fund of the city government to be used in paying city expenses. The committee held an executive session on this matter of the school budget for next year and will probably make public its recommendations at its next meeting.

Committee member Bryant, reporting for the subcommittee on the matter of a shelter building at the Levi Warren school yard, reported adversely. The committee thought this building would mar the appearance of the grounds and also might be used as a congregating place for youths. Mr. Bryant also reported that the city government is not in favor of appropriating money at this time to resurface the yard at the Day Junior high school and no funds can be obtained from the ERA for this work.

The committee voted to grant a sabbatical leave of absence for the school year 1935-1936 to Heloise Chase, a teacher at the Bigelow School.

Comedy Cartoon Film to Promote Safety

Familiar story-book characters will risk their lives in a series of hair-raising automobile accidents in a new comedy film, produced in the latest form of technicolor and sound, which will have its first showing here at the Paramount Theatre, Newton for Sundays beginning Sunday. The picture is called "Once Upon a Time," and the stars in its unique cast of characters are Cinderella, the Mad Hatter, Simple Simon, Jack Sprat and other universal favorites, appearing in modernized settings as back-seat drivers, road hogs, chisellers and other everyday highway pests.

Colonel Paul G. Kirk, Massachusetts Commissioner of Public Safety, introduces the film in a short talking sequence, making an appeal for action on the part of everyone to stop the needless slaughter on the highways which is now reaching an all-time high mark for death and injury in Massachusetts. The picture appears throughout the State under the auspices of Colonel Kirk's department and is promoted jointly by the Governor's Committee on Street and Highway Safety, the Registry of Motor Vehicles, Safety Councils and Massachusetts Chiefs of Police. It was produced by the Metropolitan Life Insurance Company as part of its nation-wide program for the promotion of safety.

While humorous situations pervade the film and its realistic color effects contribute to making it an outstanding animated screen cartoon, the actions of the motorists which are due to cause audiences many hearty laughs are no more absurd than the faults of drivers that cause fatal accidents on the highways every day in the week. Accidents are shown—before, during and after the actual crashes—which should cure those who see them of ever beating the lights, passing on curves or committing any of the other violations of common sense and road rules that result in death and disaster.

About Town

By Edward H. Powers

The Town of Wakefield, aroused by automobile fatalities there, has given warning that its main highways are to be patrolled by motorcycle policemen who will not fix cases. Newton may well emulate Wakefield. There should be motorcycle policemen day and night (weather conditions permitting) on Washington st., Beacon st., and the turnpike. It is risking one's life to try and cross Washington st., even for a young person. And an old person attempting to cross this street during heavy traffic periods places himself or herself in jeopardy.

Automobile Found In Pool in Front Of City Hall

About 10 o'clock Tuesday night an automobile owned by Frederick McComiskey of 12 Highland st., West Newton, was found overturned in the cement pool in front of Newton City Hall. The pool was emptied of water before the cold weather commenced. McComiskey told the police that he had parked the car on Commonwealth avenue and did not know how it landed in the pool.

Assaults Wife, Gets Jail Term

Thomas J. Igoe of 56 Clinton st., Newton, was arraigned in the Newton court on Monday charged with assault and battery on his wife last Friday. Igoe was arrested Saturday morning by Patrolmen O'Donnell and Whelan while working on an ERA project at Auburndale. He was sentenced by Judge Weston to serve three months in Middlesex County prison. He appealed and was held in \$300 bonds.

Public Concert in Newton Jan. 6 by ERA Chorus

Arrangements have been completed for a concert at the Newton High School Auditorium at 4 o'clock on the afternoon of Sunday, Jan. 6th, by the ERA Chorus of Boston, consisting of one hundred trained voices with Frederick Lamb, director, assisted by the ERA Orchestra of Newton, with Thompson Stone, conductor and soloist. This will be a notable musical event in this city. There will be no charge for admission and all are invited to enjoy the unusual treat. Further announcements will be made.

West Newton Improvement Club Elects Officers

A meeting of the West Newton Improvement Club (Colored) was held on Monday evening, November 26, at Odd Fellow's Hall on Prospect place. After a short business meeting officers were elected as follows: President, Walter Cooper; vice president, Alfred Haywood; secretary, Samuel McCleary; treasurer, Cornelius Wilson.

President Walter Cooper gave a short political talk, concerning the coming City Election. A Publicity Committee consisting of Walter Holmes, former Newton High Track Star, W. Earle Lomax, and Harry Gray was appointed.

Auto Exhaust Fumes Kill West Newton Man

Samuel F. Nesbitt of 441 Althamar rd., West Newton, was asphyxiated Sunday afternoon in his garage by carbon monoxide fumes from the motor of his automobile. The garage is in the basement of the Nesbitt residence and Mr. Nesbitt had gone to the garage to adjust the carburetor on his car. His wife found him unconscious near the door of the garage and he expired in her arms. A crew of firemen from Engine 4 used an inhalator on Mr. Nesbitt for over an hour in a vain effort to resuscitate him. He is survived by his widow, Mrs. Lulu (Glazier) Nesbitt; two daughters, Ruth and June Nesbitt; his father, William Nesbitt; a sister, Mrs. Albert Moore, of Bellows Falls, Vt., and a brother, Frank Nesbitt.

Mr. Nesbitt was engaged in the wholesale fruit and vegetable business. He was a member of Newton Lodge of Elks.

City Sued In Auto Fatality

A civil suit against the City of Newton for \$10,000 damages started in the Newton district court yesterday. The suit is brought by the estate of Joseph Brocklesby of Murray terrace, Auburndale. Brocklesby, a young man, was fatally injured last winter when the automobile in which he was a passenger skidded on Commonwealth avenue, Auburndale near the Weston bridge. The plaintiffs allege that his death was caused by negligence on the part of the city. A water main had broken in the street and water had flowed from it covering the street surface with ice, above which was a pool of water. The plaintiffs contend that the city did not take proper precautions to safeguard traffic from the hazard. The plaintiffs are represented by Benjamin M. Thornburg of Waltham and the city by City Solicitor Bartlett. Judge Lynch presided. The trial was continued until next Thursday.

Charles River Valley Elec. Contractors Meet

The regular meeting of the Charles River Valley Electrical Contractors' Association was held Tuesday evening, Dec. 11, at Edison Hall, Newton Centre, with a large attendance of Master Electricians. Mr. Munroe of the Edison Company, gave an interesting talk on "Range Installation." Mr. McQuarrie and Mr. Maynard of Westinghouse Electric Co. spoke on "Range Sales." Several new members were admitted to membership. Refreshments were served after the meeting.

It was voted that the January 8th meeting be held at Bond's Restaurant, Watertown. Mr. Nedell of the Massachusetts Gas and Electric Co. will be the host. The territory covered by this organization includes: Newton, Belmont, Wellesley, Brookline, Waltham, Lexington and Weston, all master electricians from these towns whether or not members of the association are invited to the January 8 meeting as guests of Mr. Nedell. The Charles River Valley Electrical Contractors' Association is growing rapidly. Many enthusiastic meetings have been held and several outstanding men in the Electrical field have been scheduled to address future meetings.

Local Druggist Advises Public To Shop Early

Mr. Frank Dilbert, proprietor of Dells Pharmacy when interviewed this week regarding holiday business in Newton had this to say. "If the public would only realize the folly of delaying Christmas shopping until the last minute, I feel that they would make every effort to do their buying now." "Take my case for instance," continues Mr. Dilbert. "From now until Christmas, we anticipate our usual holiday rush. Nevertheless, our stock is complete and if we sell out an article, there is ample time to procure an additional supply. In past years, and we expect the same condition will obtain this year, our biggest days are Christmas and the day before. Very often the supply of a desired article is exhausted and customers are disappointed. No merchant can afford to let a customer leave this store with a disappointed feeling, and he will go to great lengths to keep his trade happy? If the public will give us a break this year and shop early it will be to the advantage of both the customer and the merchant."

NEWTON EMBLEM CLUB

On Wednesday evening, December 19, the Welfare Committee of the Newton Emblem Club will hold a bridge and whist party in Elk's Hall, Centre street, Newton, at 8:15 o'clock. Mrs. K. Grant is chairman of the committee, assisted by Mrs. Fannie Ball, Miss Marie Barry, Mrs. Annie Blakeley, Mrs. Christina Bryson, Mrs. Alice K. Burns, Mrs. Jennie Coffey, Miss Grace Dalton, Mrs. Bertha Dunne, Mrs. Margaret Flood, Mrs. Marion Fried, Mrs. Mary Hines, Miss Elizabeth Hughes, Mrs. Catherine Kennedy, Mrs. Gertrude Leavitt, Mrs. Blanche MacGowan, and Mrs. Nellie Simpkins. Many beautiful prizes have been donated.

A HINT FOR WOMEN WHICH MEN, TOO, MAY APPRECIATE

By Joan Bruce, Shopper
 As Christmas draws near, we women admit that our most puzzling problems come when we try to select gifts for the men of the family. The ties men never wear—the cigars they will not smoke! You know what a problem it is.

Yet, when you stop and think about it, you will

A little verse in rhyme, says William R. Ferry
Fire insurance in time, says William R. Ferry
When your house is blazing gone,
You'll be filled with many woes.
Walk right on your toes, says William R. Ferry

You hear the fire bell ring, says William R. Ferry
Too late to start and sing, says William R. Ferry
Now, make no mistake, see Ferry ere
Too late,
Cover all of your estate, see William R. Ferry

Regrets come very fast, says William R. Ferry
Profit by the past, says William R. Ferry
Many fires in Newton town
Have made many people frown;
See Ferry ere sun down, says William R. Ferry

So the final word to you from William R. Ferry
Stop a-gazing at a star, says William R. Ferry
Have your Automobile insured
And all your ills be cured,
See Ferry, be assured, says William R. Ferry

Bigelow Junior H. S.

Inspection of the additions to the building on Tuesday, December 4, began with an interesting program which consisted of speeches by Mr. Amesbury of the School Board, Mr. Julius E. Warren, Superintendent of Schools, Mr. Frank W. Chase, former principal of the Bigelow, and Mr. Haydn S. Pearson, Principal. This program was held in the newly completed auditorium and was to be followed by an informal inspection of the building. This, however, was cut short by the sudden accidental extinguishing of all lights due to troubles with the outside electric cable. Therefore, for the benefit of those who did not have an opportunity to inspect on this first occasion, December 7, the building was again opened on the evening of December 11.

Newtonville Youth
Arrested For
Disturbance

Enrico Caruso, 20, of 276 Newtonville ave., Newtonville, was arrested shortly before one last Monday morning by Patrolmen O'Donnell and Whelan for creating a disturbance. He had climbed to a second floor porch at his home and barked a pane of glass in an effort to gain entrance to his home. A neighbor, aroused by the noise, phoned the police and a cruising car hastened to the place. In the Newton court on Monday Judge Bacon fined him \$20 and then suspended the fine. Joseph Caruso, the youth's father, testified the defendant had hit him during an argument the preceding day and that he had locked the door against him on Sunday night.

The Nonantum Republican Club, as an organization covering the entire Nonantum section of the city, is composed of a cosmopolitan group of men and women who are interested in the promotion of honest politics and measures beneficial to the community at large, and who further believe that in the administration of government, honesty, ability, and efficiency should be the sole test for employment or promotion.

Immanuel Choir In
Candlelight Carols

A Candlelight Service of Carols will be given on Sunday evening at 7:30 at Immanuel Baptist Church, Newton, by the combined choirs of the church. Because of the cooperation of the churches this will be the Community Service on that evening, making it possible for all to attend. The program consists of fourteen carols and different periods. The antiphonal numbers are especially striking. Immanuel Choir is well known in Greater Boston for the quality of its work, and is frequently heard outside its own church. Agnes Edwards Hatch is director of Immanuel Choir and Mrs. Harold T. Robinson of Immanuel Junior Choir.

Addresses At
Bigelow School
Dedication

At the Bigelow School on December 4th an "open house night" was held to permit residents of Newton to inspect the remodelled and enlarged school. Among the features of the evening were two addresses delivered by Walter R. Amesbury, chairman of the Newton School Committee and Julius E. Warren, Superintendent of Schools.

Mr. Amesbury said that junior high schools mark a milestone in education and they provide guidance for children in the exploratory period of their lives to assist them in determining objectives. He stated that the first junior high school was started in Newton in 1922 and the Bigelow School is the last of the four planned in that year. He said that junior high schools meet the need of a rapidly changing civilization. He informed his hearers that even though an addition has just been completed at the F. A. Day junior high school it may be necessary to transfer some of the pupils of that school to the Bigelow to relieve overcrowding. He also said that the Weeks junior high school is filled and the Warren junior high school so overcrowded that an addition many have to be built there.

Mr. Amesbury said that children are staying in school longer than in the past generation. Since 1890 the population of this country has increased 80% and the attendance at secondary schools 250%. There is no depression in school attendance. In Newton 80% of the children of secondary school age are attending school while the average for the whole country is 53%. He commented that criticisms of Newton schools are caused largely by lack of information concerning them. Newton schools cost \$1,400,000 last year to operate and took 40 cents out of every dollar of the tax rate. There are 32 public schools in Newton, 492 teachers and 87 supervisory, clerical and janitor employees; a total of 579.

Mr. Amesbury said that Newton schools have attracted wide attention. A guidance program has been instituted in them to assist the teachers to fit square pegs in round holes. Schools have followed industry in fitting children for what they are best able to do. Newton has excellent schools, loyal and efficient teachers.

Supt. of Schools Warren said that the old Bigelow School has been evolved into a modern junior high plant for pupils during the period when they cease to be children and become individuals. He said he is a newcomer in this city but he has long admired Newton's schools and the improved Bigelow School building is a symbol of the faith of the people of Newton in the efficacy of education. He said that although Newton does not pay the highest salaries to its teachers he has never dwelt in a community where school teachers show such devotion to their work. Such teaching is a dynamic force. Mr. Warren referred to the closing of public schools for 10 days in a city in this State because of a political brawl and wondered at the future of education when such a thing as this occurs. He said that in many places the school year is being shortened and the curricula curtailed.

Mr. Warren outlined the progress of public schools in this country and asked—"Have we gone too far?" If education expenses are curtailed what shall be eliminated? This must be answered rather than the question—"What of the program ahead?" Educators and the public must face the reality squarely and check what the outcome will be. He said the program ahead in education isn't smooth. It is tied up with industry and business and depends on our honesty and intelligence. Since 1870 the functions of homes and churches have come to the schools.

Mr. Warren said that education of children is going on not only in schools but on the street, at movies and playgrounds. He said that according to educational experts a child's mother ranks first in its education and the school teacher second; the father ranks 13th or 14th in education of the child. We can't standardize homes so the school problem shall continue to be the most important single governmental agency. Newton schools must continue to be among the highest and best and we must join shoulder to shoulder in the program of revolutionary reorganization.

Speeder Who Hit
Dog Fined \$10

In the Newton court yesterday Robert Wright of Pearl street, Cambridge, driver of a truck owned by a cleaning company was fined \$10 for speeding. On November 10 at California and Nevada streets, Newtonville the truck driven by Wright hit and killed a dog. Patrolmen Barr and O'Donnell testified that marks on the street showed that the truck had traveled 97 feet after the brakes were applied at the time of the accident. They also told of the grief of the young boy who owned the dog when the animal was killed.

Attractive Program at
Paramount Theatre

"Transatlantic Merry-Go-Round" sparking new comedy drama with melody, mystery and romance, staged aboard a palatial ocean liner, comes to the Newton Paramount Theatre for four days starting Sunday. A great cast of screen and radio stars, headed by Jack Benny, Nancy Carroll, and Gene Raymond is seen in this production.

Among the famous screen and radio personalities who take part in Benny's broadcasts are Mitzel Green, in her first grownup role; Frank Parker, the Boswell Sisters, Pat Kelly, Jean Sargent and Jimmy Grier and his orchestra. Benny's famous satire "Grind Hotel," is a high point of the program.

On the same program will be seen Dick Powell and Josephine Hutchinson in "Happiness Ahead." A sparkling musical comedy. Like most of the successful teams that have worked together on stage or screen, the new team is a study in contrasts. Dick is the entirely natural, blithe and ingenious type of actor. His method is brisk and impulsive, effervescent. Miss Hutchinson is restrained, subtle and serious. Her manner has the calm sophistication one would expect of the long Civic Repertory training which she had.

For the last half—"The Richest Girl in the World" discovers whether she or her money is the attraction for every suitor who knocks on her heart, forms the plot in the picture. She exchanged identities with her secretary-companion and learns some interesting facts about herself and the men of the world. Miriam Hopkins is starred, supported by Joel McCrea, Fay Wray, Henry Stephenson and Reginald Denry.

On the same program, Kotti Galian, as star of the tempestuous love story, "Marie Galante" is menaced by the men of many nations. In the world's most treacherous danger zone, she is believed to hold a mighty secret. In this nerve-center of international intrigue, her beauty is no protection. Among the men who weave their nets around the blonde and wistful "Marie Galante" are Spencer Tracy, Arthur Byron, Leslie Fenton, Ned Sparks, Siegfried Rumann and Jay C. Flippen.

Employing a
Piano Tuner

Owing to practices which have made their appearance in late years it behooves the piano-owning public to use the greatest care in employing a piano tuner. Many who have lost their positions in the factories and have had experience in some branch of the work, are professing to be piano tuners in the complete sense. An individual can be a good soundboard man, a good case maker, a good stringer, or a good action man, etc., but not be a good tuner or the completely-educated technician required by the piano owner. He may be a good tuner and yet only a putterer on action work. He may be one of the many who have picked up a smattering knowledge.

Piano tuning is a profession, not a trade, and cannot be mastered by everyone who attempts to do so. It also takes not only a good ear but a liberal education and a thorough training in all its branches; and, besides a fairly critical knowledge of music and tonal values. It requires not only extreme efficiency but a man of patience and enthusiasm for his work; also unquestioned honesty both in his work and word. Any puttering or guessing is a waste of money and sometimes harm is done.

Certain individuals today advertise

ridiculously low prices which they know are impossible, and through such methods gain an interview. The competent and honest individual, however, is at all times willing to give the instrument a complete and competent inspection and demonstrate clearly to its owner just what it needs, without any overstatements, and then give an honest estimate, oftentimes losing on his estimate in order to give a customer any benefits which he can.

It is not economy to let a piano go until it gives trouble, or sounds so badly out of tune that it is unbearable, as much as then occurred which causes needless expense in restoration. Pianos which have not been in use for some time are in this class.

Frequently, too, pianos are found which have been given occasional tuning, and owners have been under the impression that they are in good condition. The tuning, however, is only equivalent to the painting of your car. The engine has had no attention. There are hundreds of felled parts containing the finest of felt necessary for action and tonal quality in this delicate instrument, and these are affected in fully ninety percent of the cases with moths and need to be cleaned. A superficial cleaning, however, by an incompetent man, is about as good as useless; and often the vacuum cleaner salesman attempts this delicate job without the proper knowledge. Fools step in where angels fear to tread. It is the aim of the competent piano technician to use the proverbial stitch in time and apply preventive methods which will not only protect the piano's life but save the customer unnecessary expense.

Mr. J. W. Tapper of Newton Highlands is a tuner who offers this information and says he is giving to all who ask, this complete and free examination of pianos, without any obligation whatever; and also freely assists with advice and inspection, all interested buyers of pianos. He is also fitted to advise parents regarding the children's study of music and to assist in the selection of competent piano teachers.

Christmas Music in Newton Churches

GRACE CHURCH

Sunday, December 23, at 4 o'clock, Grace Church School will hold its Christmas Service and Pageant. The Pageant was devised by the rector and is entitled "The Nativity" or "The Manger at Bethlehem." Some thirty members of the Church School will take part.

Preceding the Pageant, from 3:30 to 4:00, Mr. Grosvenor Calkins, Jr., will render a special program of Carols on the Grace Church Chimes. The program is as follows:

"Adeste Fideles" XVIII Century
Good King Wenceslas English Traditional
"Bring a Torch, Jeanette, Isabella" Old French
"Deck the Halls" Old Welsh
"Here we Come a-wassailing" Old English
"Good Christian Men, Rejoice" Old German
"Let All Mortal Flesh Keep Silence" French Plain-song
"As Joseph Was a-Walking" Traditional
"Glory Be To God in Heaven" French
"Christ Was Born on Christmas Day" Old German
"I Saw Three Ships" Shaw
"The First Nowell" Traditional
Melody, 1833

Christmas Eve at 11 o'clock, there will be a midnight celebration of the Holy Communion. There will be some especially beautiful Christmas music and at the close of the Service, each member of the congregation will receive a candle, which they will light from the Altar Candles as they leave the Church. The candles should be kept lighted until the home is reached if possible, symbolizing the carrying of the Spirit of Christmas from the Church to the home.

On Christmas Day, there will be a Celebration of the Holy Communion at 8:30 A. M. and again at 10:30 A. M.

THE ELIOT CHURCH OF NEWTON

10:30 A. M.

The Organ Postlude, March of the Magi DuBois

Earl R. Weldner, Organist and Director; Miss Gertrude Ehrhart, Soprano; Mrs. Helen I. Wilkins, Contralto; J. Garfield Stone, Tenor; Walter H. Kidder, Bass. Chorus Choir.

A Christmas vesper pageant will be presented in the Eliot Church under the direction of Miss Beattie M. Stratton, Director of Religious Education, at 5:00 o'clock Sunday afternoon. "A Mystery for Christmas," by Howard C. McKenney, Director of Music of Rutgers University, will be given. While the theme of the pageant is the story of the birth of Jesus, the action takes place to the accompaniment of delightful 11th and 15th century music. The mystery carries much of the charm and simplicity of the early church plays. The music will be rendered by the church choir assisted by members of the church quartet. Because of the cooperation of the churches of the village, this pageant will be the community service for Christmas Sunday.

Community Chest Fund At \$157,384

Those Who Have Not Given Urged to Contribute

At a meeting of the Budget Committee of the Newton Community Chest, Inc., held on Tuesday evening December 18, Leon B. Rogers, president, reported that the campaign committee had received cash and pledges at that date \$157,384.37. This amount represents 81% of the goal set for the campaign.

In accepting this report the Budget Committee which consists of William B. Baker, Chairman, Walter R. Amesbury, Howard M. Biscoe, Albert M. Lyon, Leverett Saltonstall, expressed its high commendation for the splendid result attained and for the unceasing labors of Donald D. McKay, vice president and Campaign Director, and his corps of loyal assistants, Village Chairmen, majors, captains and workers.

The Budget Committee emphasized three points: First, that while the amount raised will permit the 14 agencies to operate during 1935, this sum will not permit them to overcome many handicaps under which they have been operating the past year or to take care of many new problems which they feel certain they will face during the coming months. Second, in view of this situation, it is hoped that those whom the workers may have been unsuccessful in reaching or those who feel disposed to increase their gifts should not withhold their support simply because the allotted period of the campaign is past, but should communicate with the officers, budget committee, or direct to the Community Chest headquarters, 93 Union Street, Bray Hall, Newton Centre, telephone Centre Newton 4154. Third, the budget committee will continue its work and properly allocate to the several agencies the funds raised, in accordance with the facts and budget originally submitted by the agencies in September and in the light of whatever (Continued on Page 5)

Recount on School Committee Vote

The recount of the ballots cast for School Committee members from Wards 3 and 5 in the election on Dec. 11 was concluded Sunday night at Newton City Hall. The recount was held at the requests of Bernard D. Farrell, Jr., and Francis W. McOwen, defeated candidates. According to the original returns Mr. Farrell, candidate from Ward 3, was defeated by George H. Fernald, Jr., by 247 votes. Mr. McOwen, candidate from Ward 5, was defeated by Mrs. Margaret H. Woods by 406 votes. As a result of the recount Farrell lost 5 votes and Fernald's total remained the same. McOwen gained 6 votes and Mrs. Woods lost 9. A technical protest had been made because the ballots cast in Precinct 5 of Ward 5, at Waban, did not show cancellation imprints because of the failure of the mechanism in the ballot box to work properly. Attention was called to this matter on election night by the precinct clerk at Waban. At the recount on Sunday at City Hall, James Waters, chairman of the Board of Registrars, stated that by using a magnifying glass he could discern faint cancellation imprints.

Non-Residents Qualify for Welfare Position

As a result of the examination recently held for appointment to the position of social service worker in the Newton Public Welfare Department, only two of the ten women participating were able to qualify. They are Marguerite Rebholz of Worcester and Constance Hanson of Cambridge.

Aldermen Renew Permit For Oak Hill Gravel Pit

Owner Compelled To Post Bond of \$3000

The Highland Sand & Gravel Co., through its owner, George S. Wilbur of West Roxbury, was given a renewal of the permit to operate its plant off Wiswall lane, Oak Hill, by the Board of Aldermen on Monday night. Residents of the Oak Hill district have objected to the operation of this pit and the heavy trucking to and from it for several years. Mr. Wilbur has been getting only short term renewals, and the Aldermen held up the latest renewal for the past couple of months. Alderman Grobenstein, chairman of the Claims and Rules Committee, reported Monday night that the renewal for the operation of the machinery at the pit and the permit for the temporary buildings there will extend to Oct. 1, 1935. He explained that several conditions are attached. Wilbur agreed to limit the work at the pit from 7 a. m. to 7 p. m.; that he will level off hummocks to the grade of surrounding land, and that he will properly grade the area. As a guarantee that these conditions will be performed, he posted a bond of \$3000.

Alderman Holden said his attitude against any gravel permits in Newton is well known. He said there is an added reason why no further permits should be granted to Wilbur. This is that Wilbur, having excavated the large area he owned, subsequently went onto land owned by Estes and by Wiswall, and has been excavating on these properties. Alderman Gallagher replied by arguing that Wilbur's buildings and machinery are on his own land, and he is merely taking the material off the Estes and the Wiswall lands.

Alderman Cronin said that the objections did not revolve around the grading of the gravel pits, but were directed against the noise of heavy trucks and the noise of the machinery. He said these noises should be kept down to a minimum. Alderman Temperley said he had voted against permits at this pit in the past, but would vote in favor this year to avoid leaving the area in a mess, and because the City Solicitor has protected the city's interest by demanding the \$3000 bond. The Aldermen then voted to grant the permit. The only votes in the negative were those of Aldermen Goddard and Holden.

School Committee Adopts Budget For Next Year

The Newton School Committee at its meeting on Monday night devoted several hours to a consideration of the budget for 1935. As a result of the deliberations the school department budget for the coming year will total \$1,473,785, an increase of \$142,125 over this year's budget. Of this increase \$97,000 is caused by the restoration to the school teachers and the other employees of the 7½% pay cut levied on them on January 1, 1933. There are 492 teachers and 87 supervisory, clerical and janitor employees. Another \$16,000 of the increase will be the result of the yearly step-rate jumps in teachers' salaries. The balance of the larger budget is caused by higher prices for fuel and other supplies, and the addition of 315 pupils in the Newton public schools. At 5 o'clock Monday afternoon a meeting of all the school department employees was held in the high school auditorium. It was addressed by Walter R. Amesbury, chairman of the School Committee, who gave the welcome information to those assembled that they would have the 7½% cut restored, in common with the other city employees.

Takes Appeal On License Case

Walter C. Dennison of 248 Auburndale ave., who conducts a market at 2092 Commonwealth ave., Auburndale, has taken an appeal to the State Alcohol Beverage Commission from the decision of the Newton License Board which refused him a license to conduct a package goods store at 2112 Commonwealth ave. A hearing on the appeal was held on Tuesday before the State A. B. C. The Newton License Board stated that the refusal was made after the two members of the Newton Board of Aldermen from Auburndale had said that the majority of residents of that village do not favor a liquor store there.

Gordon Will Be President of Newton Aldermen

Floyd Withdraws As Candidate; Nominates Opponent

John H. Gordon of 331 Auburndale ave., Auburndale, was unanimously chosen at a caucus of the members of the 1935 Newton Board of Aldermen on Monday night as President of the Board for the coming year. The caucus was held prior to the regular meeting of the Aldermen at City Hall. Gordon was nominated by Alderman Charles B. Floyd, also of Auburndale. Floyd was nominated for Vice President of the Board. His nomination was also unanimous. Prior to last Monday, Floyd and Gordon had both been candidates for the position and the former was supposed to have a majority of the votes promised. The supporters of Gordon contended that he was entitled to the honor because of his seniority in service, and the fact that he has been chairman of the Finance Committee for the past two years. It has been customary to advance the chairman of this, the most important committee of the Aldermen. Gordon is now serving his 11th year as a member of the Board of Aldermen. A compromise is believed to have been reached between the two candidates as Floyd withdrew his candidacy. Gordon will not be a candidate for reelection to the Board of Aldermen when his term expires next year.

Alderman Gordon was for over 30 years in the employ of the New England Telephone Company, retiring from active service last year. Alderman Floyd has been a member of the Board since 1929. He is manager of the Boston branch of a large leather company.

Aldermen Vote Not to Change Ward Lines

Alderman Bowen Says Citizens Do Not Want Change

At the meeting of the Board of Aldermen on Monday night, Alderman Benjamin J. Bowen, chairman of the special committee which has been considering the matter of changing the ward lines in Newton, reported that the committee recommends "that no action is necessary at the present time." Mr. Bowen said his committee had worked long and earnestly on this problem. It had considered, first, the necessity of realigning the ward lines at this time; second, devising new ward lines that would provide equitable voting populations. He said the various members of the Aldermen were kept in touch with the matter by attending meetings of the Committee as a whole. He said that the action of the committee in making the recommendation had been caused by the attitude of the citizens of the city as a whole, since the plans were made public and the hearing held. This reaction shows that the majority of the citizens do not want the ward lines changed.

Mr. Bowen said that the present ward lines do not allow proportionate representation in voting, but citizens say, "We are content; we have confidence in the men who represent us in the city government even though they reside in other parts of Newton." He commented that this happy condition can last only while capable men are selected for the City Government, and if the people of Newton display as little interest in public affairs as they did at the recent election on December 11th the good government which has been characteristic of Newton in the past, cannot continue. He thanked the Board of Assessors, the City Engineer's Department and the City Clerk's Department for their co-operation in the preparation of the committee's reports.

Mayor Weeks Will Restore Pay Cut To City Employees

Mayor Sinclair Weeks of Newton announced on Monday that he will recommend restoration of the 7½ per cent reduction in all municipal salaries and wages on January first. This action was taken after conferences with the members of the Board of Aldermen and the School Committee.

The increased cost of living and the fact that national, state, and city salaries elsewhere are being restored to 1932 levels caused Mayor Weeks to decide to bring Newton salaries back to the standards of two years ago.

In a statement giving his reasons for restoring the wage cut, Mayor Weeks declared that the City of Newton could not "fairly ask our employees to perform similar services for less pay than in general is being offered elsewhere." He pointed out moreover, that the Newton reduction in 1932 was modest in comparison to the general average; that it was kept to the smaller percentage of 7½ purposely so that restoration might more comfortably be made at the proper time. His statement in full follows:

"The matter having been carefully considered by all elements of the City Government concerned—namely, the Board of Aldermen, the School Committee, and me—the School Committee last evening voted to restore the 7½ per cent reduction in school salaries which has been in operation for the past two years, and I shall make a similar recommendation to the Board of Aldermen on January 1st as relating to all other municipal salaries and wages.

"When the reduction was put into effect on January 1, 1933, the lowered cost of living made it seem reasonable."

New Alderman Can Hold Job as School Janitor

Alfred R. Guzzi of Mague place, West Newton, elected on December 11 as Ward Alderman from Ward 3 will not have to give up his job as a janitor at the Warren School, according to a ruling made by City Solicitor Bartlett. Guzzi had stated during the campaign that he would be a candidate for Alderman even though it might mean he would have to give up his job if elected. The Massachusetts Civil Service Commission rules that a city employee, even though under civil service, can hold an elective position if no salary is attached to it.

Opposition To Extension of Hammond Pkwy.

Over One Hundred Favor Postponement of Project

Nearly 150 residents of Newton Centre came to City Hall on Monday night to attend a public hearing on the matter of the selection of a route for the extension of Hammond Pond Parkway from Beacon st. to Commonwealth ave. President Collins of the Board of Aldermen, in opening the hearing, said that at the request of a spokesman for a large number of those present, he would divide the hearing into three parts. First, to hear from those who believe that the city should take no action on accepting the balance of \$105,000 available from the State, and have the parkway end where it is now, at Beacon st. Second, to hear from those who favor the Hobart rd. route for the extension of the parkway. Third, to hear from those who favor the Willow st. route.

George W. Pratt of Chestnut ter., Newton Centre, a former Alderman, was the first citizen to speak. He said he is irrevocable in his opposition to any parkway or boulevard traversing the residential section between Beacon st. and Commonwealth ave. He said that most of the home owners in this area had bought their residences to be between the two main thoroughfares of Beacon st. and the avenue and do not want to be confronted with the invasion of a heavy traffic route. He said there is not much traffic coming onto Beacon st. from the parkway and public convenience does not require any extension of the parkway. He commented that it is inviting for the city to have an opportunity to pluck \$105,000 off a Christmas tree, but our city government would display moral courage by turning down a chance to spend this amount unnecessarily.

Alderman Collins explained at this time that the plans do not call for any taking of land on the West side of Centre st. if the Willow st. route were selected, but a strip 15 or 20 feet wide would be taken on the East side of Centre st. between Willow st. and the avenue.

Charles W. Bond of Gibbs st. endorsed the remarks made by Mr. Pratt. He said that at present we don't know where the traffic goes to that emerges onto Beacon st. from the parkway. A check should be made to ascertain where it does travel to; whether it goes northerly or westerly. We have until next June to accept the grant of \$105,000, and the Legislature will (Continued on Page 12)

THE WEEK IN NEWTON SPORTS

NEWTON SEXTET TOPS
RINDGE—THREE GOALS
IN TWO MINUTES

With a convincing display of power the Newton High School hockey team opened its season last Saturday at the Boston Arena, topping Rindge Tech 5 to 1, in a Greater Boston Interscholastic league game. The game was one of four on the afternoon's card with Arlington defeating Medford, 2-1, Cambridge Latin taking Belmont, 3-1, and Melrose outscoring Stoneham, 4-1.

The Newton sextet, a big and fast outfit, did not click until the last few minutes of play. Leading by a score of 2 to 1 with three minutes left to go the orange and black tailed three rapid fire goals in two minutes and three seconds. Newton passed from the opening faceoff with "Bud" Kramer, Rindge goalie, thwarting one rush after another. After six minutes of play Captain Castoldi, rangy defense leader of the Newton six, shot for the goal after receiving a pass from Dennison. The disc caromed off D'Amico, Rindge defense player, and into the net to give Newton a start. Three minutes later Kramer covered a loose punch in front of the Rindge net and Newton was awarded a penalty faceoff. Bill Daniels batted the puck which hit Kramer in the left eye as he dove to the ice. Daniels then caged the disc while Kramer lay prone on the ice. Kramer was relieved by Bewes in the Rindge net.

Late the second period Desrosiers of Rindge carried down the right lane and beat Woodward, Newton goalie, with a carom shot off Castoldi's stick. Woodward and Bewes then turned aside every attempt to score until Newton got going in the closing minutes of the game. Ernest McLeod carried down the centre lane and shot when within eight feet from the net to beat Bewes and practically clinch the game. About two minutes later Castoldi soloed down the rink, fainted a pass and sank his shot from ten feet on the right. McCutcheon and Page produced a classy combination pair for the final tally less than half a minute later.

Coach Martin used three sets of forward lines and two pairs of defence players with Woodward playing the entire game in the nets. The Newton first string line was comprised of McLeod at right wing, McCutcheon at centre and Page on the left wing. Miner, Daniels and Nichols were the second line and Blodgett, Butterfield, and Dennison the third string trio. Captain Castoldi and John Elliott started at the points and were relieved by Whitehead and Whitney.

The league standing:

NEWTON	G.	W.	T.	L.	Pf	Pa	Pts
Melrose	1	0	0	5	1	2	
Camb. Latin	1	0	0	4	1	2	
Arlington	1	1	0	3	1	2	
Medford	1	0	0	1	2	0	
Belmont	1	0	0	1	1	3	
Stoneham	1	0	0	1	1	4	
Rindge Tech	1	0	0	1	1	5	

Non-residents, in other words people living in the surrounding towns and wishing to skate on Bulloughs Pond in Newton, will not be excluded providing they also secure a license from the Playground Department.

The charge for such a non-resident's license will be \$1.00 for the season. These may be secured at the office of the Playground Commission at City Hall or at the check room on Bulloughs Pond starting Friday, December 21st, 1934.

SPORT NOTES

Active at Penn State

Three local youths who are freshmen at Pennsylvania State College are alive in various ways there. Tom Fitzgerald was a recent guest of the Sigma Delta Chi, national honorary journalism fraternity, at its annual Christmas smoker recently. He took a leading part in the annual Christmas musical comedy singing with Miss Jessie Schminsky, a promising young soprano. He will have a leading role in the spring show. He is a member of the Men's Glee Club at Penn State. Cross-country competition this fall found him with only enough time to take part in practice. He will compete in indoor track which starts with the intercollegiate in New York after Christmas. He is pledged to the Sigma Alpha Epsilon fraternity. John Waters was unable to compete in football due to injuries received while in high school. He used his time in college politics, winning the first vote for Claque Chairman of the fifty-three fraternities, the most important class office. The final vote, however, lost him the office by one vote. He is pledged to Phi Kappa fraternity. In the spring he is expected to fill a regular position on the freshman baseball team. Charlie Mascia is the third member of the local freshman trio at Penn State. He played freshman football but missed making his letter by a small margin when he did not get in the required number of periods of play. He showed great promise and is regarded as a reliable reserve for next year's varsity. He is enrolled in the music school and is an accomplished violinist. Football practice prevented his playing in the symphony orchestra although a place was kept for him. He is pledged to the Alpha Phi Delta fraternity.

Newton Boys on Brown Six

Four local youths are playing on the Brown varsity hockey team. Charlie Butler and Norman Appleby are the regular defence pair. Both were three sport stars at Newton High in football, hockey and baseball. Butler gave up football because of an elbow injury and will concentrate on hockey and baseball. Appleby is on his way to his second varsity letter this year as a junior, having already received a football award. It will be his fifth letter as he was the only sophomore last year to earn three varsity letters. After graduating from Newton High he attended Worcester Academy where he also starred in athletics. Both Appleby and Butler are Newton Centre youths as is Bob Chapin, spare forward on the Brown sextet. Chapin received a football letter as a line-man. The fourth local youth to make the Brown hockey squad is Jackson Skilling of Newton Highlands, a sophomore. He was an all-scholastic goalie at Newton High a few years ago and later starred at Waltham Academy. Last year he captained the Brown freshman hockey team. He is the regular net guardian on the varsity this season.

Newton Dentist
Talks to Rotarians
On Orthodontia

Dr. Philip Enholm gave an instructive and interesting talk to his fellow Rotarians, at Monday's Rotary meeting, on his own work as an orthodontist. "Although dental literature telling about appliances used in the correction of irregular teeth goes back to 1728," said the speaker, "it was not until the early part of this century that orthodontia became an exact science. In 1907 the late Dr. Edward H. Angle, of California, published a book called 'Malocclusion of Teeth,' which has become the bible for modern orthodontia."

By means of various models of boys' teeth and with the help of X-ray pictures, Dr. Enholm explained the various processes used so that the teeth of children can be made to function as nature intended them to. No effective work, however, can be done unless both children and parents give the fullest co-operation. Constant muscular exercise is often necessary. The modern orthodontist tries not only to correct the dental arch so that it will function normally, but he also considers the growth and development of the surrounding tissues of the head and neck.

No one should take up orthodontia as a life work, according to Dr. Enholm, unless he understands and loves children. The practitioner must win the child's confidence and respect at the outset. There is nothing terrifying or painful in the treatment, and most children enjoy their frequent visits to the office, becoming greatly interested in the different appliances used. Incidentally the doctor amusingly remarked that the only painful thing in the process was the effect on father's pocket book.

It is well that children should undergo treatment before the age of fourteen and five is sometimes not too early to start.

In conclusion, Dr. Enholm said: "It is the opinion of many orthodontists that the proper muscular exercises given after points of interferences have been removed do as much if not more for the child than the appliance. This particular phase of orthodontia treatment was first brought to the attention of the profession by Dr. A. P. Rogers, of Boston. His untiring study and work in this type of treatment called muscular training, or living orthodontia appliances, is one of the greatest accomplishments in orthodontic treatment in the past twenty years."

The Christmas meeting of the Club next Monday will be a joint meeting with the Watertown club at the usual Newton meeting place, the Braeburn Club at West Newton.

Tuberculosis seals will always be a
popular and profitable form of in-
vestment. They are useful and ornamental
and returns from them are
used on an all-year-around basis to
insure health and relieve suffering.
Having purchased your Christmas
gifts and contributed generously to
the Community Chest do not forget
to purchase Christmas Seals. They
are sold in Newton to help maintain
standards of health in the care and
prevention of tuberculosis in New-
ton.

Stearns School Center Giving
Annual Christmas Party

The Directors of the Stearns School
Centre held the regular monthly meet-
ing on Monday morning, December 17,
at the home of Miss Lucy Cobb, 244
Franklin Street, Newton. Mrs. Ce-
cil W. Clark, President, was in the
chair.

Following the regular business,
plans for the annual Christmas party
being given today to one hundred
twenty-five children, were discussed,
as were the many other Christmas
activities which have been planned for
the entire week. Volunteer workers
from Lasell Junior College, Newton
Theological Seminary, Emerson Col-
lege of Oratory and Miss Wheelock's
School are assisting in the plans to
entertain the Mothers' Club and the
various Clubs for boys and girls.
Miss Helen Sandstrom, social work-
er for the Center gave a very graphic
report of the many activities which
are being carried on through this me-
dium. Through the efforts of the Center
and the splendid leadership of
Miss Sandstrom about 1400 boys and
girls are being cared for and super-
vised in the many clubs and organiza-
tions which this Center sponsors.

Pomroy Home Receives
\$100 From Radio Robins

Mrs. Florence Wood Russell, direc-
tor of the Radio Robins, has announced
that the proceeds of the opera "Sleep-
ing Beauty," given last Saturday,
amounted to just \$100, which amount
has been donated to the Pomroy Home
for Girls. The Children's Club of
Newton Centre and their director
thank all who helped to make the
opera a success and enabled them to
make this gift to the home.

M. C. O. F. SOCIAL

Middlesex Court No. 60, M. C. O. F.,
will hold a Christmas Social on Wed-
nesday evening, Dec. 26th, at Elks'
Hall, Centre st., Newton. Miss Mary
T. Shea, C.R., is Chairlady, and is
being assisted by the Officers of the
Court, the Good of the Order Com-
mittee and the following Past Chief
Rangers: Thomas F. Fitzgerald, Kath-
ryn C. Hannon and Margaret Val-
ney. Miss Eleanor G. Mulcahy,
P.C.R., is Chairman of the Good of the
Order Committee.

Y. M. C. A.

The Christmas vacation program
plans for the members of the Boys'
Department will start this evening, at
7 p. m. with a Christmas Party for
all members. This party is an an-
nual affair to which each boy brings
a toy as the cost of admission. The
evening will be spent in games with,
of course, the ever welcome swim in
the pool. After the party the toys
will be delivered to the Newton Wel-
fare Bureau for distribution.
On Saturday, December 22, a group
of boys will leave the Y. M. C. A.
for a trip through the Newton War
Memorial.

On Monday, December 24, a group
will leave at 9:30 a. m. to visit the
Museum of Natural History, the Hun-
tington Ave. Y. M. C. A. and the Bos-
ton Public Library before returning
to the "Y" late in the afternoon.
On Tuesday, Christmas Day, as is
the custom, the building will be closed
all day.

Wednesday morning, December 26,
will give the boys an opportunity to
try out their new Christmas sleds and
skis as a sliding party has been ar-
ranged for them. In case of weather
conditions preventing sliding, a pro-
gram of games will be arranged with
prizes for the boys making the best
showing.

able at that time to provide that mu-
nicipal salaries and wages be reduced
proportionately. Of recent months,
however, the cost of living has in-
creased substantially, and threatens to
still further increase before another
year rolls around. National, State and
many units of local government have
already restoration, and it seems only
reasonable for Newton to take similar
action at this time. While our reduc-
tion was modest in comparison to the
general average, it was kept to the
smaller percentage—7½ per cent—
purpose, so that restoration might
more comfortably be made at the prop-
er time.

"While I do not yield in my belief
that government should balance its
budget and practice the strictest econ-
omy, I do believe that as far as the
City of Newton is concerned, this is
not the particular direction in which
we should economize during 1935. The
increased cost of living and the fact
that, in my judgment, we cannot fair-
ly ask Newton's employees to perform
similar services for less than in gen-
eral is being offered elsewhere, have
brought me to this conclusion."

Telephone Operators Bring
Christmas Joy to Children

The operators of the Centre New-
ton Exchange of the New England
Tel. & Tel. Co. gave a Christmas
party on Thursday afternoon at four
o'clock at the exchange offices, to
nineteen needy children. There was
a Christmas tree and Santa Claus and
an entertainment consisting of violin
solos, tap and toe dancing and story
telling. Luncheon consisting of ice
cream and cake, hot, was served. Each child
was presented with a Christmas Stocking,
and a bag containing a new coat and
hat, shoes, two suits of underwear,
and two pairs of stockings. Transpor-
tation was furnished for the children.
The operators at Centre Newton have
given this children's party in place of
their own Christmas party for the past
three or four years and the funds are
provided from money saved through-
out the year, their welfare fund and do-
nations from the girls. In addition to
the children's party they are also
sending out baskets containing Christ-
mas dinners to ten needy families.

Highland Glee Club to
Carol Christmas Morning

The Highland Glee Club will observe
again this year its usual custom of
singing Christmas Carols early Christ-
mas morning in various parts of New-
ton.

At least thirty-five members of the
club will gather at Newton Highlands
Square at four o'clock and will make
about twenty stops along the way, in-
cluding Newton Highlands, Waban,
Newton Centre, Newtonville, Newton,
Peabody Home for Crippled Children,
Baptist Home on Commonwealth ave.
The final visit will be at the Newton
Hospital where the carollers will sing
both outside and inside the hospital
buildings.

At approximately five-thirty they
will have breakfast at the home of
Mr. William P. Underhill on Monad-
nock rd.

The club will be led by Mr. D. Ralph
McLean, the director, and will be as-
sisted by four trumpeters.

WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

Christmas Eve Celebration

Once again there will be the delightful Christmas Eve celebration in which various community groups and the Newtonville Woman's Club co-operate. From 7:30 to 8:30 o'clock on Monday evening, the 24th, there will be the "Community Sing" and the lighted Christmas tree on Washington park, Newtonville. The program will open with a concert by members of the band of the Newton Chapter, Order of DeMolay and trumpeters. The music is under the direction of Mr. Frederick W. Briggs who inaugurated the caroling on Beacon Hill some years ago. The various churches of Newtonville are sending groups of young people who will lead the caroling in which everyone is cordially invited to participate. During the singing there will be reproductions of well-known Christmas pictures in the entrance of the Newtonville Woman's Club House. This program sponsored by the Christmas Community Singing committee, of which Mrs. Percy E. Woodward is chairman, will be given early in the evening so that it may be enjoyed by a larger number than could attend at a later hour.

Much interest is being manifested, also, in the ERA Concert which has been arranged by the Music committee of the Club for the afternoon of January 6th, at the High School Auditorium. Each of the participating groups, the Chorus of Boston and the Orchestra of Newton, is most favorably known for its very artistic work. The program will be varied in its selections, so that the musical tastes of all will be satisfied.

The Art committee is most anxious to foster the community interest in the creche as an integral part of the Christmas celebration, and this exhibit was a most auspicious example of that aim.

The Annual Sons' and Daughters' Day of the Newton Centre Woman's Club will be featured on December 28th, at 1:30 p. m. A social and coffee hour will precede the meeting, which will open at 2:30 p. m., with the president, Mrs. George W. Smith, presiding. After a short business meeting, the program committee will present Bradford Washburn, who will give a lecture, entitled "Alaskan Adventures," illustrated by motion pictures. After three summers spent in the vicinity of Mount Fayerweather, Mr. Washburn brings the story of his successful ascent this summer of a mountain peak hitherto considered impregnable. The tea hostesses will be Mrs. C. Marion Chandler and Mrs. Samuel H. Crawford.

W. Newton Jrs. To Give Bridge

Miss Priscilla Hay, president of the West Newton Women's Educational Club Juniors, announced at the regular meeting of the "Mother Club," held on Friday, November 23rd, that there would be a Bridge Party at the home of Mrs. D. Earle Brackett, 420 Waltham street, West Newton, on Thursday, December 27th, at 2:30 p. m. The proceeds of the Bridge will go towards purchasing necessities for the baby that the Juniors have "adopted". This is the first of the money-making projects of the Juniors this year and it is hoped that the Bridge will be a success. Tickets may be obtained from Miss Hay, 18 Warwick road, West Newton.

The soft glow of many candles in old brass candle holders illumined the Newton Highlands Woman's Club Workshop on Sunday afternoon, Dec. 16th, when the Art committee in collaboration with the Garden Unit presented the Annual Creche Exhibit. The odor of freshly-cut evergreens, and the flickering light lent a touch of realism to the many little figures in the creches, which ranged in size from less than an inch to the seven-inch figures in the exhibits lent by Mr. Douglas Sloane and Mr. Ernest Weaver.

Christmas Thoughts

Be glad of life because it gives you the chance to love and to work and to play and to look up at the stars; be satisfied with your possessions but not contented with yourself until you have made the best of them; despise nothing in the world except falsehood and meanness, and fear nothing except cowardice; be governed by your aspirations rather than your dispirits; covet nothing that is your neighbor's except his kindness of heart and gentleness of manners; think seldom of your enemies, often of your friends.

Henry Van Dyke.

camel caravan wending its way along the rocky road.

No less lovely, though on not so elaborate a scale, was Mr. Weaver's creche with its amazingly life-like figures and accurate proportions.

The Art committee is most anxious to foster the community interest in the creche as an integral part of the Christmas celebration, and this exhibit was a most auspicious example of that aim.

Newton Junior Community Club

At 3 o'clock on the afternoon of the 11th, the Newton Junior Community Club met in the Hunnewell Club, Newton. The treasurer's report showed there was \$17.25 in the treasury and prompt payment of dues, which are 50 cents, was requested. This year only \$2.50 was made on the sale of turkey, but the reason for this was the repetition of last year's sale. Toys, old and broken, were solicited from the members to be refurbished and to be used for the Children's Party. Miss Gertrude Spiers was the chairman of this committee and those having any toys available, were asked to notify her. This Annual Christmas Party, managed by the Juniors, was to be presented at the Underwood School Auditorium at 2:30 p. m., on the 20th. Twenty-five dolls and twenty-five games were to be given to the children from Nonantum as well as a magician performance and refreshments for their entertainment. The younger brothers and sisters of the members, and the children of the Senior Club members were invited to the performance. At this annual Christmas Party, all members of the Club assist.

Mrs. Arthur W. Mansfield asked for volunteers with cars to help deliver Christmas baskets, and also requested the girls' assistance in the Conservation Program to be presented by the Senior Club in March. A new feature is the admittance of Juniors to Senior Club meetings by the presenting of a ticket, showing their membership. This allows the girls to attend a meeting in which they are particularly interested. Miss Betty Tobey, chairman of the Play committee, announced the play, "Miss Adventure," a three-act comedy with the following cast: Jo Carter, played by Betty Tobey; Albert Brown, Rosalind Lewis; Betty, Marjorie Gilbert; Sue, Eleanor Collins; Peggy, Eleanor Lord; Sarah, Minnie Spiers; Rebecca, Marian Fraser; and Cyrus, by Cynthia Southworth. The play is being coached by Mrs. John F. Gilbert, of Newtonville.

After the business meeting adjourned, the Club was entertained by Mrs. Harry B. Hill, accompanied by Mrs. Arthur W. Mansfield. After hearing "O Little Town of Bethlehem" and "Away in a Manger," the girls heard Miss Virginia Marshall, of the Emerson School of Expression, give "Jean Duprez," by Robert Service. This was followed by the singing of "My Dear Jerushy," by Mrs. Hill, and by three selections from A. A. Milne, by Miss Marshall. Everyone joined in the singing of the well-known Christmas carol, "Silent Night." The tea that followed was given by the Club's advisors, Mrs. Arthur W. Mansfield, Mrs. Charles E. Barba, Mrs. Martha Holmes, and Mrs. Garret Schenck, Jr.

Newton Community Club

"Foreign Foods" was the subject of the lecture presented by Charlotte Raymond, nutritionist of the Newton branch of the American Red Cross, before the Newton Community Club on December 13th.

A great variety of Italian, Jewish, and Near-Eastern food was on display. Miss Raymond explained how climate influences the diet of a country. In warm climates, where conveniences for keeping food fresh are limited, milk is made into cheese, fruits are dried, and meats are spiced and pickled. Dark Italian bread, unleavened Jewish bread, Sesame seed oil from the Near-East, fruit, vegetables, cheese, nuts, cakes and candy were some of the many foods exhibited. Among the Italian sea foods were a very black eel, razor clams, and an octopus.

At the close of the lecture, which was instructive as well as extremely entertaining, the audience was invited to sample or to carry home any of the foods which appealed to them.

The music for the afternoon was furnished by Miss Janet Tutthill, Pianist. The first of her four very enjoyable selections was "Improvisation," by MacDowell, and her last was "Valkyrie," by Mokrejn. A number giving four variations of "Mary Had a Little Lamb," by Edward Ballantine, played in the manner of Mozart, Beethoven, Schubert, and MacDowell, was most amusing.

The tea table hostesses were Mrs. Lawrence Garven, Mrs. Wallace Wales, and Mrs. Frank E. Wing. The Community Service committee, Mrs. Arthur J. Mansfield, chairman, exhibited some of the dolls dressed by Club members for the Junior Christmas Party of December 20th.

The Public Health committee, Mrs. Harold L. Higgins, chairman, announced a course of three lectures to be given at 322 Franklin street, January 14th, 14th, and 25th at 2:30 p. m. This Child Study Class will have for its first speaker Dr. Margaret Glendy, a Boston child specialist, and "Child Health Problems" will be her subject. The second talk, "Tasty Meals for Children," will be given by Miss Mildred Carlson, a dietitian who broadcasts over WBZ several afternoons weekly. The third talk, "Constructive Play," will be given by Mrs. Breaht Decker, a director of play and recreation at the Winsor School, and Mrs. Sloan of the Children's Library who will speak on "Constructive Reading for Children." Each talk will be followed by a discussion and question-naire. Mothers of children under ten years of age, whether Club members or not, are invited to join the Class. Tickets for the series of lectures are

On Friday, December 28th, the West Newton Women's Educational Club will hold its regular meeting in Odd Fellows Hall, West Newton, at 2:30 p. m., with Mrs. Edgar P. Hay presiding. Mrs. Ottilia Netsh Tuttle, an accomplished Violinist, of pleasing personality, will be the guest artist. A group of readings will be included in the afternoon's entertainment. At the conclusion of the meeting, refreshments will be served by the Hospitality committee, of which Mrs. Carl Thomas is chairman.

The "American Home" Day of the Club, which was held on Friday, December 14th, proved to be unusually enjoyable to members and guests alike. In the morning a large number of attractive household articles, such as aprons, luncheon sets, pillows, and towels, all of which had been made by the American Home Class, were sold, together with candy, cake, jellies, and preserves, Christmas cards, and novelties.

The speaker of the morning, Miss Marion Knauer, of the Shepherd Worsted Mills, was introduced by the chairman of the Day, Mrs. Joseph A. Otis. The subject of Miss Knauer's lecture was "The Story of Yarn," which she told in a most interesting fashion. At the same time she had on exhibition samples of wool in its various stages, from the wool as it is sheared to the finished product. The (Continued on page 9)

Missionary To Take Moving Pictures in Orient

When Dr. Wynn C. Fairfield of 359
Cabot Street, Newtonville, starts for
China and Japan, Saturday, Dec. 22,
for a seven months' trip, he will carry
with him a moving picture camera.
A fund of \$50 toward the expense of
film has been presented to him by the
Men's Class of Central Church, New-
tonville, and by the Central Club.
Dr. Fairfield is the leader of the Men's
Class. Dr. Fairfield will take pictures
of things in which these men are par-
ticularly interested, as well as film for
the American Board of Commissioners
for Foreign Missions, of which
he is a secretary and which he repre-
sents in this journey.

While in Japan and China Dr. Fair-
field will be in close contact with se-
cretaries of other boards of foreign
missions, including Dr. Frank T.
Cartwright of the Methodist Board
and Dr. George T. Scott of the Pres-
byterian Board, looking toward closer
co-operation between the work of these
three denominations in China, partic-
ularly in the field of rural work and
Christian higher education.

As chairman of the Rural Missions
Co-operating Committee, in which 15
of the leading foreign mission boards
of North America join, Dr. Fairfield
has been asked to confer in Tokyo,
Japan, with the Rural Work Commis-
sion of the National Christian Council
of Japan. These two bodies are plan-
ning together for a combination of
resources for rural Christian work in
Japan, which will make possible in
at least one center a comprehensive
approach to rural life and a training
center for Christian rural workers.
He will also attend the annual meet-
ing of the Japan Mission of the Amer-
ican Board and possibly a special meet-
ing of the National Christian Council
of Japan.

While in China Dr. Fairfield will
visit the four union universities and
the Union Hospital, in which the
American Board has a share and of
which he is a trustee of four. He
will attend the 75th anniversary of
the beginning of American Board work
in North China in 1860 and the bi-
ennial meeting of the National Chris-
tian Council. He will also visit his
old field of Taiku in Shansi Province,
where he served for 18 years and the
new National Christian Rural Center
in Lichuan, Kiangsi, where gifts of
leading Chinese Christians are sup-
porting rural reconstruction work
carried on by recent college graduates
under the direction of leaders from
the Mass Education Movement. He
expects to return to Newtonville about
the middle of July.

Woman's Bible Class Holds Annual Party

"The Last Christmas," a one-act
play, was presented by a cast of eight
members of the Bible Class of the
Newtonville Methodist Episcopal
Church at the annual Christmas
party of the class on Tuesday evening,
at a gathering of about 150 guests.

Lucile, the orphaned niece of the
Misses Maria, Lucretia and Sophia
Malley, is coming home for Christmas
for the first time since her marriage,
and the scene opens in the Malley
living room, where the three aunts
are trying to plan a way to make the
meager contents of their larger last
during their niece's stay. On Jan. 1
their old home and its contents are
to be sold at auction.

Lucile complicates matters by ar-
riving with three members of the
Willis Stock Company whom she has
greatly stranded at some way station.
Maggie, the cook, who has been in the
home for years, to find some way out
of the situation. Before Lucile and
her guests arrive this honest soul tells
her employers that they are too poor
and have denied themselves too much
for their niece. However, the day is
saved for everyone when Lucile opens
a chest left her by her father and
keeps for her until the present. Not
only does she find much of value for
herself but money, valuable papers
and jewelry for her aunts.

The members of the cast, who were
coached by Miss Alice M. Nelson,
were Mrs. Carl L. Swan, Mrs. Louis
W. Bruemmer, Mrs. Warren K. Brim-
blecom, Mrs. Arianna Cortis, Mrs. E.
G. Davis, Mrs. Howard C. Thomas,
Mrs. Edwin P. McGill and Mrs. Harry
F. Keiser.

Prof. W. J. Lowstuter, the class
teacher, led the candle lighting service
after giving a delightful interpreta-
tion of its meaning. The guests of
honor, two students from the Boston
University School of Theology and
their wives, were welcomed by Mrs.
C. E. Thying, the president. Mrs. Wal-
ter F. Burt and her committee served
sandwiches and coffee, cake and candy.

Hit Unlighted Traffic Signal; Claim Damages

Claims have been entered against
the City of Newton by Charles G. and
Nettie Whitcomb of Tremont street,
Newton, for personal injuries and
damage to an automobile resulting
from a collision on the night of No-
vember 17 when the car hit the traf-
fic beacon at Commonwealth avenue
and Auburn street, Auburndale. The
plaintiffs allege that the beacon was
not lighted.

Auto Hits Woman At Newton Centre

About 5 p. m. Wednesday a car
driven by Margaret Curtis of 12
Avondale road, Newton Centre, hit
Mrs. Eugene Phillips of 12 Nathan
road, Newton Centre, who was cross-
ing Union street near the latter
depot, slightly injuring her. Mrs.
Phillips was carrying an umbrella at
the time of the accident.

Mr. Rogers is confident that while
the entire amount desired has not
been raised to date, nevertheless this
third campaign was so managed and
so directed that the results will be far
reaching. He believes the Commu-

Glee Clubs Combine For Fall Concert

The annual fall concert of the
Highlands Glee Club was given Tues-
day night in the auditorium of the
Newton High School before a large
and appreciative audience of nearly a
thousand persons. The local singers
were assisted in the concert by the
Wollaston Glee Club and the Amphion
Glee Club of Melrose. About two
hundred musicians took part in the
joint concert by the three clubs. The
program, which was rendered in a
manner which thrilled the large au-
dience, included a variety of selec-
tions by famous composers.

The guest artist of the evening
was Miss Elizabeth Travers Benke,
pianist. Miss Benke played a num-
ber of selections which added to the
success of the concert program.

The Highlands Glee Club won first
prize last May at Hartford, Conn., in
competition with twenty-seven other
clubs of the New England Federation
of Glee Clubs.

On Sunday evening the club will
present its annual Christmas concert
for the nurses at the Newton Hos-
pital.

Christmas Sunday Services at Central Church, N'ville

Christmas Sunday will be observed
at Central Congregational Church,
Newtonville, on the 23rd with special
services both morning and evening.
All the departments of the Church
School will meet at 9:45, there will
be a special departmental service for
all the departments from Kindergarten
through the Junior Department, in the
Social Hall, which will include an
unusual presentation of Christmas pic-
tures on the stage. The Intermedi-
ate and Senior departments are
considering the theme "The Living Christ-
mas Spirit," and are bringing toys
and clothing to be distributed among
the needy of the parish.

The morning worship will begin 15
minutes earlier than usual—at 10:45
—with the singing of carols by all
three choirs in the balcony of the
church. Special anthems by the
choirs and the solos of Mr. Field will
assure a rich musical service. Mr.
Merrill will give a Christmas story
to the junior members of the congre-
gation.

Sunday evening at 7:30 a pageant
entitled "Christmas Lights" will be
presented in the church, with mus-
ical accompaniment. This is a new
pageant prepared by Mrs. Percy
Woodward and is somewhat in the na-
ture of the old miracle plays. The
service will close with an impressive
candle lighting ceremony. All mem-
bers of the parish are invited to partic-
ipate in both morning and evening
services. There will be no evening
meetings of the Junior High Society,
Young People's Society or the Sunday
Evening Club this Sunday, in order
that these groups might attend the
Christmas service.

Christmas morning at 10:30 a Service
of Praise will be held in the
church for about three-quarters of an
hour. Mrs. R. S. Merrill will sing
carols and there will be a brief ad-
dress.

NEWTON FREE LIBRARY

The following books have recently
been added to the Art Department of
the main Library:—

Antiques and Their History, by L.
J. Buckley.
Antiques and Their History is a
publication which should prove inval-
uable to the collector. The data, il-
lustrations, and Chronologies make
up a most worth while content.

Dutchess County Doorways, by Helen
Wilkinson Reynolds.

Dutchess County Doorways will
arouse, for many, pleasant memories
of the picturesque Dutchess County
of New York. The interesting ac-
counts of houses, places, and people
are enhanced by two hundred and four
artistic reproductions.

The Logic of Modern Architecture,
by R. W. Sexton.

A book interestingly written, and
fully supplied with pictures and archi-
tectural plans ranging from the small
house to skyscrapers. The final chap-
ter touches on modern interior dec-
oration.

Male and Female Costume, by Beau
Brummell.

The introduction, which takes the
form of a short biography, introduces
the famous Beau Brummell to its read-
ers. Black line drawings, together
with the history of male and female
costume from Greek and Roman times
to the nineteenth century, make up
the main material.

The Modernists and Post-impres-
sionists, by Adolphe Basler.

Companion books dealing with ar-
tists who were contemporary, but
whose work, or style of work, placed
them in somewhat different classes.
Seventy-three illustrations in each
book supplement the reading material.

A NEW HIGH SCHOOL

One of the major questions which will be confronting the School Committee within a very few years is the question of providing additional facilities for high school pupils. The third of the group of buildings in Newtonville which was opened in 1927 was estimated to take care of the situation for approximately ten years. After seven years the situation shows signs of becoming acute. If the high school age limit is raised to sixteen years instead of the present limit of fourteen, as has been proposed, there will be an additional increase in the number of pupils attending our high schools. Land and buildings are costly and the taxpayers are already carrying a burden that needs lightening. Along with the question of providing additional high school facilities will come anew whether or not a high school plant should be constructed on the south side of the city. Admitting that such a plan may have advantages we would point out that the two high school plan has many disadvantages. It duplicates much administration expense, it often raises class prejudice, and it tends to break down co-operation for the common good. Here is a question over which the School Committee will spend many hours.

NO CHANGES IN WARD LINES

The Board of Aldermen have acted wisely in refraining from making any changes in the ward lines at the present time. During the present year the city had the opportunity under the laws of the Commonwealth to make changes in the wards without the necessity of seeking special legislation. The city, however, could only alter existing lines. The problem, as we see it, goes beyond this and to accomplish a desirable solution new wards must be created. Special legislation would be necessary at any time for such changes. No one will deny that Newton has grown tremendously since the present ward lines were adopted. No one will deny that in the ordinary course of events growth in population in any municipality is in the end accompanied by a larger number of political subdivisions. Can anyone deny that we are going to face the question of creating more wards in Newton? The matter is one of considerable importance. It should not be dropped entirely. Continuous study of the problem should be made, in order that the most equitable solution may be reached.

THE HAMMOND PARKWAY

There is considerable to be gained and little to lose in postponing the continuation of the Hammond Pond Parkway from its present terminus at Beacon street to Commonwealth avenue. The new roadway was not opened to traffic until late in the summer and the new turnpike near the Newton-Brookline line is not entirely completed yet. Undoubtedly the new Parkway will be used more and more as motorists become acquainted with it. The spring and summer months should provide plenty of opportunity to determine how heavily traveled the road will be, what the destination of the traffic is, and how much of it could normally be expected to use a connecting link with Commonwealth avenue. After a more definite answer to these questions is available we will be better able to judge the merits of the proposed routes. Meanwhile it does not seem unreasonable to ask the Legislature to extend the time limit in which the unexpended balance of the appropriation of funds may be used.

MERRY CHRISTMAS TO ALL

Aldermen Make Appropriations

At the meeting of the Board of Aldermen on Monday night the following appropriations were made—Street Department, sewer in Bruce Lane, \$4756; sewer in private land from Bruce Lane to Lancaster rd., \$2117; drain from Hawthorn Playground to Crafts st., \$11,174; automobile maintenance, \$1500; Playground Department, badges and other expenses in control of skating at Bulbough's Pond, \$350; Executive Department, Emergency Relief Administration, \$1100; Assessors Department, taxes for Webster Playground, \$106.40; Water Department, water mains in Gerard Court, \$475; Bruce Lane, \$1105; ERA project at water reservation, \$2,500; Welfare Department, poor out of city infirmary, \$5000; Law Department, settlement of claims—land damage in connection with sewer near Bruce Lane, \$261; damages from blasting on high level sewer, Louis Aronson, Claremont st., \$200; Margaret Dwyer, Tremont st., \$300; Rev. Ray Eusden, damage to automobile, \$14.05; Lucy Kenna, damage to automobile, \$6.25.

On recommendation of the Claims and Rules Committee the Aldermen refused to grant the following claims—Agnes Quigley for fall on icy sidewalk; Norman Dow for personal injuries; Mrs. P. Bianchi for damage to property at 14 Silver Lake ave. caused by water; Minute Man Publishing Company, Newton Centre, for damages caused by broken water meter; Angelo Mazzarelli, Mrs. Kate Proctor and F. J. Falvey for damages to automobiles caused by alleged defects in streets.

Alderman Cronin inquired why some of the claims for damages to automobiles were turned down and the Eusden and Kenna claims allowed? Alderman Grebenstein, speaking for the committee, explained that a hole in Centre st., opposite number 666, made the city liable for a broken spring on Rev. Eusden's car; and a depression on Commonwealth ave., near Washington st., caused damage to the Kenna car. He said that in the case of the Kate Proctor claim, there was no hole in the street and the amount of the damage was not stated.

Alderman Temperley asked why the claim of the Minute Man Publishing Company had been rejected? Alderman Grebenstein replied that the water meter which broke and caused the damage had been regularly inspected and thus the city is not liable. Alderman Temperley said this did not prove that the city is not liable. He asked that this matter be referred back to the Claims & Rules Committee for further consideration. Grebenstein objected and Temperley's motion was lost. Alderman Cronin asked for more information on this matter. Alderman Grebenstein said that the City Solicitor had stated that someone else might be liable for the defective meter. President Collins said it might not be expedient to discuss this matter in the open meeting. Alderman Cronin then withdrew his question. Apparently there is something mysterious about the defective water meter. The Board voted to sustain the report of the committee and refused the claim. Alderman Mansfield and Temperley were the only members to vote in the negative.

A communication was received from the Newton Planning Board recommending that the petition of the Thomas Mullen estate and others for the change of the area bounded by

Analysis of City Election

Prior to the election on Dec. 11 it seemed to me that there were four contests out of thirteen which would bear watching very closely; the McCabe-Lee battle in Ward 1, Lyon vs. Dooley in Ward 2, Guzzi vs. Smith in Ward 3 and Colby vs. Greer, Drake and Manning in Ward 7. As we saw it, these contests revolved about two major issues—the potency and the propriety of City Committee endorsements and the more general issue of the old order of things against the new. Various interpretations may be placed upon Major McCabe's victory by a margin of 518 votes out of 6,896 cast. Those who were in the heat of the battle and who were irritated by the railroad endorsement of Lee by the Republican City Committee will, of course, tell you that Lee's defeat was a shattering blow to the prestige of the committee. There is much to be said for that point of view. Others will tell you that Mayor Weeks' personal desire for McCabe's election, announced in this column and elsewhere in the GRAPHIC, carried great weight and overbalanced the value of the City Committee's endorsement of Lee. There is much to that contention also. Still others will be critical of the Ward 1 Committee and blame them for the original mix-up. It is even rumored that this committee is not truly representative of the thoughts and desires of the majority of the residents of Ward 1. Maybe so, but it looks as though they had the right idea when they originally endorsed McCabe by a 6-4 vote, prior to the G. O. P. Committee's unexpected recommendation of Lee. Incidentally, McCabe carried Ward 1 by a vote of 770 to 276. Even Ward 7, where Lee had his heaviest backing, treated the Major well, giving him 388 votes to 459 for his opponent.

All these considerations leave out the merits of the two candidates and the mood of the voters throughout the city. It is my studied opinion that Major McCabe's greater maturity and experience plus the determination of the voters to strengthen the Board at a critical juncture really decided the issue. Lee, however, is a very attractive and capable man, who will be heard from again. It will be a pleasure to support him under ordinary circumstances.

The other three contests listed above revolved about the issue of the old order against the new. Twenty years ago—even ten, perhaps, men of the Lyon and Colby type and experience would have been hand-picked, nominated and elected without a murmur. Today such men are forced to battle all-comers, regardless of merit or capacity. It must be discouraging, to put it mildly, and it is greatly to their credit today that men of their standing in the community are willing to commit political har-kari. Now, if Lyon or Colby had been defeated, I would have considered it a very significant as well as unfortunate. However, they won handsomely. Lyon by a vote of 4,087 to 2,980 and Colby by 3,155 to 1,637 for Manning, 1,528 for Greer and 656 for Drake. The

Ward 2 contest provided the most clean-cut measuring-rod, for this was a two-man proposition. The result was never in doubt although Dooley waged an aggressive campaign. In Ward 7 Colby had an easier time than many had anticipated. In the first place, the opposition was split three ways. Greer did not run as well as expected, especially after releasing his list of endorsers—a supposed ten-strike. Manning developed unexpected strength from some quarters, no one seems to know just where—and Paul Harris Drake was more or less lost in the shuffle. On election afternoon, it was reported that Drake was running strongly, but it must have been in the direction of his own goals.

The real high-spot of the election, however, was the relatively easy victory of Alfred R. Guzzi in the contest for Ward Alderman in Ward 3, the home of Mayor Weeks, Charles E. Hatfield and other distinguished citizens. Guzzi stated at the remarkable Columbus Hall rally on Dec. 10 that he would "K. O." Smith (O. K.). Whether this wise-crack made votes for Alfred is immaterial. The point is that he called his shot. However, the issue was not sharply joined in this contest—Smith admittedly being a rather weak candidate, who had not been hand-picked by any group for the purpose of stalling the Guzzi machine. As matters turned out, it would have taken a pretty strong candidate to stop Guzzi this year. His constant and intensive campaigning bore fruit. Smith, of course, had some backing from individual members of the Republican Ward 3 Committee, but it was not unanimous or unduly enthusiastic. Incidentally, while it is true that Guzzi did not receive a clear majority of the first choice votes—848 votes as against 1,007 for his two opponents—the polled 215 more votes than Smith. Adding first, second and third choice votes, we find that the new Alderman had 952 votes—Smith 714 and McEneaney 532. It is obvious that ambition, energy and persistence will always be recognized, although in this instance Guzzi has had to be very patient. I congratulate the young member elected to the Board and wish him all the success in the world.

Finally, a few words regarding the School Committee results. Frankly, I am of the opinion that the only live issue raised by those who endeavored to unseat the present incumbents was irrelevant. To be sure, the issue was camouflaged by some public utterances regarding the employment of married women and non-residents, but the line-up was not along these lines. One of the defeated candidates let the cat out of the bag when he said to me: "There have always been 7 Republicans on the School Committee—why cannot we have at least one Democrat? And now I pose a question for you all. Do you wish to consider our Newton schools conducted along educational, political or other lines? My preference is for the educational set-up. What is yours?"

About Town

By Edward H. Powers

We have been asked to comment on the lack of a shelter for persons who must wait for busses on Washington st. in front of Newton Hospital. Many persons who go to the hospital daily to visit patients, or as out patients, and who must travel by bus, are forced to wait for busses in cold or stormy weather without shelter. The bus elements. And the busses run only every 30 minutes. There is a small shelter on the opposite side of Washington st., but it is little used and is not practical to serve those waiting on the side of the street near the hospital. A shelter is needed and should be erected without undue delay. It would seem that here is a real opportunity for ERA workers.

One of the grandest lunar exhibits we have seen in years was provided yesterday afternoon, last night and this morning. At 4:30 yesterday afternoon the full moon was high in the eastern sky, brilliant even in the daylight against a background of dark clouds. Last night it shone majestically with myriads of scintillating stars adding to the glorious spectacle. And this morning at 5:40 the silver orb was still high in the western sky, at times breaking triumphantly through a solid mass of clouds and then creating an entrancing effect as the clouds veiled it.

Criticisms have been made, and justly, that members of families who Centre, Walnut and Boylston streets from residence to business zones not be granted unless the petitioners agree to releases of land for setback lines and waivers of damages.

No objections were received to the petitions of the Colonial Oil Company for a permit to install a 500 gallon fuel oil tank at 19 Centre avenue, Newton, and the Surety Cleaning Company to store 55 gallons of Varnelene at 957 Watertown street. The petition of L. F. Silversmith to erect a temporary real estate office at 1345 Beacon street, in a private residence zone, was held for further consideration.

The meeting adjourned at 12:30, following a two hour recess meeting in private, until the afternoon of January 1, 1935.

or other aid, should be exempted from payment of the 25 cent fee for unemployed, or receiving welfare skating privileges on Bulbough's Pond. And there should be no red tape or obstacles placed in the way of such exemptions. Especially when it is more than probable that the fee, to start with, is not legal.

Newton Centre residents stated at the hearing on the extension of Hammond Pond Parkway before the Board of Aldermen on Monday night, that there is very little traffic over that section of the parkway which was completed several months ago between Boylston and Beacon streets and there is still heavy traffic on Hammond street. This is not surprising. After a motorist has travelled once over the stretch between these two streets, with its grades, curves and unnecessary length, it is natural that he will continue to use the Hammond street route. Those responsible for the selection of this impracticable route, instead of the shorter, safer route first planned near the shore of Hammond Pond, can be blamed to a large degree for the failure of the new parkway to relieve heavy traffic on Hammond street.

WHERE WOMEN RUN THE STREET CARS

Valparaiso is Spanish for Vale at Paradise. This chief seaport of Chile dates back to 1535. Immediately behind the shore the hills begin to rise, reaching a height of 1,000 feet. The city, containing a quarter of a million people, is built on these hillsides. On clear days, Mt. Aconcagua, the highest point on this hemisphere, can be seen, towering above its Andean brothers. In this city women work as conductors on the street cars, which are double-deckers, 10 cents being the fare below and 5 cents above.

Santiago, the capital of Chile, is reached by train from Valparaiso. It is a delightful combination of Paris and Madrid and its location is second in beauty only to that of Rio de Janeiro. It is the terminus of the Transandine railroad from Buenos Aires. Santa Lucia Hill overlooks the entire city, a city where the women are extremely religious and the men inclined to agnosticism.

As Good As Ever

Ice skating never seems to lose its popularity and Heaven forbid that it ever should. Exhilaration, rhythm, color and grace are to be found wherever there is good skating, providing of course the place is not too remote, Youngsters, and some oldsters, too, dash out of the house with enthusiasm for an hour or two of sport. The best part of it is they return with even lighter hearts. Here's a type of amusement that hasn't changed, hasn't been modernized, cheapened or spoiled.

Today the young people do not have to explain how the game is played, for the old folks know all about it and probably can tell them a thing or two. In exchanging experiences all speak the same language. The only difference is the costume. Girls in "those days" did not wear corduroy trousers and mackinaw jackets, my dear, but they were happy just the same. Grandma carried her hands thrust in a muff and smiled demurely. Granddaughter now wields a hockey stick clasped in vari-colored mittens and shouts at the top of her voice. There was a little more dignity in the gay nineties and before, but the laughter, merry-making and flow of high spirits remain in the same high key.

Unofficial Don'ts

A lot of official "don'ts" have been published by the postal authorities, police and fire departments and others for our guidance in the matter of a happy observance of Christmas. They are O.K., but I am fully as pleased with my own. In fact I like them better. Here they are:

Don't keep trying to find out what kind of a hit your gift made or act as if you expected something of equal value in return. Remember a Christmas tree is not a trading post, or should not be.

Don't brag that you received the most wonderful article of that kind manufactured—except in front of the donor.

Don't ask people what Santa Claus brought them until you've made sure they fared pretty well. Otherwise you'll hurt their feelings and embarrass yourself.

Don't let children get the idea that by grasping, grabbing and chiseling all gifts possible they're going to have a swell time. Tell them in nice words that nothing gets as stale as too much of a good thing.

Don't kick if Santa Claus brings something you don't want. Remember those who'd be glad to get it and pass it along.

Don't be stingy and expect other people to be liberal. The mistake of overgenerosity is one of the few blunders that never brings regret.

Don't be too practical and don't be too silly in your giving. Give one of each and play safe.

"Why Didn't You Speak?"

Should you fail to recognize some very good friend when you happen to meet on the street don't let it disturb you. It isn't necessarily near-sightedness or absent-mindedness. More likely, and perhaps you hadn't thought of it, it is the weather. When the mercury is low, unintentional slights are known to frequently occur. It isn't that the vision is impaired. No, it's the mid-winter get-up of the other person.

Muffled in a heavy coat, a long part wound round the neck until it almost touches the nose and collar turned up, the closest friend is often unrecognizable. Then, too, both of you are "worrying, for who wants to linger outdoors when icy blasts are blowing. The swift gait therefore is a contributing factor.

There are some advantages for the one you may have passed in your haste may be inclined to stop and talk. If held-up on a freezing corner you are helpless if you don't wish to be rude. Not that I would suggest that you remain indoors. By no means. This is merely a good alibi you may find convenient when accused of having passed by without speaking.

Auburndale Youth Fined \$25 For Reckless Driving

Ray Russell, 19, of 12 Charles street, Auburndale, was fined \$25 in the Newton court yesterday for driving to endanger the lives and safety of the public. Russell was the driver of a car which on October 23 skidded and hit a pole at Washington and Eddy streets, West Newton. Five persons riding in the car were injured. Russell testified that the accident was caused by another car coming out of Eddy street without obeying the STOP sign.

CHRISTIAN SCIENCE

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, December 23.

The Golden Text is: "Lo, he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God of hosts, is his name" (Amos 4:13).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I am the Lord, and there is none else, there is no God beside me: I girded thee, though thou hast not known me. . . I have made the earth, and created man upon it: I, even my hands, have stretched out the heavens, and all their host have I commanded" (Isaiah 45:12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The universe, like man, is to be interpreted by Science from its divine Principle, God, and then it can be understood; but when explained on the basis of physical sense and represented as subject to growth, maturity, and decay, the universe, like man, is, and must continue to be, an enigma" (p. 124).

December's Birthday Flower

THE floral calendar gives holly as December's birthday flower and foresight as its meaning.

How appropriate! We bankers have observed that people show unusual foresight at this time of the year. Take the hundreds of Newton Centre folks, looking ahead to next Christmas, who start saving now for 1935 Christmas shopping money. That's foresight!

How about yourself? \$1 opens an account. \$1 deposits welcome, too.

Recent Weddings

HULSMAN—ELLIS

Miss Barbara Parks Ellis, daughter of Mr. and Mrs. Orran W. Ellis of Berkshire rd., Newtonville, was married last Saturday evening at 8 o'clock to Mr. William Howard Hulsmann of Boston.

Rev. Dr. Dwight Bradley, pastor of the Union Congregational Church of Boston and former pastor of the First Church, Newton Centre, officiated. The bride was given in marriage by her father. Only the immediate families and intimate friends of the young people were present.

Just before the ceremony Mr. John P. Stryker of Belmont sang "Oh, Promise Me," accompanied at the piano by his daughter, Miss Dorothy Stryker. Lohengrin's wedding march followed.

One attendant, Miss Barbara Lowery of Brookline, N. Y., a small cousin of the bride, served as bridesmaid. She wore pink and blue organza and carried a dainty basket of old-fashioned sweetheart roses.

Ivory satin with a tulle veil falling from a coronet held by orange blossoms fashioned the bride's gown. She carried a shower bouquet of white roses and lilies of the valley.

White chrysanthemums, with laurel and evergreens, in keeping with the Christmas season, formed a background for the ceremony.

The bride was graduated from Thayer Academy in 1928 and was a member of the class of 1932 at Wellesley College. Mr. Hulsmann, son of Mr. and Mrs. Lorne B. Hulsmann of Madison, N. H., formerly of Dedham, Mass., received his degree at Harvard in 1929, and completed his studies in 1931 at the Harvard School of Business Administration.

After a short wedding trip, Mr. and Mrs. Hulsmann will make their home in Brookline.

King Fun, Monarch of all Yuletide activities, entertained Newton Girl Scouts at a Frolic in Cabot's Woods on the afternoon of December 18th. With his Jester and four Pages, the King conducted a hunt for the Yule log, in which all the Girl Scouts participated. The hunters were divided into four groups, each led by a red clad page, and followed four trails laid through the wood to the spot where the gaily decorated Yule log was hidden. The first ten to reach the log were accorded the privilege of donning bright red caps, and bearing the log to the fire in a colorful procession led by the Jester. Pages bore the Boar's Head and a lighted plum pudding which were placed before the King. Carols were sung from gay song books provided by the John Hancock Life Insurance Company by the whole group assembled around the fire, and cocoa was served to each Girl Scout by members of the Newton Girl Scout Council.

Those who took part in the ceremony were: King, Fun, Harriet Bunker of Auburndale; Jester, Barbara Dales of West Newton; Herald, Helen Oldfield of Newton Upper Falls; Pages, Barbara Collins, Helen Hayden, Antoinette Meyer and Clara Schwab, all of Newtonville.

Troop 30 Entertains

The Girl Scouts of Troop No. 30 at the Sacred Heart School in Newton Centre, entertained their mothers and friends at a tea and exhibition in the school auditorium on Friday, December 14th. The exhibition included a demonstration of songs, games, a folk dance and other Girl Scout activities, as well as an exhibit of work accomplished by each member of the troop. Tables were loaded with delectable dainties prepared by the troop cooks, with articles of sewing and handicraft, with a model trail, with models of various types of outdoor fires, and with posters illustrating thrift and health.

After the demonstration by the troop, which was led by Miss Claire McCarthy, Captain of the troop, and the Misses Agnes Sullivan and Mary McDonald, lieutenants, the Most Reverend Francis J. Spellman, Bishop and Pastor of the Sacred Heart Church, spoke. Miss Caroline L. Freeman, Girl Scout director, and Miss Margaret Adams, troop captain were introduced and spoke briefly. Members of the troop served their guests with tea.

Members of the troop committee, who assisted with the arrangements for the party are: Mrs. Edward B. Sheehan, chairman, Mrs. G. Raymond Roberts, Mrs. Joseph Maloney, Miss Julia Dunn, Mrs. James Waters and Mrs. James R. Kennally.

Troop 6 Gives Christmas Pageant

Troop 6 entertained their mothers and friends at the Stearns School on Monday evening, December 17th. Thirty-five girls took part in a beautiful Christmas pageant depicting the Nativity. Members of the group, dressed as Angels, formed a choir and sang traditional carols, which were dramatized by the Shepherds, Wise Men and the Holy Family.

After the pageant, refreshments were served by members of the troop committee of which Miss Louise Lovett of West Newton is chairman.

League of Women Voters

The Newton League of Women Voters, a branch of the Boston League, held the last of its series of studies on the Legal Status of Women at the house of Mr. Waldron H. Rand, Jr., 139 Gibbs st., Newton Centre, on Monday, Dec. 17th. The director of the study was Miss Katherine Rand, L.L.B. The meeting was devoted to a discussion of various points not touched in preceding meetings and to the answering of questions suggested by those earlier meetings.

Constitutional privileges are the same for both women and men, such as the right to a jury trial, the right to be confronted with information as the nature of an accusation, protection against unreasonable search or seizure of property or of person, assurance of personal and religious liberty. But there are certain provisions intended for the protection of women, especially of women prisoners. The appointment of policemen who take especial cognizance of the conduct of women is one such provision.

The right of women to vote was conferred by constitutional amendment in 1920. It is amusing to see the gradual local steps by which this goal was approached. The right to vote in a religious society, to drive a coal cart, to serve as a fence viewer, to vote in matters of a school committee were all preliminary steps. The first complete suffrage right was conferred in Wyoming in 1869 as the organization of the Territorial legislature was proceeding. It came about in a droll fashion. Women had a scarcity value in those days among the little group of less than ten thousand persons who had applied for admission as a Territory. They had heard that Susan B. Anthony speaking on behalf of woman

suffrage in Baltimore, had been met by a shower of cabbages. Their chivalry was aroused and a provision for full suffrage for women was inserted in the territorial constitution and continued in that of the State, which was adopted in 1889.

Among the rights which are conferred by state action and which therefore may have been granted in some states and not in others are those of jury service and of appointment as notaries public. The latter has only recently been conceded in Massachusetts and the former is still to be secured. As there are comparatively few states in which women may not sit upon juries and as their right to do so in this one is constantly being pressed, a considerable amount of time was given to the presentation of arguments on each side.

In Anglo Saxon times a jury of one's "peers" was gathered from the men in the immediate neighborhood of the accused who were supposed to know him and to know whether he was likely to be guilty. Juries have now degenerated that they exclude large groups of intelligent men—ministers, doctors, teachers, lawyers and business men, when unusual business interests would suffer from their serving. Wives of such men would often be able to serve and would raise the level of the jury. They would often be much more nearly "peers" than some of those who now serve.

**Children's Theatre To
Present Christmas Play**

A Christmas play, "Little Madcap's Journey," written by Mrs. Larz Anderson will be presented by The Children's Theatre of Newton on Saturday, December 22nd, at 2 p. m. in the Newton Centre Woman's Club House. Nearly fifty children are in the cast and the beauty of costume and dance will make one of the most exquisite of all the plays so far presented by this talented group under the direction of Mrs. Everett W. Varney and Miss Barbara Lippincott. Mrs. Herbert Stanger is the coach of this play and Hazel Sands Welch is director of the dances. Mrs. Vernon Mattson is accompanist assisted by Mrs. Kirt-

ley Mather and Mrs. John Merrill. Little Madcap will be acted by Margaret Curtis. Others in the cast are Joan Carper, Peter Geisler, Joan Dierdorff, Jack Robey, William Cousens and Mrs. Herbert Stanger.

There are many dances interpreting dolls and mechanical toys. Earl Vaughan, Dana Seller, and Thomas Peebles are the gods of Thunder and Lightning. There are Tilly Tinkers and German Dolls, mechanical bears and sailor dolls. Patricia and Priscilla Taylor are Boudoir dolls. Jack Merrill will sing a sailor's solo. German dolls will be Elizabeth Pratt, Jane Hill and Hope Noyes.

Eight tiny little girls will interpret the snowflake dance. One of the prettiest of all the features are the baby dolls asleep in the big crescent moon. Santa Claus lifts them gently down and hands them big white dreams like balloons.

Mrs. Anderson will be present and speak. The words of the group were written for her by Julia Ward Howe.

On Christmas night for an hour and a half the group will broadcast over the World Broadcasting Station WIXAL.

WOMEN'S CLUBS

(Continued from page 4)

Exhibition of hand-knitted garments was in itself well worth seeing. Following the talk on yarns, a delicious luncheon was served by a special committee, of which Mrs. B. Howard Lester was chairman. She was assisted by Mrs. George H. Jackson as co-chairman.

The regular business meeting was held in the afternoon with the president of the Club, Mrs. Edgar P. Hay, presiding. She introduced the guest of honor, Mrs. John F. Capron, Twelfth District director, who brought a gracious message. Mrs. George H. Jackson then read a detailed report of the third Club Institute meeting of the State Federation held on December 6th.

The chairman of the American Home Class, Mrs. Joseph A. Otis, then took charge of the afternoon's program. The charming and appropriate Christmas play, entitled "Forgiveness," which was presented by members of this Class, was written entirely and produced by Mrs. Otis, who also designed and made all of the beautiful costumes worn in the tableau.

Newton Highlands C. L. S. C.

On December 31st the Newton Highlands C. L. S. C. will meet with Miss Marion B. Morse. A Special Day program will be in charge of Mrs. Edward G. Swift, Mrs. Isaac Goddard and Miss Harriet M. Ward.

Newtonville Woman's Club

The Newtonville Woman's Club entertained in their Club House on Washington park, on the afternoon of December 18th, sixty small boys and girls for the Annual Christmas Party. The entertainment was one of Magic presented by Mr. Bertram E. Adams and many an interesting trick was performed before the eyes of the astonished guests. After the refreshments were served by the Social committee, with Mrs. James D. Elliott as chairman, the little folks were visited by Santa Claus and his two small assistants, Miss Ophelia Cornejo and Master Billie Reed. Mrs. J. Walter Allen and her committee had prepared gifts of toys and clothing which surrounded a beautiful Christmas tree. When the Party was over, the Volunteer Service committee returned the children to their homes, tired, but happy that Santa Claus had really come to see them.

On Wednesday afternoon, December 12th, at the home of Mrs. Cecil W. Clark, Mr. R. V. Burkhard, principal of the F. A. Day Junior High School, spoke at a third in a series of Conferences on Education of the Newtonville Woman's Club, planned by the Education committee under the chairmanship of Mrs. Paul E. Elieker. Mr. Burkhard carried forward interpretations of the Newton Schools system as related to the Junior High School, and brought with him seven boys and girls representing the several clubs connected with their school, namely Charlotte Steitz, Winifred Batty, Barbara Patey, Harry Bond, Wallace Allen, Donald Emig, and Norman Ross, each of whom gave his or her impression of the benefit received from the club. Following the meeting, refreshments were served, with Mrs. Frank Simmons at the tea-table.

State Federation

RADIO. Tomorrow morning, the 22nd of December, on the State Federation broadcast over Station WBZ, during the half-hour 11:30 to noon Christmas Christmas will be brought to Clubwomen by Mrs. Robert B. Parmenter, Clerk of the Federation. She is known to many as the former State chairman of Conservation, whose delightful talks on flowers have been given with beautiful slides showing her collection of garden and woody spots. Another speaker will be Mrs. B. J. Whittemore, State chairman of Inter-Racial Unity, to the topic "Snapshots of Your Neighbor." Music will be by the Glee Club of the Hyde Park Current Events Club, of which Dorothy Kraus is director.

PRESIDENTS' TEA. There will be an informal Tea at the Headquarters of the State Federation 115 Newbury street, Boston, on Thursday, December 27th, when sixty-five club presidents, from all over the State, will be the guests of the Headquarters committee. These special afternoons, of which this is the third, are in charge of Mrs. Henry W. Hildreth, Headquarters chairman, and first vice-president of the State Federation. Their object is to acquaint presidents with Headquarters and to provide an opportunity for exchanging helpful suggestions. There is also a question period. Other members of this committee are Mrs. George B. Smith, vice-chairman; Mrs. Frederick S. Davis, Mrs. Ernest E. Doane, Mrs. Arthur P. Lewis, Mrs. William P. Smith, Mrs. Chester B. Kelly, Mrs. Frederick M. Prescott, and Mrs. F. S. Scales. Miss Ethel M. Eaton, in charge of Headquarters, lends her aid in making the afternoons the success they have proved to be.

PERSONAL NOTE. Mrs. Robert B. Parmenter, clerk of the Massachusetts State Federation of Women's Clubs, and adviser for its Department of Junior members, has been honored by the Garden Club Federation of Massachusetts by being made its chairman of Conservation. Mrs. Parmenter is a past chairman of the Division of Conservation and Gardens of the State Federation and a past president of the Arlington Garden Club.

BOOK LIST. Mrs. Charles E. P. Thompson, chairman of the division of Literature of the State Federation, has issued a folder giving a fall and winter list of new books on varied subjects. They include fiction, biography, description and travel, history, literature, mystery stories, philosophy-religion, Christmas plays and Christmas tales, poetry, plays for reading, a miscellaneous group, and another of general interest.

**Armed Intruder
Tries to Enter
Auburndale Home**

A man armed with a revolver demanded entrance to the home of Harry S. Cole, 19 Hawthorn ave., Auburndale, last Friday evening about 6 o'clock. Mrs. Michael McCarthy of 302 Webster st., West Newton, was alone in the Cole house, working in the kitchen, when she heard someone trying to enter the back door, which was locked. A moment after a man peered through the kitchen window and demanded admittance. Mrs. McCarthy said he pointed a revolver toward her. She hastened to another room and telephoned her own home, notifying her daughter of the intruder. The daughter telephoned police headquarters and a police car hastened to the Cole house, but the supposed burglar had disappeared.

**Newton Men Are
Drawn on Jury**

At the meeting of the Newton Board of Aldermen on Monday night the names of the following Newton residents were drawn to serve as jurors at sessions of the Middlesex Superior Court next month: Grand Juror, Hollis Vaughan, 15 Bellingham street, Newton Hlds.; Jurors in criminal sessions, Frank Harris, 507 Centre street, Newton; Frederick Scribner, Scribner Park, Auburndale; Clarence Hazen, 946 Boylston street, Newton Hlds.; Jurors in civil sessions, William E. Fuller, 410 Newtonville avenue; Stephen B. Hughes, 181 Cabot street; John W. Merrill, 196 Pleasant street; John J. Cummings, 47 Prentiss road; Harry Reuter, 242 Adams street.

**Claim Injuries
In Auto Crashes**

Cars operated by Warren Quinn of Chestnut park, Waltham and Allen Jones of Prairie avenue, Auburndale, collided at Homer and Pleasant streets, Newton Centre on Monday morning about 7:45. It was reported that Lucille Quinn had received an injury. Monday night about 8 p.m. cars operated by John Cavanaugh of 44 Kensington street, West Newton and Arthur Davidson of Teal avenue, Arlington, collided at Adams street and Wiltshire road, Newton. John Brennan of West street, Nonantum and Daniel Bibbo of Jones court, Nonantum, who were riding with Cavanaugh, were reported as having received injuries.

**Christmas Carnival at
The Fessenden School**

Saturday night, December 5th, a Christmas Carnival was held on the large rink at the Fessenden School. The ice was attractively lighted by many red and green Jack O'lanterns which were strung along the sides of the rink and across it. A large Christmas tree at one end added to the festive spirit. Music from a radio rigged up on top of the power house played popular music during the evening. Hot dogs and cocoa were cooked over a blazing fire and enjoyed by the grown-ups as much as by the boys and girls. The girls of the Fessenden School dancing class were all invited. Their bright skating costumes were most picturesque. The ice was in perfect condition because in the late afternoon it was sprayed with hot water.

**Newton Libraries to Close
Christmas and New Years**

**Christmas Flower
And Gift Show at
Little Tree Farms**

The Annual Christmas Flower, Garden and Gift Show at Little Tree Farms in Framingham Centre is attracting plant lovers from all parts of New England. The big glass exhibition and sales room is a veritable bower of colorful beauty—spicy smelling firs and other evergreens form a delightful background for scarlet poinsettias, bright blossomed cyclamens, gay pink begonias, dainty azaleas, Christmas cactus and countless other flowering plants. Ferns or other plants with attractive foliage are in endless variety including grape vines, English ivies and other pretty trailing plants for hanging pots and window boxes.

The dish gardens are particularly intriguing with a display of vases and plant containers more varied than ever before. Charming bits of Danish pottery or glass and fascinating Mexican dishes vie with the bright hues of domestic ware, blue green, orange and other brilliant colors.

Most interesting is the unusual display of natural Christmas greens, living Christmas trees to plant on the lawn—Christmas trees in tubs or pots—cut-off Christmas trees—all sizes from tiny table trees to big ones suitable for community celebrations. There are spruce boughs laden with pretty cones, bunches of California pepper-berries, mistletoe, holly, alderberry, bayberry, big bundles of ever-

green boughs, handsome centerpieces for the Christmas table and all sorts of fascinating things to make your house look Christmas both inside and out. There are countless evergreen wreaths for all purposes from miniature ones for automobiles or for small windows, to great big ones. The Christmas Show will remain open from 9 a. m. to 6 p. m. every day until Christmas Eve.

**Christmas Candle Service at
Fessenden School**

At seven-fifteen o'clock on Sunday evening, December the sixteenth, the annual Christmas Candle service was held in the schoolroom at the Fessenden School. The Newton boys taking part in the singing were Bradley Noyes, Stewart Black, Fredson Bowers, Richard Pierce, Hart Fessenden, Wallace Buell, John Benedict, Peter Plumley, Joseph Wogan, Donald Sears, Rollin Smith, Edward Pride, and William Ripley.

lesley, and Foster McKinnon, of Ac-
ton, which were proceeding behind the
Pfeiffer car, collided. Two young
children in Robinson's car were re-
ported as having received injuries.

Opposition To Extension of Hammond Pkwy

(Continued from Page 1)

probably extend the time if requested
to do so.

Herman Holt, Jr., of Pleasant st.,
another former Alderman, said he has
lived in Newton Centre 24 years and
took a great interest in the routing
and construction of the parkway. He
said he has gone to the parkway since
it was completed to Beacon st. at all
hours of the day to observe how much
traffic has travelled over it. He found
that at no time is the traffic on it
heavy. So little is the traffic on it that
there is no need for extending it. Ex-
Alderman Norman Pratt said, "We had
a similar meeting to this one a year
ago and it was the almost unanimous
opinion of those attending that the
city should not accept the \$105,000
from the State. But, within a half hour
after this hearing had ended, the
Board of Aldermen voted to accept the
dissenting." President Collins of the
Aldermen explained that the Aldermen
had to take that action at that time
to protect the city's rights. Had the
Aldermen not done so, the city would
have forfeited its right to the \$105,-
000.

Dr. A. P. Rogers of Monadnock rd.
said that Hobart rd. and the adjacent
neighborhood is one of the beauty
spots of Newton, and one of the quiet-
est, and it would be a shame to build a
boulevard through it. President Col-
lins then asked for a showing of hands
of those who believe that there should
be no extension of the parkway. The
number of hands raised totalled 102.

Mr. Collins then asked for a showing
of hands of those who favor either the
Hobart rd. or Willow st. routes. No
hands were lifted.

Charles H. Nevin, president of the
Newton Centre Improvement Associa-
tion presented Edward O. Proctor,
vice-president of the Association who
read the report of a committee ap-
pointed by this organization to study
the choice of routes. The report,
printed in last week's GRAPHIC
strongly favors the Hobart road route.

Mr. Proctor explained that his com-
mittee had proceeded on the supposition
that because of the action of the
Aldermen last year in accepting the
\$105,000, it was inevitable that either
the Hobart road or Willow street
routes would be chosen. Mr. Proctor
commented that even though much
traffic has not, as yet, become heavy
on Hammond Pond parkway, there is
still tremendous traffic on Hammond
and Centre streets. Herman Holt,
Jr., told Alderman Collins that the
information that it is not planned to
take a strip of land on the Trinity
Church side of Centre street, ren-
dered his protest against such a tak-
ing, as the representative of that
church, unnecessary. Mr. Holt said
that he opposes the Willow street
route because it would make a bad
traffic situation worse all along Cen-
tre street and particularly at Newton
Corner, where the traffic condition is
the worst. Frederick Vorek of 14 Ho-
bart road suggested that the \$105,000
be spent to relieve traffic conditions
at Newton Corner where such relief
is badly needed. Alderman Collins
said the suggestion was good but the
money could not be diverted for such
a purpose.

George W. Pratt said the commit-
tee of the Improvement Association
did a good job in the survey it made
of the parkway extension route prob-
lem. He agreed that Hobart road
would be better than Willow street,
but if the city accepts the \$105,000,
it would be creating an expensive con-
tingent liability. Charles W. Bond
favored Grant avenue over the Willow
street or Hobart road routes. He
said Grant avenue is wider and would
take traffic more directly towards
Charles River parkway. He said the
First Congregational Church, which
he represented, opposes the Willow
street route as this route would men-
ace school children and bring added
traffic to Beacon and Centre streets.

Mr. Bond commended Motorcycle Of-
ficer Hammill for checking speeders
on Beacon street and said the city
needs a couple more officers like him.

Richard B. Cole of Bishop Gate rd.
said that if the Aldermen vote to ex-
tend the parkway to Commonwealth
ave. it is inevitable that it later would
have to be extended North of the ave-
nue. He said that residents of Ho-
bart rd. oppose the parkway taking
this route as it would injure their
properties, and would not serve the
interests of the city or of the motoring
public. He said that when this
route was planned in 1908 there were
no houses in this section, but since
it has all been developed for resi-
dences. He asserted that the assessed
value of the properties on Hobart rd.
between Beacon st. and the avenue is
\$500,000 and that the houses are only
25 feet back from the street line. He
argued that Hobart rd. has sharp
curves and would deliver traffic on
Commonwealth ave. in the middle of a
steep hill. He said a route carrying
traffic in this direction would add to
the problem at Newton Corner, the
most congested traffic spot in the city.

Frank H. Stewart of Montvale rd.
said there is no need for the exten-
sion and if Hobart rd. is taken, the

expense to the city for damages in
widening the street will equal the
\$105,000 grant from the State. Henry
C. Mildram of 41 Hobart rd. said he
is a real estate engineer and that he
moved to this section recently be-
cause it is quiet. He said the Hobart
rd. route would create bad traffic sit-
uations at the two forks on this street
and at its intersection with Common-
wealth ave. William E. Soule said
the officers of the Chestnut Hill Im-
provement Association are opposed to
the Hobart rd. route.

Alderman Collins asked for a show-
ing of hands to determine the senti-
ment in favor of either Hobart rd. or
Willow st., should the city decide to
extend the parkway. Favoring the Ho-
bart rd. route, 92 hands were raised;
favoring Willow st., 31. Someone then
asked for a showing of hands on Grant
ave. as the route, and 6 raised their
hands.

The hearing then ended. During a
long recess meeting, the Aldermen in
secret discussion decided to vote to
authorize the Mayor and City Solici-
tor to seek Legislation prohibiting the
construction of the parkway extension
during the coming year, and obtaining
for the city the right to petition for
the \$105,000 in 1936, if it so desires.

Arrest Newton Centre Man For Drunken Driving

Raymond Warriner of 65 Bothfeld
road, Newton Centre, was arrested
early Sunday morning by Patrolmen
Davis and Slavin charged with driv-
ing a car while under the influence
of liquor. He was arraigned in the
Newton court on Monday and his case
continued until January 4.

In court on Monday John McKen-
zie was charged with larceny of \$132;
operating an uninsured and unregis-
tered car, and driving to endanger.
His case was continued until Decem-
ber 24.

Rev. Dennis H. Donovan Died Yesterday

Was at Mary Immaculate Parish As Curate and Pastor Twenty-Seven Years

Rev. Dennis H. Donovan, pastor of Mary Immaculate of Lourdes Church, Newton Upper Falls, died at St. Elizabeth's Hospital at 12:30 a. m. yesterday. He had been ill for the past two months. Father Donovan was born in Lawrence on Oct. 19, 1873. He was a graduate of Phillips Andover Academy and Villanova College at Philadelphia. He attended St. John's Seminary in Brighton and was ordained in 1904 by Archbishop Williams. He served as a curate at St. Patrick's Church, South Lawrence, and St. Patrick's Church, West Lynn, before coming to Newton Upper Falls in 1907. He served at the Upper Falls parish as a curate under Rev. Timothy Danahy for 16 years. After the latter's death in 1923, Father Donovan was made pastor of the church by Cardinal O'Connell.

His body will lie in state at the church from 4 o'clock this afternoon until 9 tonight. The office for the dead will be recited at 4 o'clock. Delegations of Fourth Degree members of Newton Council, Knights of Columbus, and the Holy Name Society of Mary Immaculate Parish will serve as a guard of honor.

His funeral service will be held tomorrow morning at 10. The celebrant of the solemn requiem mass will be Rev. James F. Haney, pastor of St. Paul's Church, Hingham, formerly of Newton Centre. The deacon will be Rev. Edmund D. Daly, pastor of St. Patrick's Church, South Lawrence. (Continued on Page 4)

Busy Christmas For Firemen

Christmas was a Merry Day for many persons, but busy one for Newton firemen. At 11:23 p. m. Christmas Eve they were called out to extinguish a fire in the tailor shop of Emanuel Kahan at 476 Woodward st., Waban. The damage was slight. At 8:20 a. m. Christmas, the firemen had to go to 1119 Boylston st., Upper Falls, to extinguish a chimney fire. At 1:15 p. m. there was a fire in a garage at 169 Lexington st., Auburndale, and at 3:13 p. m. Engine 4 had to make a trip to quench a smoky fire in the dump at North st., Newtonville. In addition, the firemen on Christmas Day were called out by false alarms pulled at 2:38 p. m. from Box 2411 on Adams st., and at 7:12 p. m. from Box 752, Institution Hill.

Postoffices Do Good Job on Christmas Mail

Despite the fact that mail matter received and despatched in the Newtons was 7% heavier this Christmas season than last year, Christmas presents and cards received in the Newton postoffices, as well as those received in all the Boston postal district, were promptly delivered due to the large number of temporary clerks and carriers provided by Postmaster William E. Hurley. All Christmas cards, properly addressed and received up to Monday noon, were delivered. All small parcels received up to 8 p. m. Monday night were delivered on Christmas Day. Hundreds of temporary employees assisted the regular carriers and postoffice clerks in the Newtons on Friday, Saturday, Sunday and Monday.

Gale Damages Many Trees and Wires in Newton

The severe gale which swept over this area on Wednesday night knocked down trees in various parts of the city. Among those felled were trees at Park and Tremont streets, Newton; at 29 Belmont street, Newton; Elliot street, Newton Highlands; Jackson street, Newton Centre; Temple street, West Newton and a tree at the corner of Parker and Stearns street, Newton Centre. In addition hundreds of limbs, large and small, were broken off trees. Electric wires were broken opposite 314 Otis street, at Parker and Boylston streets, Walnut street near Hyde street, California street near Bridge street, on Morton and Ellis streets.

At 9:10 a large limb crashed through the top of an automobile parked opposite Otis street and Kimball place. The car was owned by David Macaulay of 385 Newtonville avenue. Firemen from Ladder 1 removed the limb. A window at Skelton's Hardware Store on Washington street, Newtonville was broken.

Christmas Baskets Given By Newton Elks

The Social and Community Welfare Committee with the assistance of the House Committee of Newton Lodge, No. 1327, B. P. O. Elks, distributed over one hundred baskets, containing turkeys and all the fixings, for a real Christmas Dinner to needy families in all the Newtons. The money obtained for this wonderful charity was through the efforts of the committees from the Friday evening Whist Parties. The committees need to continue work along these same lines. They are holding Saturday evening Beano Parties, as well as their regular Friday evening Whist and Beano.

Can Sell Ale Till 1 A.M. New Year's

The Newton License Commission has decided that restaurants in Newton can dispense ale and wine until 1 a. m. on the morning of January 1st instead of stopping this sale at midnight as ordinarily. This concession applies only to New Year's Eve.

Christmas Seal Sale to Continue

Although Christmas Day has come and gone the sale of Christmas Seals will be continued through January in order to afford an opportunity for late returns from appeal letters to be received. The busy and short period between Thanksgiving Day and Christmas is largely accountable for the fact that many appeal letters have not been acknowledged in one way or another. Possibly many have been unthinkingly laid aside and forgotten. The committee is deeply appreciative of the returns that have been received. Further response is desired to help raise the total which is considerably below the campaign goal. Although dated 1934 the Christmas Seals are in fact "timeless" as the "Work which they help to do is priceless." To meet the responsibilities which will come in 1935 every cent of the amount will be needed. Individual cases can not well be published but stories of summer health camps and benefits to children, stories of home care and of the follow-up work will be told to those interested to learn definite accomplishments of the Health Fund.

The results of the Christmas Seal Sale by villages thus far is as follows:

Aldermen Make Quick Decisions On Zoning Changes

A public hearing was held on Wednesday night before the Claims and Rules Committee of the Aldermen on the petition to have land between Bacon and Peabody streets, Newton changed from residence to business zone. This land is owned by Alderman Thomas M. Gallagher and Edward and Annie Williams. No one appeared to oppose the change. Dr. Gallagher and Mrs. Anna Cahill of Bacon street spoke in favor. The Committee of the Aldermen and the Newton Planning Board gave approval to the proposed change; the latter body specifying that a building line of 15 feet on each street be made a condition. The Claims and Rules Committee also approved the petition of William Hedlund to change a single residence at 7 Walnut street, Newtonville into a two family residence.

State Board Gives Liquor License In Auburndale

Dennison Wins on Appeal — Local Board Had Refused

Walter C. Dennison of Auburndale, who was refused a license to sell all alcoholic beverages in packages at 2112 Commonwealth ave., Auburndale, after he had made application to the Newton License Commission, was notified on Monday by the State Alcoholic Beverage Commission that it had acted favorably on his appeal from the decision of the local Board. Dennison resides at 248 Auburndale ave. and conducts a market at 2092 Commonwealth ave. The Newton License Commission refused him the license after Aldermen Floyd and Gordon, acting at the requests of Auburndale residents, had protested against the issuance of the license.

The State Board also approved of the application of Max Talent to dispense beer and wine in a lunch room at Washington st., Newton Lower Falls. The Newton License Commission had acted favorably on this application, but acquainted the State A. B. C. Board with the fact that members of the Methodist Episcopal Church at the Lower Falls had objected to the granting of this license. Talent has been a resident of Roxbury.

Auburndale Man Accused of Hit And Run Driving

Peter Blanchard, 38, of Woodland road, Auburndale, was arraigned in the Newton court on Wednesday before Judge Allen on the charge of leaving the scene of an accident without revealing his identity. According to the testimony, on the night of December 14 a car driven by Blanchard hit a car parked opposite 33 Grove st., Auburndale. It was alleged that Blanchard drove away and the number on his car was taken by Eugene Clifford, a taxi driver who saw the collision. Clifford reported the number to patrolman Carroll and the latter obtained a summons for Blanchard. On condition that Blanchard pay \$10 for damage done to the car hit, Judge Allen placed the case on file.

ERA Chorus and Orchestra In Sunday Musicales

Music lovers throughout the Newtons are invited to attend a Sunday Afternoon Musicales to be held in the Newton High School Auditorium on January sixth at four o'clock. A varied and interesting program will be given by the ERA Chorus of Boston, with Frederick Lamb, Director; the ERA Orchestra of Newton, Thompson Stone, Conductor; Franklin Field, Baritone Soloist; Mrs. M. H. Gulesian, Composer-Pianist. Several of Mrs. Gulesian's compositions will be included on the program. This unusual musical event is made possible by the Newtonville Woman's Club and there will be no admission fee.

Inaugural at City Hall on Jan. 1

The inaugural of the Newton City Government for 1935 will take place at City Hall on Jan. 1 at 3 p. m. The program is as follows: Appointment of Committee of Aldermen to escort Mayor Weeks and his guests to platform; prayer by Bishop Francis Spellman; administering of oath of office to Aldermen and School Committee members elected by Mayor Weeks; inaugural address by Mayor Weeks; election of President and Vice President of Board of Aldermen; election of City Treasurer and City Clerk.

Following the inaugural exercises, the new Board of Aldermen will transact whatever routine business is presented at its first meeting.

Moriarty Is Elected For 22nd Year

A Leslie Moriarty was chosen president of the Newton City Employees' Local No. 175 for the twenty-second consecutive year at the annual election of officers of the organization held Friday night in V. F. W. Hall, West Newton.

President Moriarty was opposed on the ballot by Harry F. Purcell, Orazio Colella and John Yerardi were elected vice-president and recording secretary, respectively, without opposition.

John D. Russo was chosen financial secretary, defeating Peter Marchant. Michael Morris was unopposed for treasurer, as was George Devriex for the office of conductor.

There were four candidates for the finance committee and Jeremiah Herlihy, Nicholas Lombardi and Maurice Quinn were elected. The other candidate was Joseph Forte. Nicholas Abato, Antonio Forte, and George Saunders were elected trustees without opposition.

Crazio Colella, Jeremiah Herlihy, A. L. Moriarty, John D. Russo and George Saunders were elected delegates to the convention, defeating Joseph Conroy, Peter Marchant, Michael Morris, Harry F. Purcell and John Yerardi.

Arrested For Drunken Driving After Collision

Harvey Stuart of 12 Dunstan street, West Newton was arraigned in the Newton court last Friday charged with drunkenness. The court was informed that another charge was to be preferred against him—driving a car while under the influence of liquor. His case was continued until December 27. Stuart was arrested the preceding night when his car hit a parked car opposite 41 Washington street, Newton at 11:40. Frank Kirby of 41 Washington street, who was seated in the car hit, received a cut on his left hand. Stuart was cut on the face and was taken to the Newton Hospital for treatment.

Carolers On Annual Tour Xmas Morning

Forty Singers and Four Trumpeters Bring Xmas Joy

On Christmas morning at 4 o'clock from Newton Highlands square, forty members of the Highland Glee Club with four trumpeters, started their annual tour of the city, singing carols at seventeen stops and covering a route of twenty-five miles.

The principal stops included the Peabody Home, Baptist Home, Dr. Edward Sullivan, Mayor Weeks and the Newton Hospital ending on schedule at 7:45 a. m. at the First Congregational Church and joining in singing with the congregation.

The carol singing was led by D. Ralph MacLean, Director of the club.

After breakfast with Wm. P. Underhill of Monadnock road, Mr. George Wright the president of the club, directed the singing at the remaining stops. Rolls and coffee were served at the Newton Hospital followed by singing with the nurses in the main hall.

The procession of fifteen cars was led over the route by Francis Williams. The four trumpets were led by Mrs. Christine Ulmer. The attendance was the best in the history of the club and both audiences and performers heartily enjoyed the experience.

Planning Board Lauds Albert Lyon

The Newton Planning Board at its last meeting passed the following resolutions regarding Albert M. Lyon of Newtonville who is resigning as a member of the Board because of his election to the Newton Board of Aldermen:

Whereas by his election to the Board of Aldermen of the City of Newton, Mr. Albert M. Lyon has withdrawn as Chairman of the Planning Board of Newton, therefore

Be it resolved: that we regret his resignation more than words can express but must bow to the inevitable, being reconciled to it only because our City will continue to benefit by his service. By his devotion, as Chairman, in the careful planning of our City, in his wisdom in the transaction of our zoning ordinances, in his legal ability of which our Board has had the unstinted use, in his sound business sense and his unfailing courtesy to the public and his associates that he has so endeared himself to our Board, it gives us much pleasure to make known to him and to our City the sincere appreciation which his associates in the Planning Board have for him.

Be it further resolved: that a copy of these resolutions be presented to Mr. Lyon and to His Honor, Mayor Sinclair Weeks, and that our Clerk be instructed that they be spread upon our records.

THE WEEK IN NEWTON SPORTS

NEWTON LOSES TO
MELROSE, TUMBLING
INTO THIRD PLACE

Newton High took a lacing at the hands of its bitter hockey rival, Melrose High, on Wednesday night in the Greater Boston Interscholastic League hockey games at the Boston Garden and tumbled into a tie for third place in the league standing. The Melrose margin of 6 to 2 was built up after Newton had taken a 1 to 0 lead after a half a minute of play. Bud Foster was the Melrose star who outshone Newton. He figured in all six of the winner's tallies, passing to DeCoste for three, scoring two himself and assisting both McInnes and DeCoste on the sixth. This trio of Melrose players is known as the "blonde" line, each being light complexioned and light haired.

The victory put Melrose in a top tie with Cambridge Latin in the league standing as the Cantabs were 3 to 1 winners over Medford High. Prior to the games Wednesday night Newton was also in a top tie with these two sextets but the defeat tumbled the orange and black into a third place tie with Arlington. Arlington, defeated by Newton in last Saturday's games, 2 to 0, regained the winning path through a 4 to 2 victory over Rindge Tech. Rindge Tech was tumbled into the cellar along with Stoneham while Belmont, 3 to 2 winners over the latter, crawled out of the cellar to the Medford for fifth place. The Newton-Melrose game started at high speed. Swooping down on the face-off into a scrimmage in front of the Melrose net play was opened for another face-off there after, Newton centre, slapped the puck back to his left wing, Bill age. Page let go a shot without owing in and the disc found the corner of the Melrose net to flash the light 33 seconds after play began.

Newton's lead was only for a few minutes, however, as the blonde line began to click with a smooth passing game after a few minutes more of play. There were six penalties in the opening session, four against Newton, which handicapped the Newton defense. Melrose made the most of its opportunity and at 5:22 Foster slipped down the right lane, slipped the disc to MacInnes at the blue line and the latter turned it over to DeCoste who slammed it home for the tying counter. Woodward, Newton goalie, turned aside every other attempt.

George Whitehead of the Newton defense was sent off the ice for tripping at the start of the second period and Melrose again swarmed in on Woodward. Foster let go a shot and DeCoste seized the rebound to put Melrose in the lead in less than two minutes of play in this session. After several other assaults Foster

took a DeCoste pass and tallied in 7:38 for a 3 to 1 lead.

Newton came back with Captain Castoldi feeding Page for the latter's second tally twenty seconds later but just before the period ended Foster was down again for another tally in 10:45.

Shortly after the final period started Foster and DeCoste came down while Newton was a man shy. Woodward made a nice stop off DeCoste's drive and cleared hastily. Foster picked up the disc behind the net and passed it out again to DeCoste who had Woodward beaten. Melrose closed the scoring with its sixth tally after the period was a little more than half over with McInnes and Foster again aiding DeCoste.

Kiwanians To
Hear Economy
League Talk

Mr. Karl Payne, Executive Secretary of the Massachusetts Branch of the National Economy League will be the guest speaker at the Newton Kiwanis Club luncheon on Wednesday, January 2, 1935, at the Charles River Country Club.

Mr. Payne will speak on the League's campaign to balance the Federal budget and discuss the minority groups seeking to influence Congress in favor of appropriations for huge sums to benefit a small percentage of the American population. Among the groups he will discuss the Townsend plan for old age pensions.

Mr. Payne will debate the Townsend Plan with Dr. Samuel Dick, Chief Economist of the Townsend Plan at Tremont Temple on Thursday evening, January 3rd, at 7:45.

Y. M. C. A.

New Year's Open House
On Tuesday evening, January 1, the Newton Y. M. C. A. will hold its annual New Year's reception and open house. A cordial invitation to all adult friends is extended. An interesting program has been arranged including music by the Newton ERA orchestra of which Dr. Thompson Stone is the director and Albert H. Webber the supervisor in the lobby. In the gymnasium the program will feature class drill and games for the boys' groups, a basketball game, and tumbling. There will be handball on the new court, and a squash racquets team match between the "Y" team and an outside team. In the swimming pool there will be exhibitions and at nine o'clock in the assembly hall there will be a variety entertainment.

This is one of the social events at the "Y" to which both men and women are invited and the committee hopes that the members and their friends will bring the ladies on this occasion.

The committee in charge includes D. Webster Anders, chairman, F. Sayford Bacon, Eldred M. Peterson, E. Graham Bates, J. Sherman Irving, Lewis C. Bills, Arthur H. Clarke, Edwin O. Childs, Wilfred A. Wetherbee, and William Cady.

1000 Point Athletic Contest
A 1000 Point Athletic Contest, a series of ten track field events, will start next week in the Senior gymnasium class of the Newton Y. M. C. A. One event a week will be held, for ten events. One to one-hundred points may be won in any event, and at the conclusion of the contest winners of 500 points or more will be awarded an athletic emblem, and the three highest point winners will be awarded medals. The events to be contested are: potato race, standing broad jump, 100 yard dash, potato race, three standing broad jumps, 300 yard run, shot put (12 lbs.), 600 yard run, running high jump, 1000 yard run.

Squash Racquets
As a result of last week's matches played in the Massachusetts Squash Racquets Association, Newton Y. M. C. A. teams continue to hold first place in their respective divisions.

In Division I of Class C, where there are nine teams in competition, the "Y" has won six matches and lost four for an average of .600, with the Tennis and Racquet Club, Harvard Club, and M. I. T. Faculty following closely.

In Division II of Class D, the "Y" has won eleven matches and lost four. Ten teams are playing in this division.

In last week's matches the "Y" Class C team lost to the M. I. T. Faculty four to one, while in the Class D match with the Harvard Freshman Team, the "Y" won two matches and lost three.

No matches have been scheduled during the college vacations, but the week after next they will be resumed. On Wednesday, January 9th, the C Team will meet the Harvard Club at Harvard, and on Thursday, January 10th the D Team will meet the Harvard Business School at the Y. M. C. A.

Hospital Aid Assn. To
Hold Annual Meeting

The annual meeting and luncheon of the Newton Hospital Aid Association will be held at the Hospital on Tuesday, January 8, at eleven o'clock. Officers will be elected, reports heard and other business transacted. At twelve o'clock Dr. Crawford O. Smith will speak on "A Harvest of Dictators." The committee in charge includes Mrs. William L. Williams, corresponding secretary, Mrs. Frank Anderson, Mrs. Charles Bartlett, Mrs. Cecil W. Clark, Mrs. John Coward, Mrs. Fred S. Hardy, Mrs. D. Morley Lodge, Mrs. Howard North, Mrs. C. L. Weaver, Mrs. Ernest Weaver, Mrs. F. S. Webster, and the Messers Rose Loring, Mary Sawyer, and Florence Tower.

Two Burglaries
At Newtonville

Two hardware stores at Newtonville were entered by burglars either late Saturday night or on Sunday. The breaks were discovered Monday morning. Entrance to the store of Skelton & Sons at 887 Washington street was effected by climbing to the roof of a one-story building and breaking a window at the rear of the store. Merchandise valued at about \$25 was taken, as well as a small amount of cash. At the Sawyer Hardware Store, 332 Walnut street, only a small amount of money was stolen. Entrance to this store was gained by means of the rear door.

Newtonville P.O.
Is Burglarized

Saturday morning at 5:45 as Patrolman Bradley was trying store doors at Newtonville he discovered a rear window broken at the Newtonville postoffice. Investigation showed that the safe at the office had not been tampered with and apparently none of the mail pouches or sacks had been looted. It is believed that whoever tried to burglarize the postoffice was frightened away before anything was stolen.

Newtonville Boy
Struck By Auto

Benjamin Sears, 6, of 20 Brooks ave., Newtonville, was hit on Saturday afternoon about 3 by a car operated by Ralph Mills of 10 Highland park, Newtonville. The boy received slight injuries and was taken to the office of Dr. E. F. Burke for treatment. Mills reported that the boy ran onto the street and was hit by one of the front fenders on the car.

Lodges

General Hull Lodge, A. O. U. W., will hold a whist party at Odd Fellows Hall, West Newton on Friday evening, January 4. There will be refreshments and souvenirs.

DONATIONS WANTED

The Newton District Nursing Association of 297 Walnut street, Newtonville, will be glad to receive donations of old linen and sheeting.

Women's Club Activities

Edited by EMMA D. COOLIDGE

Interesting Play to Entertain Guests

An "All Club Talent" program has been arranged by the Music and Dramatics committees of the Newton Highlands Woman's Club for their January 1st meeting, to which the families of Club members are invited. Solos will be rendered by Mrs. Kenneth J. Waite, Soprano; Mrs. Ralph H. Somers, Contralto; and Mrs. Wilford H. Eaton, Pianist. "Tea With a Wicked Lady" is the provocative title of the one-act play to be presented, with Mrs. Dana S. Sylvester, Mrs. Ray S. Kelly, Mr. Edwin S. Drowne, and Mr. Lloyd Yeager in the cast. The entertainment prepared for their guests on New Year's Day is sure to be most attractive, not only because of the subject matter of the play itself, but because of interest in the talents of their acquaintances. The recently-organized Junior Club will assist the Social committee in serving Tea, an added feature of the day.

Course in Child Study Open To Any Interested

Mrs. Harold L. Higgins, chairman of the Public Health committee of the Newton Community Club, announces that Monday, January 7th will be the date for the first of the series of lectures to be given at a Child Study Class, at her home, 322 Franklin street, Newton. The speaker will be Dr. Margaret Glendy, and the topic "Child Health Problems." Following the Talk there will be discussion and a questionnaire period, which will be especially valuable for solving individual problems. Mothers of children under ten years of age, whether or not Club members, are invited to join this class. Tickets for a single lecture, or for the Course may be obtained from the chairman (Telephone, Newton North 0442-M) or from members of the Public Health committee, Mrs. David Black, Mrs. Elwood A. Howe, Mrs. Chester F. Smith, Mrs. Peter Turchon, and Mrs. William M. Wasson.

OTHER EVENTS PAST AND TO COME**State Federation**

RADIO. Mrs. Earl Smith, chairman of the Physically Handicapped division of the State Federation, and Mrs. George Pruden, director of the Second district, will broadcast on the State program over Station WBZ, tomorrow, Saturday, December 29th, during the half-hour 11:30 to 12 noon. The subject of this program is "Build-ers." There will be Baritone solos by Robert C. Barrett.

CLUB INSTITUTES. At the Club Institute to be held at the Boston Young Women's Christian Association on Thursday, January 3rd, at 10:30 a. m., members of the Club Institute committee will present the playlet "The Visit." This little dramatic sketch was written by Mrs. Jones, of North Dakota, and was first presented at the Club Institute Conference of the Council meeting at Hot Springs by the General Federation committee. Among those taking part in the playlet will be Mrs. A. Augustus MacWhinnie, Mrs. Ernest L. Brown, Mrs. George W. Rickards, Mrs. Albert D. Hibbard, Mrs. Robert B. McLaughlin of Newton Upper Falls; Mrs. William I. Considine, Mrs. Elliot R. Scudder, Mrs. Nathaniel E. Smith, Mrs. Joseph E. Davidson, Mrs. Raymond Merrill, Mrs. Charles A. Burrell, Mrs. Joseph F. Smith, Mrs. Victor P. Ratzburg, of West Newton; and Mrs. J. Sumner Watson.

Mrs. David A. Westcott, third vice-president of the State Federation and editor of Topics, will give an address on "Our Federation Topics." Mrs. William E. Howe, of Brewster, who will be introduced by Mrs. Joseph E. Davidson, will give the lesson in Parliamentary Law which will be on "To Postpone and To Table." It is hoped that those attending will be willing to answer some of the questions that have been sent in to the committee. This is not a new feature but one that the committee feels should be resumed.

Social Science Club

Mr. George Rogers, City forester of Newton, will speak before the Social Science Club on Wednesday morning, January 2nd. Mrs. Everett E. Kent and Mrs. Frank F. Lamson will be the hostesses.

Newton Junior Community Club

On Thursday, December 20th, at 2:30 p. m., the Newton Junior Community Club had charge of the Christmas Party for fifty children from Nonantum. Held in the Underwood School Hall, the Party was a big success from the very first mystifying trick performed by the magician to the last—apples and oranges tucked in hands and pockets. Parents belonging to the Senior Club brought their children, as well, and at the close of the magician's performance, all were treated to Hoodies and cookies.

Then the young guests filed to the stage where every boy received a game and every girl a doll. While the children were marching, Miss Eleanor Collins played selections on the piano. Every child, before leaving, was given a bag of candy, an apple, and an orange. Among the members who assisted were Miss Marjorie Clapp, the president of the

Public Invited to ERA Concert

The program for the ERA Concert to be given at the High School Auditorium on Sunday, January 6th, at 4 p. m., by the Newtonville Woman's Club has been arranged to include selections of different types of music, with the desire to gratify the tastes of all. This Concert will offer to the people of Newton an unusual opportunity when they may hear both choral and instrumental music by accomplished musicians. The public is cordially invited to attend and there is no admission charge.

Mrs. H. Reginald Bankart wishes to make, as soon as possible, her report on the sale of the Christmas Health Seals in Newtonville. All seals, or the money therefor, should be returned to her. The committee is desirous of realizing as much money as possible from the sales, and contributions of less than a dollar are very welcome in cases where the purchaser does not choose to keep the whole sheet. Coins wrapped in paper and enclosed in the envelope will reach Mrs. Bankart, who suggests that they be mailed in Newtonville. All but a very small part of the money received is used to help Newton people.

General Federation

BOARD MEETING. Clubwomen will register their opinions upon many important questions of the day now occupying the attention of the Government, in the opening month of the year. Those who sit in the seats of the mighty, and are sent to do so by the people of the United States, and people includes women, may do well to observe this handwriting on the wall, and to realize that while only a comparatively small group of women will assemble for this registration of opinion it will be indicative of the sentiment of the thousands of clubwomen of the entire country.

The Annual Mid-Winter Meeting of the Board of Directors of the General Federation of Women's Clubs, to be held in Washington, D. C., January 15th to 19th, will bring together clubwomen from every State in the Union. All sessions of the Board will be presided over by the president, Mrs. Grace Morrison Poole. Government representatives and other experts will discuss before them old age pensions, unemployment insurance, and similar topics conspicuous on the majority of club study programs.

Of social interest, Mrs. Franklin D. Roosevelt will receive members of the Board at a Tea at the White House, on Tuesday afternoon, January 15th, at 5 o'clock.

The reception given every year by the Board on Tuesday night, the eve of the formal opening of the sessions, is an outstanding social event in Washington, to which the Board members invite their Congressmen and their wives. Another social affair, definitely decided upon will be the Tea which Mrs. Eugene Meyer, vice-president of the Washington Post, will tender the Board on one of the afternoons during the meeting.

The invitation of the Bureau of Standards of the Department of Commerce to hold one session of the Board at the Bureau has been accepted. Honorable Daniel C. Roper, Secretary of Commerce, will speak on that occasion, and there will be a presentation and demonstration of the Bureau's work with the Standardization committee of the Federation, of which Dr. Josephine L. Peirce, of Lima, Ohio, second vice-president of the Federation, is chairman. If a new Pure Food bill has been drawn, the Federation, which endorsed the general principle and purpose of the Copeland Bill (S. 2800) at its Council meeting in May, will hear a presentation of the latest bill at one of its sessions. A representative of the American Legion will discuss its bill on the Conservation of National Resources, and there will be an address on the Senate Munitions Investigation.

The employment of the 5,000,000 physically handicapped women and men who cannot comply with the general provisions of the NRA Codes is one of the projects that is engaging the efforts of the General Federation. Working through its Department of

WITH THE

ELECTRIC HAND**"SURPRISE FEATURE" OF 1935**

They are big news wherever they're being shown—these new Hudsons and Terraplanes! Now they're here. Come in and see them. It's been years since any new cars attracted such widespread interest—such enthusiastic praise. A brand new Hudson Six. The greater Hudson Eight. The brilliant new Terraplane.

And the ELECTRIC HAND—great "surprise feature" of 1935, is here, too. It's available on any 1935 Hudson or Terraplane, and nowhere else. A magically easier and safer way to drive a car.

WITH 1935 STYLE • The vogue set by Hudson-built cars last year—now moved another year ahead. Longer, lower bodies. Narrower radiators, smarter louvers, lamps and trim. Two wide-vision rear windows.

WITH THE FIRST ROOFS OF STEEL • For the first time in any cars, these 1935 Hudsons and Terraplanes are ALL of steel—sides, floor, front, back and now even of the roof. Full protection—even greater ruggedness.

WITH BIG BENDIX ROTARY-EQUALIZED BRAKES • This year, Hudson brings you a new way of stopping—more quickly, more smoothly, more SAFELY, in a short, straight line.

WITH REAL 6-PASSENGER ROOMINESS • Hudsons and Terraplanes were big cars last year, but, for 1935, they're bigger still. Bigger outside. Bigger inside. Front and rear seats wider—real comfort for three.

WITH 1935 PERFORMANCE, ECONOMY, RUGGEDNESS • Record-breaking performance made greater! An even larger reserve of power, with increased gasoline economy and doubled oil mileage. Balanced bigness, with longer, gentler springs and improved oil-cushioned shock absorbers.

YOU ARE INVITED TO SEE AND DRIVE THESE 1935 CARS

SOUND PLANNING

Two bills recently filed in behalf of the Mass. Federation of Planning Boards for legislative action at the coming session of the General Court of Massachusetts pertain to the protection of the main highways of the state and to real estate sub-division. Both measures deal with sound planning and have considerable merit. In many places throughout the state more vacant house lots have been laid out than will be developed for many years to come. The present usual method of financing developments eventually imposes upon the municipality great additional expense in the installation of utilities and the building of streets. A better method, somewhat practiced in Massachusetts and required by many states, provides for the original construction and installation of these services. The result is a lessening of the future burden upon the municipality and its taxpayers. There are many who believe that such a program is essential to the economic life of cities and towns.

THE NEW YEAR

A few days more and we will have turned the pages into a New Year. As we think of the complexities of present day living and face the problems of the future we get a growing conception of the necessity of co-operation. Not one of us is independent of another. We are bound by that invisible bond of human relationship which has existed throughout the centuries in one form or another. We may not see things quite as others see them but we owe it to ourselves as well as to others to look through the telescope from the right end. The larger view we take of things the nearer we will come to a fuller life. Oftentimes it is only that selfishness peculiar to man that is the basis of trouble, hard feelings and adversity. As 1935 approaches we can all resolve to strive for selflessness in our search for happiness and prosperity for all.

HAPPY NEW YEAR

About Town

By Edward H. Powers

Some persons in order to save money enclosed their Christmas cards in unsealed envelopes bearing 1½ cent postage stamps. Cards so mailed are treated as third class mail matter and do not receive directory service. If they are not adequately or correctly addressed, or if the persons to whom they were addressed have moved, such cards are not received.

We do not believe that liquor licenses in Newton should be granted to applicants who are not bona fide residents of this city, unless such an applicant has for a considerable length of time already been in business here. And the promise of an outsider to become a resident of the city, provided he obtains a liquor license, should not cause his application to be favorably considered. There are plenty of long-time residents of Newton in need of a livelihood without granting licenses to non-residents.

If a thief steals a small sum he is apt to go to jail if caught. But, when a crook steals millions of dollars he can have a jury bribed and be acquitted. And many folks can't understand why economic and social conditions are as they are.

Rev. Dennis H. Donovan during the 27 years he served the Catholic people of Mary Immaculate Church at Newton Upper Falls won their affection by his sympathetic nature. A big man with a big heart, unassuming and understanding, his untimely death will leave a void in the lives of the many hundreds of his parishioners in Newton Upper Falls, Newton Highlands and Needham.

Most persons would not presume to be so wise and all-knowing as to tell the world who are the ten most outstanding women. But, this alleged information is dispensed by Mrs. Carrie Catt. Mee-ow!

The "big wind" of Wednesday night and Thursday morning blew down many limbs from trees in the Newtons. But, the living Christmas trees weathered the gale and comparatively few of the electric light bulbs on these evergreens were broken.

Any onery critter who will pull a false alarm of fire on Christmas Day can properly be called "a human rat." And we apologize to the rodent genus for the comparison.

In last week's GRAPHIC under this column we had an item expressing our admiration of the beautiful full moon which adorned the sky on the night of December 20 and the early morning of December 21. We mentioned that this moon was still high in the Western heaven at 5:40 a. m. last Friday. Saturday we received a post card from a prominent Newton attorney and court official who had been present at a social affair which we also attended on the night of December 20. In his card to us he stated—"You must have left later than

I did. Are you sure it was the moon you saw?" We assured the gentleman who doubted our observation of the moon, that we had departed from the party the preceding night at 9:15; much earlier than did he, and quite sober although he, but very ill from a smoke jag; the room having been thick with tobacco smoke. But, we surely did see the moon at 5:40 a. m. last Friday as we left our house for the GRAPHIC office. Friday is the only morning we arise early.

There is a report that Postmaster William E. Hurley of Boston whose term is expiring, will be succeeded by a politician who has been aspiring to this office. We hope President Roosevelt and the Democratic leadership in Greater Boston will not permit such a reactionary step. As one who worked for many years as a postoffice employee, we realize more than the ordinary citizen how the postal service of this country has been and is being impaired by the practice of appointing as postmasters and higher officials politicians and their friends who know little or nothing about the postal service and seldom learn. Mr. Hurley's life work was that of a postoffice employee. He rose from the ranks by unusual ability. He has striven for efficiency and by so doing has incurred the dislike of some. Certainly the postal service in Greater Boston, in common with all the country has been sadly curtailed during the past decade. To offset this, men of Mr. Hurley's experience and ability are needed. Why take a backward step?

It has been announced that garbage will be burned in the new incinerator at Newton Highlands when this plant is completed in a few months. When the Board of Aldermen authorized the construction of the incinerator last year as a PWA project, it was stated at that time that only rubbish would be burned in the incinerator when it would be completed, but that eventually garbage might be burned there. According to Federal experts, garbage is excellent food for pigs. There is a large demand for it. The sale of Newton garbage brings a return of some thousands of dollars each year. If it is not sold, it will cost the taxpayers of this city this much more each year to collect garbage in Newton. Why unnecessarily waste a useful food product for animals used as food by people? Why add to the expense of running this city? And as for the contention that the burning of garbage in the incinerator will cause no disagreeable odors, just wait until a start is made in burning the garbage, and days come when dampness prevails.

With more and more thousands of persons being killed in the U. S. A. because of automobiles being operated at high speeds, isn't it edifying to read about members of President Roosevelt's family being repeatedly apprehended by police for speeding. And to read that Mrs. Roosevelt drives her car at high speed. What an example they are showing, and how they are co-operating in the efforts to lessen automobile carnage.

ONE THING... AND ANOTHER

By L. D. G. BENTLEY

Chiselers' Battle Cry

Now that the Christmas rush has subsided, another, less intensive perhaps, has taken its place. The open season for calendar hunting has started. Calendar grubbers are often fussy. Some want them plain, some want them fancy, but everybody seems eager to close in on a few.

Perhaps I am wrong in seeking to indict the entire population. If so, I apologize with humility. However, it may be that I myself am to blame. Habit has made me one of those persons who must have one particular kind of calendar for my office wall, another for my room at home and another for my desk.

Had I thought of it earlier I would have given notice to Santa Claus. As it is I must get busy.

Pleas(e) for 1935

To authors who make a specialty of involved sentences. May they see their way clear to avoid parenthetical clauses that get simple-minded individuals like myself all glued-up mentally in an effort to comprehend. As my friend the confirmed cynic observed when I asked if he had read the work of one of the foremost writers, "I began it manfully," said he, "but I fell asleep trying to find the first period."

To public speakers who become lost in a maze of words or who are so absorbed in their topic they drag in much that seems superfluous. One of them, to whom I recently listened, seemed to understate our understanding and frequently said, "On the other hand—" then paused. At one of these dramatic waits I was prepared to add—"he wore a glove." May our discursive friends remember that two hands are sufficient for anybody.

To people who seem to feel that revolving storm doors are a Winter folly of merry-go-round. May they realize that these highly desirable contrivances are meant to serve as a protection against storms and icy blasts and not to bang against the heels of their fellow beings.

Good Reason Why

Why not plan some reformation While the old year's yet alive? Why not turn a fresh page over Just for Nineteen-Thirty-five? Well, I'll tell you, if your question Is not put to me in fun—

All my thoughts are herewith stated, Yours the chance to read and run. Not that I disdain perfection, Free from blame of any kind, Not that I expect next twelve-month Last year's faults to leave behind. Not that I scorn resolutions, Not that they aren't worth the while, Not that I should once forget them, Stumbling on from mile to mile.

Not but what the gain that's offered May surpass all heretofore BUT because I've tried it often, Always made a rotten score.

Worth Eager Expectation

It is a privilege to peer into the future. Not that I approach professional soothsayers, card readers and fortune tellers who take anybody's money and tell them what they think will tickle them to hear. The glimpse I was allowed of what we may expect was substantial and earthy. Those words seem severe and cold when I realize the beauty of the newly invented process of making colored photographs.

No, it is not what the motion pictures are using and which you have observed yourself. Rather a camera, which any man may operate, and which reproduces not only the primary but intermediary colors. Think of walking about your garden and making photographs of all the gorgeous flowers and then, after the plate is developed, providing yourself with a print that reveals every color with complete accuracy!

Such a camera has been invented and I haven't any doubt that during the coming summer you will either possess one yourself or look upon its productions. The photograph I examined was that of a pretty young woman. Her blue eyes, her blue dress, her silver slippers, her blonde hair, and the cluster of pink roses she carried were marvelous to look upon. In my stupid way I could think only of a colored photograph. But this was a print, made on three plates, perfectly synchronized and taken at one "snap." Of course its the development of the plates that tells the story.

Not only was the young woman's costume brilliantly shown, but there was also a vari-colored shawl that hung on a chair. Here were colors enough to fill the eye and all made by an ordinary (from the outside of course) appearing camera.

Fr. D. H. Donovan Dies Yesterday

(Continued from Page 1)

and a native of Newton Upper Falls. The subdeacon will be Rev. Francis J. Murphy of Sacred Heart Church, Atlantic, a former Upper Falls resident. The eulogy will be delivered by Father Daly. Burial will be in St. Mary's Cemetery, Needham.

During the eleven years Father Donovan was pastor of the parish, he completed a chapel in the church at Upper Falls and made other extensive improvements there. He also made many improvements at the parish cemetery, St. Mary's in Needham. Several years ago Father Donovan purchased a church site in Waban and erected an attractive church structure on it. This church, named after St. Philip Neri, was a mission of Mary Immaculate Church until several months ago, when it was made a separate parish. Father Donovan had no near relatives.

Recent Deaths

HERBERT P. WASGATT

Herbert P. Wasgatt of 150 Mofat road, Waban died on December 21 at the Baker Memorial Hospital. He was born in Boston 69 years ago, the son of Gilbert and Mary (Faunce) Wasgatt. Both his parents were of Colonial ancestry. He graduated from East Boston High School and then became associated with the Andrews, Wasgatt Shoe Company of Everett. He was treasurer of this firm when he retired a few years ago. He served as Mayor of Everett in 1912 and in 1915, 1916 and 1917 was a member of the Governor's Council. In 1919 he was appointed by Governor Coolidge an associate Commissioner of the Department of Labor and he served in this office until last February.

Mr. Wasgatt was the first president of the Everett Trust Company. He was a member of the Mayors Club, Boston City Club, Past Master of Mount Tabor Lodge of Masons, of East Boston and a past high priest of the Royal Arch Chapter of that district; a member of the Knights Templar and Aleppo Temple, Mystic Shrine. He was also an honorary life member of Everett Lodge of Elks. His funeral service was held on Sunday afternoon at Union Church, Waban, of which he was a former treasurer. Rev. Joseph McDonald officiated.

He is survived by his widow, Mrs. Clara (Stuart) Wasgatt; a son, John F. Wasgatt of Hingham; a daughter, Helen S. Wasgatt of Waban; a granddaughter; and two brothers, Frank G. of Westport, Conn., and Thaddeus E. of Washington.

GEORGE H. HASTINGS

Mr. George H. Hastings, a photographer since 1869, died at his home on Walker street, Newtonville on Monday, Dec. 24th after a short illness. Mr. Hastings came to Newton from St. Johnsbury, Vt. in 1878 and since that time has been one of the most prominent men in his profession in Boston, Haverhill and Newton.

Mr. Hastings was born in Frisburg, Vt. Jan. 3, 1852. His parents were Hubbard Hastings and Betsy Fletcher Hastings.

The funeral service was held Thursday, Dec. 27th at Central Congregational Church, Newtonville, Rev. Randolph Seaman Merrill officiating. Interment was in South Attleboro. He is survived by his wife, Ella Briggs Hastings, whom he married in 1881 and by his sons Norman Hubbard Hastings of Roslindale, and Kenneth Briggs Hastings of Newtonville.

Mr. Hastings was a Past President of the Photographers International Association of America; the founder and first President of the Photographers Association of New England, and was an Honorary Life Member of both these, and also of the Photographers Association of Massachusetts.

Mr. Hastings was a Mason in Passumpsic Lodge No. 27 St. Johnsbury in 1876, and the next year a Knights Templar in Palestine Commandery No. 5 and a Royal Arch Mason in Haswell Chapter No. 11, all in St. Johnsbury. He was a charter member of Shawmut Lodge No. 37 I. O. O. F. in Cambridge and a life member of Coptic Council R. & S. M. in Newtonville.

MELVIN A. LANE

Newton lost a fine and popular member of the younger set on Christmas night when Melvin A. Lane of 25 Somerset rd., West Newton, passed away. He was born in Newton on October 4, 1914, and was very popular during his days at the Newton High School. From Newton High he went to the Clark Preparatory School in Hanover, where he played a prominent part in athletics and school life.

Taken sick over a year ago with a very rare disease of the blood, he carried on through the summer and fall months in the admirable and sunny way which always characterized his mode of living.

During the past nine years he summered at Camp Frank A. Day and won a choice place in the hearts of the staff and the younger boys as he grew into a place of leadership in the camp.

Throughout his neighborhood he was always directing the play of younger boys. His life typified one of extreme cleanliness and beauty, giving unselfishly to all those with whom he came in contact.

A few years ago it was his good fortune to be one hand to save a girl who was on the verge of drowning and he modestly never mentioned it to anyone save intimate members of his circle.

He was a member of Tremont Temple and the West Newton Neighborhood Club, taking active part in the affairs of these organizations.

The funeral will be held from the home of his parents, Mr. and Mrs. George W. Lane, 25 Somerset rd., West Newton, on Friday at 1:30 p. m.

Drunk Knocks Out Policeman's Teeth

Fined \$120 After Assault on Patrolman

William J. Vedito, 24, of 51 Allston street, Allston, displayed the effects of a certain kind of spirit on Christmas morning about 4 o'clock in Nonantum Square, Newton, but it wasn't the spirit supposed to be typical of Christmas. Vedito and his brother, Nathaniel Vedito of Governor road, Medford, were bothering Nelson McGrath, a taxi driver in front of the Waldorf Lunch Room when Patrolman Walker ordered them to depart. They refused and Walker started to place them under arrest. The two resisted the officer and Patrolman Goodale came to Walker's assistance. The two struggled with the policeman while they were being taken to the police signal box at the corner of Centre and Hall streets. Upon arriving at the box, William Vedito suddenly swung on Goodale, hit him in the mouth, and broke several of the patrolman's upper teeth. The younger Vedito tore Walker's coat.

In the Newton court on Wednesday Goodale testified that he was also kicked in the stomach and back by Vedito. Dr. F. J. Gilligan testified that it will cost \$100 for dental work on Goodale as a result of Vedito's blow. Judge Allen sentenced each of the Veditos to 3 months in prison for assaulting the policeman. He suspended the sentences on condition that William Vedito pay \$100 for the dental work on Goodale and the other brother pay Walker \$10 to repair his coat. In addition Judge Allen fined each of the Veditos \$10 for drunkenness and \$10 for disturbing the peace.

Christmas Festivities At Damon Hall College

After the Yuletide banquet, which was carried out with all the old-time customs, at the Damon Hall College, Newton, a group of thirty carol singers made a tour of Newton. The group were trained and directed by Mrs. Zula Doane Sanders of the New England Conservatory of Music. By the flicking light of old-time tallow candle lanterns, they sang the famous carols at the homes of Newton residents. Among the homes visited were those of Mrs. Dorothy Clegg, a descendant of Gov. John Hancock; Judge and Mrs. William F. Bacon, Mr. and Mrs. Sinclair Williams, the Charles Tiltons, Mrs. Edna Hale and the Herman C. Spains.

On Sunday evening the Vesper special service was conducted by Mrs. Sanders assisted by a group of faculty and student of the Conservatory.

The first Damon Hall formal dance of the season was brought to a successful and enjoyable conclusion by a committee of twenty young women who assisted the chairman, Barbara King, '35, of Ardmore, Pa., formerly of Newton. The guest of honor was "His Excellency, the Baron William Fray von Blomberg," who was among those in the receiving party.

Christmas Concert of All Newton Music School

The Christmas Concert of the All
Newton Music School was held on Fri-
day evening, Dec. 15th, in the auditor-
ium of the Newton High School be-
fore a large and enthusiastic audience.

The program, of a popular nature
made up of light classics, consisted
of orchestral and solo numbers of
great variety. As the curtain rose, an
orchestra of more than sixty of New-
ton's younger music students came to
view and opened the concert with two
delightful numbers by German. The
piano department under the super-
vision of Miss Lillian West presented
twelve unusual and pleasing selec-
tions for two pianos—the Arensky Waltz for
four hands and the Koelling Hunga-
rian for eight, winning much ap-
plause.

The familiar and beautiful Inter-
mezzo from "Cavalleria Rusticana"
deserves special mention, the violin
solo being especially pleasing in tone
and interpretation. After the inter-
mission, the orchestra was augmented
by twenty-two members of the Junior
ensembles of the school, the full or-
chestra filling the large stage to ca-
pacity. Mr. William Lester Bates, or-
ganist and choir director of the Sec-
ond Church, West Newton, brought
his choir for the last half of the pro-
gram, during which this well known
group added much to the evening's
enjoyment by the artistic rendering
of Osgood's "Listen Lordings Unto Me."
This was followed by the Halle-
lujah Chorus with full orchestra ac-
companiment under the inspiring
leadership of Mr. Bates. After this
most fitting introduction, Christmas
Carols with Chorus, Audience and
orchestra participating brought the
concert to a close.

Once again the Christmas Concert
by Newton's own younger musicians
called forth much praise for the un-
usual quality of the splendid work un-
der the able leadership of its director,
Miss Elizabeth Fyffe, and her staff.

Children's Theatre Of Newton Broadcasts Play

On Christmas night from 8 to 9 the
Children's Theatre of Newton broad-
cast Mrs. Larz Anderson's play, "Lit-
tle Madcap's Journey" over the entire
network of twenty stations of the Amer-
ican Broadcasting System and also
over the world-broadcasting short
wave station. Mrs. Everett W. Var-
ney and Miss Barbara Lippincott di-
rected the presentation. Word was
received from many points that the
entire broadcast came through splen-
dently. After the broadcast the mem-
bers of the cast and their parents
were invited to Mrs. Anderson's home
where dinner was served and gifts
presented.

Union Church Candlelight Service

A most beautiful candlelight and
carol service was held in the Uni-
on church on Sunday evening last at 4:30
o'clock. The choir sang the following
carols: Old English Nowell; Besancon
Carol, Bohemian Carol, The Coventry
Carol, The Sleep of the Child Jesus;
Old French Carol; The Carol of the
Russian Children; The Infant Jesus;
XVII century German Melody, which
were interpreted by Mr. MacDonald.
A great deal of credit goes to Mr.
Harold Schwab, the organist, who so
generously gave of his time, in look-
ing up the history of these early carols,
and which gave to the people a clear
idea of how and when they were writ-
ten. The Boy's Glee Club sang with
the choir.

New Year's Eve Show and Vaudeville at Newton Theatre

Newton's patrons will not find it
necessary to journey to Boston to see
a vaudeville show on New Year's
Eve as the management of the Para-
mount Theatre, Newton, has arranged
a very entertaining program. Besides
five acts of vaudeville, which have
been carefully selected, there will be
an orchestra and double feature pro-
gram, comedy, and the features. It
will run from 8 p. m. until midnight,
giving the patrons a chance to wel-
come the New Year in their own city.
The program beginning Sunday and
running for four days will be "We
Live Again" with Fredric March and
Anna Sten. On the same program
James Cagney and Patricia Ellis will
co-star in "The St. Louis Kid," one
of those rollicking comedy farces for
which this young comedian is so noted.
For the last half of the week, Joan
Bennett and Francis Lederer will be
seen in "Pursuit of Happiness" and as
a companion feature, Jimmie Durante
will be seen in "Student Turf" with
Chas. Butterworth.

Beginning Saturday afternoon, Jan.
5th, a special kiddie revue will be
staged in the Paramount Theatre un-
der the able direction of Bob Mills.
These revues will be staged every
Saturday afternoon during the winter
months. Mr. Mills has been very
successful training children in sing-
ing and dancing. Any talented child
in Newton can enter these revues by
applying to the management of the
Paramount Theatre.

WERTZ—CRAWE

Miss Olive Crawe, daughter of Mr.
and Mrs. Edwin P. Crawe of 12 Dex-
ter rd., Newtonville, was married to
Robert Reese Wertz of Johnstown and
Philadelphia, Pa., on Monday eve-
ning, Dec. 24th, at eight o'clock in the
Central Congregational Church, New-
tonville. Rev. Randolph Merrill per-
formed the ceremony.

The bride wore a lace robe of rare
point d'alencon lace, which was her
mother's wedding gown, with a veil
of net and coronet of point d'alencon.
The maid of honor, Miss Alice Cath-
arine Graham of Newtonville, wore
Spanish rose taffeta with double box
fringed ruffles.

Daniel Lowry Wertz, brother of the
groom, was the best man, and the
ushers were Donald Winchester More-
land of Cambridge and Robert D.
Swezey of Cambridge and Washing-
ton, D. C.

A reception was held following the
ceremony at the home of the bride's
parents. The couple were assisted in
receiving by Mrs. Wertz and Mr. and
Mrs. Crawe and the bridal party.

The decorations at the church were
of Christmas greens and candelabra
and at the home Oregon smilax, ce-
dars and snapdragons. The music
was by Lillian West, organist.

Mr. and Mrs. Wertz will reside in
Philadelphia, Pa.

The bride is a graduate of Welles-
ley College, class of 1930, and of Miss
Sacker's School of Design, 1934. The
groom graduated from Harvard in
1928 and received his LL.B. from
Harvard Law School in 1931. He is
librarian to the Supreme Court of
Pennsylvania.

PERKINS—BUSSELL

Miss Miriam Evans Bussell, daugh-
ter of Mr. and Mrs. Charles A. Bussell
of 25 Summer st., Ashland, was mar-
ried to Leon Herbert Perkins, son of
Mr. and Mrs. L. Frank Perkins of 29
Beverly rd., Newton Highlands, on
Sunday evening, Dec. 23, at the Fed-
erated Church in Ashland. Rev. Mark
B. Strickland performed the cere-
mony. The bride was given in mar-
riage by her father.

The gown worn by the bride was of
white silk crepe and her net veil was
held in place by orange blossoms. She
carried a shower bouquet of bride's
roses and lilies of the valley.

Miss Dorothy Davis of Ashland, who
was the maid of honor, wore pale yel-
low mouseline de soie with a girdle
of delphinium blue satin and carried
an arm bouquet of tallsmen roses.

Carleton E. Dix, of Greenwood, was
the best man. The ushers were
George Blamire and Roland Dearborn,
both of Ashland.

An informal reception, following the
church ceremony, was held at the
home of the bride. The couple were
assisted in receiving by their parents
and members of the wedding party.

On their return from a wedding
trip, Mr. and Mrs. Perkins will reside
at 25 Summer st., Ashland.

The bride is a graduate of the Bos-
ton schools and of Bryant & Stratton
Commercial School. Mr. Perkins at-
tended the Newton schools and Bos-
ton University School of Business
Administration.

TYLER—ADAMS

Miss Stella Mary Adams, daughter
of Mr. and Mrs. Arthur S. Adams of
South China, and Mr. Gilbert Frank
lin Tyler, son of Mr. and Mrs. Frank
E. Tyler of Newton Centre, were mar-
ried December 22nd at 4 o'clock at a
candle-light ceremony in the First
Baptist Church of Newton, the Rev.
Dr. Charles N. Arbuckle officiating.

The bride's gown was of white Chi-
nese brocade, with a hat of white
tulle and silver ribbon. Her bouquet
was of white roses.

Mrs. Warren Adams of New York
City, formerly Miss Norma Morgan
of Chestnut Hill, was the only at-
tendant and wore a white gown with
a deep red hat and carried red roses.
Mr. Perry Jacob of New York City
was best man.

Mrs. Tyler attended the Art Mu-
seum School of Boston and the Amer-
ican School of Art at Fontainebleau,
France. The bridegroom received his
master's degree from Massachusetts
Institute of Technology in 1933.

Mr. and Mrs. Tyler will be at home
in Philadelphia, Pennsylvania, after
January first.

Welfare Workers Can't Take Examination

Because the Massachusetts Civil Service Commission specifies that investigators for Public Welfare Departments must have at least three years' experience in social service work or must be college graduates with two years' social service experience, three men who have been serving as temporary investigators for the Newton Public Welfare Department, cannot take the examination on Jan. 12th. for permanent appointments to these positions. Florence Fitzgerald, head of the department, has asked the Civil Service Commission to give special permission to these three men to take the examination inasmuch as she states their work has been satisfactory, even though they do not meet the Civil Service Commission's requirements. The salary attached to the position is \$24 weekly.

Arrest Nonantum Man at Concord

George Terrio, 27, of 29 Faxon st., Nonantum, was arrested Tuesday night at Concord on charges of driving a car while under the influence of liquor and drunkenness. He was arraigned in the Concord court on Wednesday and his trial continued to Jan. 3. He was taken to the county jail at East Cambridge. Officer Feeley of the Newton police obtained a warrant against Terrio charging him with stealing the car in which he was arrested at Concord. It is alleged that this car, the property of Michael Keegan of 18 Melbourne ave., Newtonville, was taken by Terrio from in front of that address at 7 p. m. Tuesday. Terrio was released from the Concord Reformatory recently.

Well Known Violinist in Newton Sunday Evening

Miss Josephine Durrell, who will be the soloist at the Community Evening Service on Sunday evening in the Newton Methodist Church, is one of the outstanding violinists of New England, and is well known to music lovers here and in many other parts of the country. She has the delicacy of touch that brings out the subtle qualities of violin music, and a rare appreciation of the range and power of her instrument. Miss Durrell is leader of the Durrell String Quartette which is heard frequently in recitals and is often on the air.

Christmas at The Newton Hospital

"What a wonderful Christmas Spirit!" This seemed to be the keynote voiced on every side all day Tuesday at the Newton Hospital.

But the real Christmas Spirit had its origin in the hearts of the Trustees who personally contributed the fund which made it possible for every patient, nurse, and employee to receive a gift, and for the hospital to be decked in holiday wreaths, and Christmas trees.

The season was officially ushered in Friday, December 14th, at 10 a.m. by Santa Claus, Santason, Pop Eye the Sailor, and the Clown from Jordan Marsh Company, who visited the patients and left a game or toy for each child.

On Tuesday evening, December 18th, the Fraternity Lodge Chorus of Newton, under the direction of Mr. F. W. Meakin sang carols through the hospital, then gave a concert at the Nurses' Home for all the nurses.

On Friday evening, the 21st, the student nurses had class parties and the employees enjoyed their annual Christmas tree and dance.

Santa Claus visited the Out Patient Department Saturday morning, where he was welcomed by a group of excited children who have been attending clinics during the past few months. Dolls had been dressed, pop corn balls made, and candy bags filled by the nurses and workers in the department, and each child was made very happy. One little girl greeted Santa Claus by throwing her arms around his neck and kissing him (whiskers and all).

One of the happiest traditions of the Nurses is the annual concert by the Highland Glee Club, the Sunday evening before Christmas. For years, Mr. D. Ralph MacLean, and a group of twenty or thirty members of the club have come to the Nurses' Home and after the concert, joined with the nurses in singing Christmas carols and old favorite songs.

Early Christmas Eve, a small group of student nurses went through the corridors and wards singing "Silent Night." Following them a group of twenty carolers from the Grace Church sang through the wards.

All nurses were up and ready to sing carols at 5:15 Christmas morning. It takes just about an hour and fifteen minutes to go through the hospital, singing one or two carols in each ward and on every floor of the new building, so at 6:30 the dining rooms were open and ready for the nurses. Each one found at her plate a tiny gift from the Trustees. In the student nurses Dining Room jolly class songs were interspersed between oranges, chops and doughnuts and coffee, the traditional Christmas breakfast. There were forty places set at the long table in the Staff Dining Room.

At 7:25 the Highland Glee Club arrived and sang carols in front of the hospital to the accompaniment of trumpets.

One of the medical students represented the Trustees as Santa Claus, and about ten o'clock he went through the buildings distributing useful gifts to each ward patient. Each private patient received a small basket of fruit. All patients who could be in wheel chairs went to the Dennison Ward to see the children when Santa Claus arrived there. Miniature Christmas trees, apple "Santa Claus", fancy place cards, and nut baskets made by the nurses, and old fashioned Christmas cards donated by friends were on breakfast, dinner, and supper trays. Turkey dinner was provided for everyone, and most patients on "special diets" were allowed at least a small serving. Husbands were permitted to have dinner with their wives.

Santa Claus in the form of a stork visited the hospital three times, and left three precious gifts. For the past four years, three babies have arrived on Christmas Day. This year there were two boys and one girl.

No holiday Off Time is taken by the nurses, but they cheerfully and willingly give their day to the patients.

The festivities close with the annual Christmas play and formal dance given by the student nurses, Friday evening, December 28th.

On New Year's afternoon a tea is given in honor of the student nurses so that they may meet the doctors' small children who are special guests of the occasion.

It would be impossible to mention all the gifts that have been coming to the hospital during the past week.

Among the many were a subscription to the Newton Graphic, a bushel of apples, a bushel of potatoes, a tiny poinsettia plant to each ward plant sent by Fraser, the Florist, in Wellesley, a Christmas tree from Stearns School Centre, marshmallow rosy cheeked apple Santa Claus for each child's tray and sunshine envelopes, candy, books, cigarettes, Christmas cards, a Jerusalem cherry plant, toys, a basket of fruit, packages of pictures and poems on card board

Newton Centre Dog Bites Letter Carrier

A dog owned by Mrs. Kate Sage of 21 Tarleton road, Newton Centre, bit Joseph Pott of Roxbury, a letter carrier, as he was delivering mail on Friday afternoon. The dog was ordered restrained and Dr. Boutelle, city veterinarian notified to examine it.

On complaint of a resident of Rosalie road, Oak Hill, Arnold Hartmann of 17 Rosalie road was notified last Friday to restrain his dogs. The neighbor had complained that the terriers had been bothering him.

Hudson Reaches New Heights in 1935 Cars

The Hudson Motor Car Company is presenting its new line of Hudson and Terraplane cars for 1935. They are now being placed on display in Newton and throughout the country. These new cars are more than usually significant because this year the automobile industry reaches a new peak in its development. Goals which have been sought for the past decade have been achieved for the first time.

The real complete steel body is one of them. In this new type of body the roof as well as the entire body structure is of steel. Heretofore it has been necessary to make the roof soft in order to keep away the drumming noise which resulted from attempts to use a solid steel roof. Science has now solved that problem and it is strange and interesting to note that it has been solved by the use of principles discovered in the handling of sound vibrations in the radio industry.

Radio engineers have solved many problems connected with sound and not the least of these has been the method of damping out these "audible frequencies", as vibrations which cause noise, are termed by the scientists. The net result as far as the car owner is concerned is a tremendous gain in safety. With the modern ventilating systems such as used on Hudsons and Terraplanes, the passengers sit within a real air-conditioned room of steel.

Another goal achieved this year is the elimination of the gearshift lever. Buyers of 1935 Hudsons and Terraplanes have available to them an entirely new method of shifting gears. A touch of the fingertip and the electro-magnetic current selects the proper gear—actually in advance of the time it is needed—if desired. This is a real achievement. It has been an engineering dream for two decades.

There are other great achievements to be found in these new cars. Swerveless, mechanical braking, fully automatic carburetion and automatic battery charging rate, and unparalleled engine efficiency that provides performance due to an extremely high ratio of power-to-weight. Strange as it may seem in spite of the gain in performance there is also an actual gain in economy. We believe that it will profit everyone interested in automobiles to study the 1935 Hudson announcement and see these new cars which are now on display for the first time.

Man Collapses in Tunnel at Eliot

Walter Antropik of 25 Mechanic street, Newton Upper Falls, collapsed in the tunnel under the railroad tracks near Eliot station at 8:25 a. m. Saturday. He was taken to the Newton Hospital in a police car. Antropik told the police he had been ill for several days. His condition was supposed to be due to exhaustion.

which can be easily handled by patients, scrap books, and seven bulging red stockings.

The Rotary Club sent 100 copies of the Boston Traveler with merry Christmas stickers on each, and the Newton Center Savings Bank sent about fifty copies of the Boston Traveler Christmas Carols.

A beautiful bouquet was sent for the William Henry Lucas Room in memory of Mrs. Lucas who, before her death, always sent several boxes of candy to the patients each Christmas. Her daughter is continuing the custom.

A Christmas table piece of greens was sent for the Doctor's office by a former patient of Dr. I. J. Fisher.

Among other groups and individuals who contributed were: The Valeria Society, the Young People's Branch of the W. C. T. U., the Newton Centre Sewing Club, the Wellesley Friendly Aid Association, a group of Weston friends, the First grades from the Hyde School, Newton Highlands, the Second grade from the Adams School, Newtonville, Bobby and Jane Baldwin, Mrs. F. A. Day and Mrs. Frank L. Nagel.

Such a happy season more than proves that the friends of Newton Hospital are "Hospital Christmas"

Autos Stolen at Newton Corner

An automobile owned by Richard Ashenden of 94 Fair Oaks avenue, Newtonville, was stolen Saturday night when it was parked at Newton Corner. It was found abandoned on Sunday at Woonsocket, Rhode Island. A car owned by Norman Bell of 1043 Beacon street, Brookline was stolen Saturday afternoon while parked opposite 336 Centre street, Newton. It was found abandoned on Monday in Boston. A radio set and Christmas presents which were in the car, had been stolen.

Lively Blaze in Auto at Newton

Wednesday afternoon at 3:45 an automobile owned by Clinton L. Wilson of 148 Pearl street, Newton and driven by Mrs. Charlotte Wilson caught fire on Centre street opposite the railroad station. Mrs. Wilson stopped the car in front of 405 Centre street and made a hasty exit from the sedan, together with a woman companion as flames burst high in the air. Gasoline from a leaking vacuum tank ignited as it hit the hot motor of the car. Box 115 was pulled by a taxi driver, and the crew of Engine 1 extinguished the blaze before the flames reached the body or interior of the car. The hood and motor were damaged.

Slight Fire At Hotel Hollis

A fire which started about 9 Friday night in the cellar of the Hotel Hollis at 47 Hollis street, Newton, was extinguished by the crew of Engine 1 before it caused serious damage. It started in some papers on the cellar stairs and was probably caused by spontaneous combustion. The guests at the hotel were having a Christmas party at the time and one of those present smelled smoke and it was quickly traced to the cellar.

TIRED, NERVOUS, RUN-DOWN? fight "colds" the vitamin way

Your health power shrinks in winter. You stay indoors more—get less exercise, less fresh air. The sunshine is sickly. As a result, you catch "colds" easily, you can't sleep, you feel off your feed.

Science tells us that "colds" and other winter illnesses are often the result of lack of vitamins A and D. A is your body's first line of defense against infection. D—the "sunshine" vitamin—builds body, bones and teeth.

Thanks to modern discoveries, you can obtain these two valuable vitamins throughout the winter. McKesson's has separated them from cod liver oil, and concentrated them in delicious chocolate-coated tablets.

McKesson's VITAMIN CONCENTRATE TABLETS of Cod Liver Oil help you stop "colds" before they start, and give new vitality. Each tablet brings you all the vitamins in one teaspoonful of U. S. P. X. (revised 1934) Cod Liver Oil.

Take them yourself, and give them to your children. They contain calcium and phosphorus to help youngsters build sturdy bones and sound, even teeth. These tablets are a food, not a medicine.

Get them at your druggist's. A dollar bottle brings you 100 tablets. Children love their tempting taste. Protect your family from the danger of becoming "run-down" with McKesson's VITAMIN CONCENTRATE TABLETS.
